Elmwood News

Henry Bornemeier was over from Murdock last Tuesday and was looking after some business matters in Elmwood for a short time.

Frank Wiechel and wife of Kenseaw and Gayl Pelsler arrived in Elmwood last week and visited for a few days at the home of Mr. and Mrs. E. N. Stark, where all enjoyed a very fine visit.

Louis Bornemeier, manager of the Farmers Union store and cream station was called to Lincoln last Tuesday, where he had some business matters to look after for the company. During his absence, Mrs. Bornemeier was looking after business matters at the store.

Henry Mullon, the shoemaker was in Lincoln last Monday, going to see the big parade, a feature of the Armistice day celebration, and which proved to be a very worthwhile celebration held in connection with the annual homecoming day feature at the University of Nebraska just prior to the Cornhusker-Jayhawk football game. There was a large crowd in Lincoln that day.

Business Changes Hands

The business which has been owned and operated by George F. Wilson, has been disposed of to his brothers, W. H. and Dan Wilson, who are now in charge. George and his wife are still here, but expect to move to Omaha soon, where Mr. Wilson will engage in business.

Sleet Caused Wreck

An auto accident occurred on the O street road Sunday evening as the windshield of a man from Kansas City became covered with sleet so he could not see where he was going. He put on the brakes too rapidly and the car skidded, leaving the pavement and sliding across the shoulder into a ditch at the roadside, where it turned over. Dr. Liston gave first aid and took the man to a hospital in Lincoln.

Miss Doris Green Poorly

Miss Doris Greene, who is engaged as teacher of Music in the Calloway (Nebraska) schools, was taken with a severe attack of flu last week, being confined to her bed and unable to teach. A substitute was secured to take her place. Mr. and Mrs. Ralph Greene drove to Calloway and found the daughter some better, bringing her home with them and she is now receiving treatment and showing some improvement, but still very sick. It is hoped she will soon be in her former good health.

Car Leaves Roadway

Miss Aletha McCartney, who is employed in the office of Attorney Guy Clement, while going to Alvo, struck a very slippery stretch of roadway near the home of A. L. Weychel, which caused her car to skid and losing control of the same the car left the road and went into a ditch at the side of the road, with the result that the fenders of the machine were badly bent. Otherwise the car was very little damaged and Miss Aletha escaped uninjured.

Gave Husband Surprise

Mrs. Ronald Schlichtemeier arranged a very pleasant surprise party in honor of the birthday of her husband, which fell on Friday of last week, November 8th. When Mr. Schlichtemeier arrived home from the garage for supper, the evening meal was not only ready for him, but there were some fifteen of his close friends there to greet him and enjoy the meal with him. Ronald was greatly surprised, and all enjoyed the supper, followed by a session of cards. It was a late hour when the guests left for home, wishing Mr. Schlichtemeier many more happy birthdays.

Getting Heating Plant Installed

The citizens of Elmwood are very loyal in the matter of getting the Elmwood community building in the best of condition. It was recently determined to place a steam heating plant in the building and the contract for materials has been let, all of which are now on hand with the exception of a limited amount of pipe. Now comes the matter of raising the money to pay for the materials and the labor of installing same, which it is expected will require ten days or two weeks.

It was at first planned to raffle off an automobile, but later concluded a carnival would be the best means and the dates for holding this activity have been set for December 3, 4 and 5. Coming before the midwinter holiday season, it is considered this will be a time when all can attend and enjoy the festivities as well as do their part toward advancing the cause of paying for the new heating plant. The community building here is as fine as will be found in any town of this size over the state and the town is to be congratulated on its determi-

nation to keep it up and add to the equipment from time to time. There is a lot of overhead expense connected with the maintenance of such a building and it takes the concerted efforts of everyone to do it.

Charles Grant Bailey

Charles Grant Bailey was born at Bailey Corners, Pennsylvania, February 2, 1861, and died at the late home in Elmwood, Nebraska, on Wednesday, November 6, 1935, at the age of 74 years, 9 months and 4 days.

During the early portion of his life, Mr. Bailey made his home with his

parents in Pennsylvania, later coming west with them when the family settled in Iowa. In the early seventies, they came to Cass county, locating near Weeping Water. After a couple of years there, they moved to a farm near Elmwood in 1874, where they made their home until about twenty years ago, when they moved to Elmwood to live, still retaining the farm. Mr. Bailey was united in marriage with Miss Eva Woodruff of Elmwood in the year 1883. To this union four children were born, they being Earl J. Bailey, Mildred (who was united in marriage to Clark Gonzales, but

preceded her father in death), Hettie (who became the wife of Martin Hedge) and Warren Bailey, who is now located at North Loup, Nebr.

Early in life, Mr. Bailey united with the Methodist church and has ever been a devoted member of that body and a faithful follower of the lowly Nazarene. He also joined the Independent Order of Odd Fellows a good many years ago and enjoyed attending the meetings of that organization as long as his health would permit. He was an ardent democrat and attended most of the democratic conventions of earlier days, seeking

to do what he could for the betterment of his fellowman, but never a candidate for office himself.

The funeral was held on Friday at the Methodist church, conducted by Rev. W. B. Bliss, pastor of the church, and interment was in the Elmwood cemetery north of town.

Lost Game to Weeping Water

The Weeping Water high school football team came to Elmwood last Friday for a game with the local lads and was able to best our boys. The final score was 19 to 0. Better luck to you next time, boys.
