**4-H Club Members to Exhibit at Ak-Sar-Ben.**

Cass county 4-H club members will exhibit eleven baby beeves, nine fat barrows, and 13 fat wethers at the Ak-Sar-Ben Livestock Show which opens in Omaha October 27th. The livestock is all good quality and some of them are the 4-H club members' choicest animals, having been reserved for this particular show.

Those who will exhibit baby beeves are: Warren and Vernon Rikli, Murdoch; Vincent and Frances Rehmeier, Weeping Water; Erwin Schlapf, Wabash; Eugene and Harold Domingo, Weeping Water, and Raymond Manners, Eagle. Vincent Rehmeier will exhibit the calf which he won in the "calf scramble" at Ak-Sar-Ben last year, which he has been feeding and caring for.

Vincent and Frances Rehmeier will also exhibit their Chester White fat barrows, and Harold Domingo will show three Hampshire barrows. Clyde Althouse, Eagle, Milford Smith, Dale and Duval Reed, Weeping Water, Cleo Bergman, Eagle, and Eugene and Harold Domingo will exhibit fat wethers.

**Holiday Happiness.**

"Christmas living is the best kind of Christmas giving." At Christmas time, like children, we prefer old stories to new ones. We like to think of Christmas trees, and holly and mistletoe, of the story of the manger, of shepherds, of carols, and Santa Claus, and the jingle of bells, and good things to eat, and gifts to give and to receive. The making of Christmas gifts is always fascinating, but takes thought and planning. That is the reason that the lesson on "Holiday Happiness" is being presented this month to women's project clubs in the county.

The lesson contains suggestions for gifts for grownups as well as toys to make for children and includes recipes for Christmas cakes, candy, cookies and puddings. Training meetings for project leaders are scheduled as follows:

- Tuesday, Oct. 22, Louisville.
- Wednesday, Oct. 23, Elmwood.
- Thursday, Oct. 24, Nehavka.
- Friday, Oct. 25, Murdoch.
- Tuesday, Oct. 29, Plattsmouth.
- Wednesday, Oct. 30, W. Water.
- Thursday, Oct. 31, Eagle.

**Still Treating Bindweeds.**

Many farmers are calling at the Farm Bureau office for chlorate to treat bindweed. The season has not advanced so much but what the treatment is still effective. These late rains make the ground ideal for treatment. Those wishing to eradicate some patches should get it at once. About three pounds per square rod with a dry treatment will do the job. This will cost about 30c per square rod.

**Many Reports of Cholera.**

From the many reports of death loss among hogs due to cholera throughout the county, farmers should give a serious thought to immunizing their hogs at once. Considering the small number of hogs that are in the county the cholera situation is serious and should be recognized as such by everyone.

**4-H Baby Beef Boys Get Calves.**

A carload of calves were distributed to the 4-H baby beef club members in the county Wednesday afternoon. These calves were selected from some of the best herds of cattle in Cherry county. These together with other calves made a good bunch of baby

**Murder Witness**

Anna O'Bannon

First degree murder charges were drawn against W. H. Reager, 50-year-old undertaker of Culpeper, Va., in connection with the death of Mrs. Willie Mae Wood, following the testimony of her friend, Anna O'Bannon, shown above on the stand at the inquest in Washington, D. C. Miss O'Bannon testified that Reager had forced Mrs. Wood and herself to accompany him to the Washington hotel where Mrs. Wood was found with her throat slashed, her body lying near the unconscious Reager whose wrists were slashed.

beeves for the boys to feed this coming year and also make a good showing at the different fairs next fall.

**National Corn-Hog Referendum.**

Corn-hog producers throughout the nation will cast their votes this week in a national referendum to determine whether or not they want another corn-hog adjustment contract drawn up for them. Educational meetings are being held this week at seven places in the county. If it is the wish of the people attending these meetings, and a majority of the people from the precinct are present, ballots will be cast at the meeting in sealed ballot boxes and will be tabulated after the close of the polls on October 26th, according to instructions to the county allotment committee.

On Thursday evening, October 24, meetings will be held at the Mynard Community building and the Weeping Water school house. On Friday evening, October 25th, meetings are scheduled for the Glendale church, 3 miles east of Louisville, and the Woodman Hall at Union.

Three polling places, the court house at Plattsmouth, the Farm Bureau office at Weeping Water, and the school building at Murdoch, will be open from 8 a. m. to 10 p. m. Saturday, October 26th so that producers and landlords, may cast their vote. All of the ballots to be used by signers and non-signers are exactly alike. There will be a place in one corner to indicate whether the person casting the ballot is a signer or a non-signer.

**HOSPITAL GIVEN HAILE BY POPE**

Addis Ababa, Oct. 20.—Ethiopia received today through action of Pope Pius the use of a modern Italian hospital for her wounded. The pope directed the Italian Catholic mission here to turn over to Dr. T. A. Lambie, director of the Ethiopian Red Cross, the magnificent new Italian hospital in Addis Ababa which was completed only three months ago. Equipped with X-rays, the latest surgical and scientific apparatus and electric elevators, it is the finest and largest modern hospital in the country. Halle was represented as pained at reported refusal of the American government to allow the American Friends society to ship two airplanes to Ethiopia for use as Red Cross air ambulances. Lambie asserted Ethiopia has not a single motor ambulance, much less an aerial one.

Advertising expense yields a far bigger dividend than any form of investment.

sons. The tall, white-haired former San Francisco court reporter, appearing for the first time in any of the numerous proceedings brought in Mooney's behalf, declared when he told prosecuting officials of being with Mooney at the time of the bomb explosion, Fickert cautioned him not to tell anybody and promised to get him a job.
