

Greenwood

Mr. and Mrs. Laymon were home over Sunday.

Mrs. Ralles is reported as being quite sick at her home.

Austin Kyles made a business trip to Lincoln Monday morning.

Mrs. Dora Leesley was a business visitor in Ashland Wednesday afternoon.

Goodhart Vant was called back to Creapolis Saturday as relief operator for the Burlington railroad.

Mrs. Howard Richards and daughter, La Verne Adair, were business visitors in Lincoln Saturday.

Mrs. Dora Leesley and grandson, Bob Leesley, were business visitors in Havelock Saturday afternoon.

Frank Coleman was home from his work at Tecumseh from Friday evening until Sunday afternoon.

L. M. Mowry spent several days during the past week in Lincoln with his daughter, Mrs. Opal Gladney and family.

Mr. and Mrs. George Bucknell accompanied Mrs. Ruth Barnett of Ashland to Lincoln last Tuesday afternoon.

Mr. and Mrs. Frain and family of Havelock spent Sunday here with her parents, Mr. and Mrs. Noah Swacker.

Mrs. Henry Kirk has been quite sick at her home with gall stones, although she is somewhat improved at this writing.

Mrs. D. S. Rogers, who has been quite sick at her home, is much improved, which will be good news to her many friends.

W. S. Allen has been quite sick the past week, having been confined to his home, but he is somewhat improved at this writing.

Mr. and Mrs. Emmett Cook and family of Elmwood were dinner guests of her parents, Mr. and Mrs. C. A. Mathis on Sunday.

Mr. and Mrs. E. O. Miller and Mrs. A. N. Holmes and children, all of Ashland, spent Friday evening with Mr. and Mrs. John Vant.

Mr. and Mrs. John Zerbel of Turion, South Dakota, drove in Saturday evening for a few days visit with their old friends, Mr. and Mrs. N. D. Talcott.

Bertrand MacDonald left Sunday by train for Long Beach, California, where he will spend some time visiting Mr. and Mrs. P. E. Clymer and other relatives.

Donald Sheffer of Omaha came down Saturday evening to visit his parents, Mr. and Mrs. L. V. Sheffer. Mr. Sheffer's condition remains about the same.

Joe Armstrong was taken to the hospital in Lincoln for treatment one day last week. He is reported as recovering nicely and will soon be able to be brought home.

The Burlington railroad put about sixteen men to work the latter part of last week, shoveling snow between Ashland and Waverly and clearing out the tracks and switches.

Dewey Headley went to Lincoln Thursday, where he attended the lumbermen's convention and also looked in on the district Legion convention being held there at the same time.

The Misses Thelma Leesley and Jeanne Barger went to Lincoln Friday evening, where they spent the week end with Beuna and Beulah Leesley. They returned here Sunday evening.

The condition of Mrs. Ryan, who is critically ill in a Lincoln hospital, remains about the same. She is the mother of Mrs. Layman, who lives in the property known as the Kimberly place.

Pick Sophomore Campus Queen

Mary Margaret Finnicum

Although only a sophomore, Miss Mary Margaret Finnicum of New Rumley, O., was chosen campus queen at the All-University dance, chief social event of the season at Kent State university, Kent, O.

The American Legion Auxiliary unit meeting which was to have been held last Wednesday afternoon, was postponed until the regular meeting time next month on account of the bad roads and weather.

Ed Landerger was taken to the Veterans hospital in Lincoln Thursday morning, where he was operated on for an acute attack of appendicitis that same day. At the latest report, he was recovering nicely.

Mr. and Mrs. J. S. Gribble entertained a few friends at their home Saturday evening. There were two tables of players and the time was spent playing pinochle. A most enjoyable time was had by all.

Mr. and Mrs. Edward Cope and daughter and Mr. and Mrs. Leonard Jardine and family enjoyed a basket dinner with Mr. and Mrs. J. S. Gribble and family last Sunday. A most pleasant day was spent by all.

Mrs. Mary Fitzgerald, of Denver, Colo., and two grandsons, John Fitzgerald and Chauncey Abbott, Jr., of Omaha, called on Mr. and Mrs. Dan Kelly Sunday afternoon. Mrs. Fitzgerald is a sister of Mrs. Kelly.

The pinochle party which was to have been given last Friday evening, February 14, by the Rebekah Kensington at the I. O. O. F. hall, has been postponed indefinitely on account of the bad roads and weather.

The Womans Home Missionary society meeting which was to have been held on Thursday afternoon, February 20, has been postponed until the regular meeting time next month on account of bad roads and the weather.

Monday morning the Re-employment Service bureau called seven men from Greenwood to go to work at the National Guard camp at Ashland. This leaves but two registered P. W. A. workers in this vicinity out of a job.

Miss Violet Johnson, one of the grade school teachers, has been the only regular teacher who remained in Murdock during the time the schools have been closed. She has been staying at the home of Mr. and Mrs. O. H. Miller.

Mrs. E. A. Landon visited Mr. and Mrs. William Bailey at Ashland on Tuesday afternoon. Mr. Bailey was scheduled to go to the Clarkson hospital in Omaha the next day for treatment and possibly will have to undergo an operation a little later. Mrs. Bailey accompanied him to Omaha.

George Bucknell received a letter from W. S. Karns, who moved to Sheldon, Mo., several weeks ago. He states they are nicely settled on a 20 acre tract there. He also says they have had no snow, but when the wind gets in the north, as it has frequently during the past few weeks, it gets pretty cold.

M. E. Church Notes
Sunday school at 10 a. m. Morning worship at 11. Epworth League at 7 p. m.

The regular Guild meeting which was to have been held Tuesday afternoon, February 25, has been postponed for two weeks.

Leg Injured in Fall
Fred Etheredge had the misfortune to slip on the icy pavement while about his duties carrying the mail one day last week. As a result one of his hips was injured quite badly, confining him to his home. He

is reported as getting along as well as can be expected.

Raymon Newkirk has been carrying the mail for him.

Enjoyed Band Concert
Sunday afternoon, February 16, Miss Frieda Woltzel, Superintendent and Mrs. H. E. Warren, Rev. and Mrs. Frederick Anderson and Miss Greta Woltzel accompanied a number of the members of the High School orchestra to Lincoln, where they attended the mid-winter concert given by the University of Nebraska band at the University coliseum.

Those attending were Gerald Hamilton, Warren Bucknell, Tifford M. Stradley, Lois Cope, Marjorie Kolb, Evelyn and Ruth Trunkenbuhl, Beulah Clouse, Helen Maher, Maxine Armstrong, Madeline Smith, Esther Vinson, Elizabeth Martin and Mamie Holke.

Christian Church Notes
Sunday school at 10 a. m. Morning worship at 11. Christian Endeavor at 7 p. m.

The Dorcas society will meet this Friday afternoon at the church. Each one is asked to bring their own sandwiches.

Death of Mrs. Ryons
Mrs. Laura Ryons passed away at a Lincoln hospital last Sunday afternoon, following a lingering illness. She had made her home with her daughter, Mrs. Layman and family, here in Greenwood, during the past year. Funeral services were held Wednesday afternoon from a Lincoln funeral home, with Rev. Paul Calhoun officiating. Burial was in the Wyuka cemetery.

Shoveled Road for Ambulance
Mrs. Henry Kirk was taken to the Bryan Memorial hospital in Lincoln Tuesday morning, where she is receiving treatment for an attack of gall stones. The trip was made by ambulance after 25 or 30 men of the community had worked for several hours to cut a path through the deep snow drifts so the driver could get to the Kirk home. At latest reports she was a little improved.

Gribble New County Commander
Mr. and Mrs. Jack Gribble and Mr. and Mrs. John Downing went to Lincoln Thursday morning, where they attended the district conventions of the American Legion and the American Legion Auxiliary.

The attendance was rather small in the early afternoon, but grew to good proportions by evening. A six o'clock buffet dinner was served, followed by entertainment and a dance.

Nehawka was named as the 1937 convention town. In the election of county commanders, Mr. Gribble was named to that position for Cass county, succeeding E. O. Vroman, of Plattsmouth, who has held the office during the past year.

WILL DYNAMITE ICE
Blair, Neb.—Preparations have been made here to dynamite any ice blockades in the Missouri river when the ice goes out. Ample stocks of dynamite have been procured. It now is 15 inches thick in the channel and about two feet along the banks. The ice went out March 8 last year and March 6 the year before.

Cass County Farm Bureau Notes

Copy furnished from Office of County Agent Wainscott

Cream Soup Garnishes.

There is nothing like a good hot dish of soup to warm one up on these cold, stormy days. Homemakers may find that some of the following suggestions for garnishes not only add to the attractiveness but also add to the palatability of the soup:

Chopped nuts added to whipped cream. Serve spoonful on top of cream of tomato soup. Shredded sautéed almonds give an interesting touch to any cream soup.

Canned pimento diced or put thru a sieve and mixed with half as much butter or whipped cream makes a colorful garnish on soups as spinach, asparagus or pea soup.

Add popcorn to corn soup.

Ham may be run through the food chopper and sprinkled over the top of soup.

Try These Instead of Crackers.

If one is low on crackers or likes to add variation to meals, cracker substitutes offer a wide range of possibilities.

Left-over bread toasted slowly in the oven, or toasted quickly, then buttered and sprinkled with sugar may be more enticing than fresh bread.

The children will like bread sticks, whole wheat crisps or oatmeal wafers for their lunches.

Zwiebach—Cut left-over rolls or bread into slices 1/2 inch thick and toast slowly in the oven.

Crispies—Slice bread thin and cut each slice in two or three pieces. Chill, then place in oven and dry slowly until browned through. Covering the pieces with a weighted pan will prevent curling.

Croustons—Cut bread into 1/2 inch cubes and toast in a pan in the oven or on top of the stove, stirring frequently and carefully so as to not allow the pieces to crumble. Or brown them quickly in a hot, lightly greased frying pan.

Bread Sticks—Cut left-over slices of bread into strips 1/2 inch wide and toast.

Cinnamon Toast—Toast slices of bread; butter them; sprinkle lightly with brown or white sugar and cinnamon and return to the toaster or oven for a moment.

Sugar Toast—Toast slices of bread; and sprinkle lightly with brown sugar. Moisten with a few drops of evaporated milk.

WHEAT CRACKER

3 c. graham flour
2 tsp. baking powder
1/2 tsp. salt
4 T. fat
1 c. molasses
1/4 tsp. soda

Mix dry ingredients and work in the fat. Add milk. Add soda to molasses and pour into dry mixture. Knead with hands. Roll thin. Sprinkle with salt. Prick surface with tines of a fork. Cut in squares and bake. Cool rapidly.

Compliance Work Resumed.

A message from the AAA Section in Washington relayed through W. H. Brokaw, State Director of Extension, requesting work to start immediately on finishing the 1935 corn-hog and wheat contracts, was received at the Farm Bureau office last week. This means that farmers who have complied with their 1935 contracts will soon be in the line for final benefit payments, since congress passed an appropriation bill to complete the payments.

Making Seed Corn Tests.

The Farm Bureau office is now equipped to make seed corn tests for farmers of the county. Several samples have been mailed in the last two weeks.

Germination is running from 32 per cent to 99 per cent on the samples that have been tested.

There are so many inquiring about seed corn that any one having a surplus of seed should send in a sample to be tested. This will enable the office to refer buyers to good seed and also protect the grower in knowing that his seed will or will not germinate. Three kernels taken from each of 100 ears at random through the crib will give a fair idea of how the crib is running.

Will Hold Blacksmith School.

Arrangements have been made with Professor Brackett, head of the Agricultural Engineering Department of the College of Agriculture, Lincoln, to have Cass county farmers attend a blacksmith and shop school at the college on Friday, February 28th.

The school will be conducted by Mr. Runnalls, instructor in forge work.

Prof. Brackett says he would like to have a group of 40 to 50 attend the school which will begin at 9 a. m. and run until 4 p. m.

Those that attend should bring such materials as old plow beams for wedges, auto axles, drive shafts and steering shafts for wrecking bars, punches, etc.; old rake teeth and bundle carrier teeth for hay hooks and punches; thrashing machine cylinder teeth for cold chisels. The more experienced men will want to take plow lathes and cultivator shovels.

Training Meetings Postponed.

Owing to the severe cold and blocked roads, the February series of leaders' training meetings had to be postponed.

Providing there is a break in the weather the new schedule to be followed will be:

Louisville—Tuesday, Feb. 25.
Elmwood—Wednesday, Feb. 26.
Nehawka—Thursday, Feb. 27.
Plattsmouth—Tuesday, March 3.
Weeping Water, Wednesday, March 4.
Eagle—Thursday, March 5.
Murdock—Tuesday, March 10.

Four-H Baby Beef Clubs.

Improved feeding conditions coupled with the exceptionally favorable financial reports of baby beef members in 1935 indicate that there will be more boys and girls feeding calves in 1936 than ever before in Nebraska.

A total of 58 calves are now on feed in Cass county. This compares with 51 for 1935.

Requirements as to age of 4-H baby calves and length of feed for animals shown at the Nebraska State Fair and Ak-Sar-Ben have been greatly relaxed which should add some enthusiasm to both shows. The high quality of both shows, however, will be maintained as sifting committees will remove all unfinished, wasty, excessively large or coarse cattle from the entries before the show is judged.

Walter Tolman, animal husbandman at the Nebraska college of agriculture and assistant state 4-H leader, recommends that club members select high quality calves which will be 12 to 18 months of age at the time of showing and start them on feed 7 to 11 months before showing in order to produce beeves which will meet the show requirements. Younger calves, especially steers, need the longer feed periods. Heifers and older steers can be fattened in a shorter time. Boys expecting to belong to 4-H Baby Beef clubs in 1936 must have their calves purchased by April 1, 1936.

RAILROAD RAISES WAGES

Mexico City.—The Southern Pacific railway of Mexico agreed to raise salaries of its lower paid employes in an agreement by which a strike on the railway was averted a few hours before it was scheduled to start. The company decided to raise minimum salaries to the equivalent of 52 cents in United States currency daily, and to make a corresponding increase in salaries in the lower categories.

Wages of less than the equivalent of \$55 monthly will be raised by 16.16 percent, to guarantee payment of full wages for a day off weekly, as provided by a reform of the labor law passed this week by congress.

DYNAMITE IN YOUR KITCHEN

Your kitchen contains everyday materials potentially as dangerous as dynamite!

This was demonstrated recently in an apartment house, when a tenant decided to bake a cake. In gathering together the ingredients, she discovered that the flour, which she had poured out into a dish, contained bugs. She stepped over to the incinerator, the shaft of which ran up past all of the apartments, opened the door and emptied the dish.

As she closed the door, a volcano seemed to erupt. A terrific explosion shook the place and a sheet of flame swept from the shaft into the kitchen, disfiguring the girl for life. The doors of the incinerator shaft were torn off in all apartments and great damage was done on each floor. Several persons were sent to the hospital. And yet, only a small quantity of flour was emptied into that incinerator—perhaps a pound and a quarter!

What happened to cause this great and unexpected explosion? The National Board of Fire Underwriters offers this explanation:

As a powdery substance was thrown into the incinerator, it separated and many minute particles floated in the air, causing a dust cloud that exploded as soon as it came in contact with the fire at the bottom of the incinerator shaft.

Corn starch acts similarly under certain conditions. Accumulations of dust, such as are removed from vacuum cleaners or carpet sweepers, unless compressed into a matted mass, are also hazardous. A shovelful of dry coal dust, if thrown loosely over a fire, could cause a devastating explosion and will, in any event, cause a dangerous flash-back.

The way to avoid dust explosions is to keep the material in a compact mass. When disposing of dust, it should be put in a bag or wrapped up securely. Then there will be no possibility of its separating and forming a dust cloud.

As the majority of the thousands of deaths annually caused by fire occur in homes, this recommendation should be placed high on your "Safety First" list.

ARRESTS CUT MOTOR TOLL

Chicago. — Prompt arrests and convictions of all traffic violators afford the quickest method of reducing the nation's appalling annual death list from motor accidents, a survey by Northwestern university indicated.

Based on reports of law enforcement and motor fatalities over a two year period from 33 leading cities, the survey found a direct relationship existed between the number of arrests and convictions for speeding, reckless driving, the passing of red lights, and other highway violations and the motor vehicle mortality rate.

Ranking the communities on the basis of an index covering the ratio between the number of convictions and the number of personal injury accidents, the survey found that the group which boasted the biggest increases in enforcement had showed a decrease of 10 percent in deaths.

At the top of this list Detroit was placed with an increase of 81 percent in law enforcement and a decrease of 14 percent in the auto death rate.

The National Congress of Parents and Teachers enrolled its 1,750,000 members in the safety campaign. Expansion of school boy patrol units and efforts to improve school bus facilities were the cardinal points in the program.

SALE FEBRUARY 27

The farm sale of John (Jack) West, which was to have been held on February 14th will be held at the V. W. Straub farm located 3 miles east and 2 miles north of Otoe; 3 miles east and 3 1/2 miles south of Avoca; 6 miles north and 1 1/2 miles east of Dunbar (5 miles south of O street road, will be held on THURSDAY, FEB. 27th, at 10:30 a. m.

Owing to the change in date for the auction Rex Young will be unable to conduct the sale and Auctioneers Frank Greenrod and Frank Sorrell, will have charge of the auctioneering.

NOTICE OF ADMINISTRATION

In the County Court of Cass county, Nebraska.
To all persons interested in the estate of Mildred N. Morgan, deceased. No. 3178:
Take notice that a petition has been filed praying for administration of said estate and appointment of Fred G. Morgan as Administrator; that said petition has been set for hearing before said Court on the 7th day of March, 1936, at 10 o'clock a. m.

Dated February 7, 1936.
A. H. DUXBURY,
County Judge.

NOTICE OF PROBATE

In the County Court of Cass county, Nebraska.
To all persons interested in the estate of Sadie E. Mowrey, deceased. No. 3179:
Take notice that a petition has been filed for the probate of an instrument purporting to be the last will and testament of said deceased, and for the appointment of Cedric D. Palmer as Executor thereof; that said petition has been set for hearing before said Court on the 26th day of March, 1936, at 10:00 a. m.

Dated February 20th, 1936.
A. H. DUXBURY,
County Judge.

NOTICE TO BIDDERS

Sealed proposals will be received until 2:30 o'clock p. m. at the School building, the 12th day of March, 1936 by the Board of Education of Greenwood, Nebraska, Mr. E. H. Armstrong, Secretary, for an addition to the school building according to plans and specifications prepared by Meginnis and Schaumburg, Architects of Lincoln, Nebraska.

Separate proposals will be received on general work and plumbing and heating.

Plans and specifications may be obtained from the Architects on a deposit of \$15.00 which will be returned to the bidder if a proposal is submitted and plans are returned to the Architects within one (1) week after date of taking bids.

The work is to be performed in accordance with the requirements of the Emergency Relief Appropriation Act of 1935 and under the regulations of the Federal Emergency Administration of Public Works.

No bidder may withdraw his bid for a period of thirty days after the date set for the opening thereof.

The Contractor will be required to furnish a performance bond in an amount equal to 100 percent of the contract price, except that no bond is required for contracts for material only. A certified check for an amount equal to 5% of the bid must accompany each proposal otherwise proposal will not be considered. In case the bidder selected by the Board refuses to enter into a contract for the performance of the work, such check shall be forfeited to the Board of Education of Greenwood, Nebraska, as liquidated damages.

The Board of Education reserves the right to reject any and all bids or to waive irregularities where it appears in their interest to do so.

E. H. ARMSTRONG,
Director, School District No. 36.

NOTICE OF HEARING ON PETITION FOR DETERMINATION OF HEIRSHIP

In the County Court of Cass County, Nebraska.
Estate of Lewis Wessel, deceased. Estate No. 3178.
The State of Nebraska: To all persons interested in said estate, creditors and heirs take notice that the Department of Banking of the State of Nebraska as Receiver and Liquidating Agent of the Bank of Union, Union, Cass County, Nebraska, has filed its petition alleging that Lewis Wessel died intestate in New York City, New York, on or about May 30, 1906, being a resident and inhabitant of New York City, New York, and died seized of the following described real estate, to-wit:

All that part of the west half (W 1/2) of the southeast quarter (SE 1/4) of Section fourteen (14), Township ten (10), north, Range thirteen (13) east of the 6th p. m. in Cass County, Nebraska, lying east of the east line of the Missouri Pacific Railway Company right of way, containing 74.23 acres, more or less, and that part of the east half (E 1/2) of the southwest quarter (SW 1/4) of said section lying east of the east line of the Missouri Pacific Railway Company right of way, containing 9.41 acres more or less, according to survey made by Fred Patterson, County Surveyor of Cass County, Nebraska, November 16, 17, 18 and 19th, 1910;

together with his sole and only heirs at law the following named persons, to-wit:

Sarah Wessel, widow, and Julius Wessel, Alexander Wessel also known as Alex Wessel, Josephine Schwarz, Edgar Wessel, Harry N. Wessel, Walter A. Wessel, Milton R. Wessel and Edna Wessel, children.

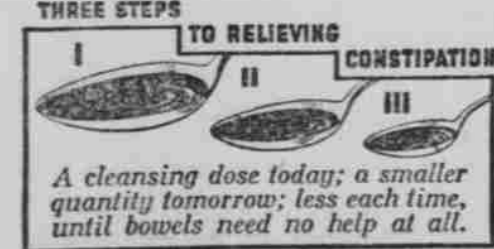

That the interest of the petitioner in the above described real estate is a subsequent purchaser by mesne conveyances from the heirs of said deceased and praying for a determination of the time of the death of said Lewis Wessel and of his heirs, the degree of kinship and the right of descent of the real property belonging to the said deceased, in the State of Nebraska.

It is ordered that the same stand for hearing on the 20th day of March, 1936, before the County Court of Cass County in the court house at Plattsmouth, Nebraska, at the hour of 10 o'clock a. m.

Dated at Plattsmouth, Nebraska, this 19th day of February, A. D. 1936.
A. H. DUXBURY,
County Judge.

NO UPSETS

The proper treatment for a bilious child

ANY mother knows the reason when her child stops playing, eats little, is hard to manage, Constipation. But what a pity so few know the sensible way to set things right!

The ordinary laxatives, of even ordinary strength, destroy all hopes of restoring regularity.

A liquid laxative is the answer, mothers. The answer to all your worries over constipation. A liquid can be measured. The dose can be exactly suited to any age or need. Just reduce the dose each time, until the bowels are moving of their own accord and need no help.

This treatment will succeed with any child and with any adult.

Doctors use a liquid laxative. Hospitals use the liquid form. If it is best for their use, it is best for home use. The liquid laxative they generally use is Dr. Caldwell's Syrup Pepsin. Any druggist has it.
