

### Lindy, Anne and Jon Arriving in English Exile

The Lindberghs landing at Liverpool from S. S. American Importer as shown by radiophoto flashed across Atlantic. Mrs. Lindbergh was in front, her husband carrying Jon, as they faced tremendous and curious crowd which gathered to greet them despite their hope of finding anonymity in England. (International Illustrated News)

### RIVERVIEW CLUB NOTES

On December 10 the Riverview club met at the home of Mrs. Harold Sack with Miss Elsie Hoyt assistant hostess. The meeting was called to order by the president, Mrs. Slagle. The minutes were read and approved and two bills were paid. A number of songs were sung, led by Mrs. Brinklow on account of social leader having a bad cold.

The meeting was then turned over to the project leaders. The lesson was "The Home Maker Entertains," which was very interesting. We then adjourned and carried out different games and fun the rest of the afternoon. At an appropriate hour all lined up for lunch in which Mrs. Creamer, Mrs. Campbell served to us. Mrs. Creamer poured the tea and Mrs. Campbell served the plates.

### Christmas Party

The Riverview club held their annual Christmas party at the home of Mrs. Georgia Creamer in which about sixty guests were present, a fine program being arranged by Miss Josephine Campbell and carried out by the youngsters that were present. Mrs. H. Sack also gave a reading, "Little Tommy's and Annie's Prayer." Some songs were sung. Just as they were singing the last song, "Jingle Bells," some bells were heard outside, when Santa and Mrs. Santa arrived with packs full of candy for everyone. The rest of the evening was spent playing pinochie. A delicious lunch of sandwiches, Christmas cookies and coffee were served. All departed home at a late hour hoping to have another merry Christmas party next year.

REPORTER.

Plattsmouth offers opportunities unexcelled anywhere to small factories. Natural gas, low cost electricity, normal living wages, splendid shipping facilities, etc., all combine to make this possible.

### Chamber of Commerce Meets on Thursday

Election of Officers for the Year Will Be Chief Feature of the Annual Gathering.

The Plattsmouth Chamber of Commerce will hold their first meeting of the new year on Thursday evening at 8 o'clock at the auditorium of the public library and which is an occasion of real importance to the community.

This meeting will select the officers who are to head the club for the next year and much of the forward looking projects of the club will depend on the men that are selected to head the organization for the next twelve months.

The year 1936 holds much promise for the nation and each community, and Plattsmouth should have its part in the forward movement that is apparent over the nation as the years of the depression are being passed by and the dawn of the new day is with us. The officers of the civic body will have a large part in seeing that this city is in line with other communities to join this progressive movement to better things.

The necessity of some definite body to originate and carry out movements for civic improvement is recognized and the Chamber of Commerce is best fitted for this work, representing all lines of activity in its membership and not any one group. There will be many projects of great community development to be a part of the 1936 program and one of these no doubt will be that of preparing for the utilization of the navigable Missouri river that will be possible, meaning docks and other facilities will be necessary here as at other of the port towns of the river. In the development of this the chamber of commerce must have a large part.

The selection of the officers is important and all members of the civic organization are urged to be out at the meeting and assist in selecting the officers and getting the program under way.

### PAROLE BREAKER RETURNED

Omaha.—Harold Newman, 26, released from the Leavenworth prison Oct. 31 on a parole won for him by his mother, prepared to return to the prison to serve out his sentence. He violated his parole by stealing ten handkerchiefs, federal authorities said.

Newman was convicted on a narcotic charge here in 1933 and sentenced to serve three years. His mother, Mrs. J. F. Fenton, came here from Los Angeles to plead for a parole for her son. She worked as a cook until her mission was fulfilled. Mrs. Fenton returned to Los Angeles to re-establish residence so her son might be paroled to her. Dec. 17 she sent money to federal officers to pay her son's fare to Los Angeles. Newman was found in jail, serving a seven day sentence.

### DEFENSE OF STRAW BALLOT

New York.—Replying to Rep. Walter M. Pierce of Oregon, the Literary Digest declared its straw ballot "merely discloses the mind of the voters in advance and does not 'create ballyhoo' or effect one-sided voting in the official balloting."

Announcing his intention to seek to have straw ballots barred from the mails, Representative Pierce in Washington asserted, "A straw ballot easily could be planned to throw a majority in a certain way and by creating a band-wagon, get a million votes right off the bat."

"Such a premise," said the Literary Digest in a formal statement, "is contrary to the findings witnessed by poll managers."

### STARTING OLD TIME DANCES

The American Legion is advertising a series of old time mixed dances to be given Saturday evenings during the winter season, starting with this coming Saturday. The hall has been rented to other parties on the nights of January 25th and February 22nd, which will be the only Saturday nights during the first two months of the new year when old time combination dances will not be held.

### RECEIVES FINE CAKE

Mr. Julius Hiltner received a fine Christmas cake from Switzerland. It was decorated with the flag of their country and the emblem of that country and also its native flower making in all a beautiful decoration. The cake arrived in perfect condition. It was sent to Mr. Hiltner by his niece of the old country who is a trained nurse there.

### FIVE MILLION LESS DEBT

State Auditor Ayres finds from his records that subdivision of the state have reduced their bonded debt approximately \$5,000,000 in the past two years. Most of this reduction he believes was made during the past year and was made possible by ability of the people to pay taxes. While the state government has no bonded debt its subdivisions had a bonded debt of \$93,600,000 two years ago. This now stands reduced to \$87,748,000. "Irrigation district bonds may have been reduced another million," said Ayres, "but if so this cut has not

yet been reported to this office."

The recent bonded debt of subdivisions of the state now total as follows, according to records of the state auditor:

City and village	\$48,200,000
City school districts	29,545,000
Rural school districts	1,094,000
Counties	4,311,000
County high schools	181,000
Precinct, irrigation and drainage	4,417,000
<b>Total bonds</b>	<b>\$87,748,000</b>

Rock surfacing of farm to market roads as WPA projects offers as fine a method of expending relief funds as could be devised.

### HAS EXCELLENT POSITION

Old time friends of Alvin Thomas, who made his home here in his youth, will be pleased to learn that he is now in charge of district No. 1 of the Prudential Insurance Co. of Kansas City, Missouri. Mr. Thomas made his home here until he was fifteen years of age and then moved with his mother, Mrs. Julia Thomas and brother, Gurnie, to Glenwood and later to Omaha. He became connected with the Prudential Co. in Omaha and his excellent work called for his promotion to the Kansas City office. Mrs. Thomas and son, Gurnie,

## STARTING FRIDAY Our Annual Sensational JANUARY CLEARANCE
