

THE GIFT EXTRAORDINARY

We've just opened up our new Glover

Pajama Bar

Here's a new wrinkle in the Pajama business—blended suits. It's a little more personal than the orthodox way of buying Pajamas because at our Pajama Bar you get different combinations of coats and trousers skillfully blended—or mixed—to produce the smartest color effects.

We think this is quite a forward step in Pajama selling—and we believe you'll like it, too. At any rate come in and look it over. If you have any vexing gift problems just before Christmas—this may help you solve them. For it is new and different and very smart—to be able to
