## Game Laws on Pheasants and Water Fowl

Latest Laws on the Matter of Shooting for Season Opening the First of Next Week.

### Pheasant Season of 1935

October 20 to October 29, inclusive in the following counties: Adams, Antelope, Arthur, Banner, Blaine, Boone, Boyd, Brown, Buffalo, Burt, Butler, Cedar, Chase, Cheyenne, Clay, Colfax, Cuming, Custer, Dakota, Dawson, Deuel, Dixon, Dodge, Dundy, Fillmore, Frontier, Furnas, Garden, Garfield, Gosper, Grant, Greeley, Hall, Hamilton, Hayes, Hitchcock, Holt, Hooker, Howard, Kearney, Keith, Keya Paha, Kimball, Knox, Lincoln, Logan, Loup, Madison, McPherson, Merrick, Morrill, Nance, Perkins, Pierce, Phelps, Platte, Polk, Red Willow, Rock, Saline, Saunders, Scotts Bluff, Seward, Sherman, Stanton, Thomas, Thurston, Valley, Wayne, Wheeler, York; all of that part of Sioux county south of Government Ditch, and Pleasant Hill, Goose Creek and Elmore Precincts in Cherry county.

October 20 to October 29, inclusive and from November 17 to November 21, inclusive, in the following counties: Antelope, Cedar, Dakota, Dixon, Garden, Keith, Knox, Lincoln, Morrill, Pierce, Scotts Bluff, Thurston, Wayne, and all that part of Sioux county south of Government Ditch.

Bag and possession limits: Bag limit 5 birds, of which 2 may be hens. Possession limit, 5 birds of which 2 may be hens.

Shooting Hours: 7 a. m. to sunset each day.

Note: While regulations permit the killing of 2 hens, this is done only to save birds shot by mistake, and all hunters are urged to cooperate by not intentionally shooting hens. Hunters deliberately shooting hens and leaving them in fields or giving them away will be prosecuted to the full extent of the law.

### Migratory Waterfowl Open Seasons

Dates—October 21st to November 19th, inclusive.

Where to Hunt—All counties in Nebraska, except those portions that are within game sanctuaries.

Bag and possession limit—Bag limit: Ducks, 10; Geese, 4; Snipe, 15. Possession limit: Ducks, 10; Geese, 4; Snipe, 15.

Shooting Hours—7 a. m. to 4 p. m. daily, except Platte river (See information blow on Platte river hunting).

Note: All persons hunting ducks, geese, and other migratory waterfowl must have federal duck stamp, price \$1.00. This is obtained from post offices.

The laws controlling hunting of migratory waterfowl are fixed by federal authorities. The Nebraska Game Commission does not fix the open season nor the bag or possession limits. State laws contrary to federal regulations are ineffective and should be disregarded.

There is no open season on ruddy, buffle-head and wood ducks.

### Squirrel Open Season

Dates—October 1 to December 21, inclusive.

Bag and possession limits: Bag, 10; Possession, 10.

### Raccoon and Opossum Open Seasons

Dates—November 16 to February 15 next ensuing.

Bag and Possession Limit: Bag, 3.

### Doves

No open season on doves in Nebraska. State laws prohibit shooting of doves in Nebraska, therefore Game Commission cannot open season although federal regulations permit same.

### Permits

All persons hunting must have a hunting permit. Price \$1.10 for residents; \$10.00 and up for non-residents, depending on the state in which they live. For example Kansas \$10, Iowa \$15, South Dakota \$15, Missouri \$10, Colorado \$10.

While the Nebraska law requires the wearing of a badge in which the hunting permit is placed, this will not become effective until January 1, 1936, therefore carry your permit in your pocket or on person until badge is available.

### Miscellaneous Information.

Decoys—No live decoys permitted for duck or goose hunting. Floaters, or other artificial decoys may be used.

Baiting—No baiting permitted.

Guns—No guns larger than 10 gauge can be used in hunting game birds. Automatic and repeating gun magazines must be plugged so that not more than 2 shells can be placed in magazine and 1 in the chamber while hunting migratory waterfowl.

Blinds—Blinds must be located not more than 100 feet from the shore

line of the lake, river or island in the river.

### Platte River Hunting.

The state laws permit shooting on the Platte rivers (except Garden, Morrill and Scotts Bluff counties) only during the forenoons of lawful open seasons for hunting. Therefore during 1935 season ducks, geese, pheasants, rabbits and squirrels must not be hunted after 12 o'clock daily of any day that is open for the bird or animal sought. This applies to the North and South branches of the Platte river, and within the permanent flood banks of the stream. In Morrill and Scotts Bluff counties hunting can be done during regular hours set forth for each open season. The Platte river, and for 10 rods on each side of river in Garden county is closed at all times.

### SUFFERS FRACTURED WRIST

#### From Wednesday's Daily

This morning while playing in the physical education period at the Central building, Everett Daniels, 15, suffered the fracture of the right wrist. The boy was playing a game and in running fell and the wrist was turned so as to cause a fracture. The injured lad was treated by Dr. R. P. Westover and made as comfortable as possible but will be without the use of the arm for some time.

### RESUMES DUTIES

Miss Helen Warner, deputy clerk of the district court, who has been taking an enforced vacation due to an attack of appendicitis and the necessary operation, Monday was able to resume her duties. Miss Warner is feeling greatly improved and while still weak from the effects of the illness is rapidly getting back in the routine of the office.

### NOT SO WELL

William F. Gillespie, long time resident of this community, is very poorly at the Nebraska Masonic Home, suffering a relapse Monday and which has proven quite serious. The many friends of Mr. Gillespie will regret to learn that he is not so well and trust that he may be able to rally from the heart attack that he has suffered.

### SHERIFF IS ILL

Sheriff Homer Sylvester has been very gravely ill for the past two days as the result of what seems an attack of pneumonia fever and which has caused a great deal of worry to the members of the family. The sheriff has suffered a high fever and which has made it difficult to care for his case and a great deal of the time he has been delirious.

### WOMAN FOR LEGISLATURE

Hastings, Neb.—The Clay county democratic central committee recommended the name of Mrs. John Donahue of inland as successor in the state senate to Cloyd L. Stewart, resigned. The Adams county committee previously had recommended Leland Hall of Roseland. The action apparently leaves the final choice up to Governor Cochran, who may name one of the two nominees or not, as he chooses.

### ODD FELLOWS IN SESSION

York, Neb.—Louis Harris of Lynch was elected president of the past grand officers of the state Odd Fellow and Rebekah lodges. Charles Johnson of Fremont was elected vice president and E. S. Davis of North Platte and Anna B. Crawford of Omaha were re-elected secretary-treasurer and historian, respectively.

York, Neb.—With registration increasing hourly, the credentials committee of the Odd Fellows grand lodge, grand encampment and Rebekah assembly met here, preparatory to opening business sessions of the various branches of the orders. Grand encampment officers met at the Odd Fellows hall, where R. Andersen of Crawford, grand patriarch, presided. The morning hours were taken up by meetings of the credentials groups and the grand encampment, and this was followed at noon by a banquet for past presidents of the Rebekah assembly.

Norfolk delegates arriving began a campaign to make that city the 1936 convention city. The campaign became more intense when it was learned that Lincoln, which last year vied with York for the 1935 convention, would also seek the convention. Special sessions of the Rebekah assembly and grand lodge were scheduled for afternoon and evening, to be followed by a public reception.

# Why IRON FIREMAN

AUTOMATIC COAL FIRING  
*is more efficient*

Coal is America's permanent fuel supply. It gives more heat units per dollar of cost than any other fuel. But hand-firing wastes a big share of these heat units. Iron Fireman is engineered to extract the maximum heat value from coal. It automatically feeds the fire and controls the temperature. That is why Iron Fireman does a better job of maintaining steady temperatures, and at lower cost than other firing methods. Ask us for free fuel cost and firing survey which will show you what Iron Fireman can do for you and how much it can save you. Inquire now.

In hand firing, coal is thrown on top of hot fuel bed. Valuable gases released as smoke; coal drops into fire.

Coal fed from beneath by Iron Fireman. Coal is preheated and gases burned. "Charcoal top" supplies terrific heat. No smoke. No waste.
