THE BIG GAME OF THE SEASON

Friday evening the Wahoo high school basketball team will appear on the local court to battle the "Platters." Wahoo has amassed a fancy record this year, having won 12 straight victories and having no defeats. That is just what is starting the Platters in the face, and they feel equal to the occasion of upsetting the unbeaten "Wahoos."

All the basketball fans who have been hibernating this winter, due to the cold weather, should be out in full force to help the "Platters" upset the dope.

Plattsmouth has a good record for the season, winning eight games and losing only one, that being to North, of Omaha.

The big guns in the Wahoo ranks this year are Kellgren and Bullock, forwards, Smersh, center who have carried the burden in the scoring and Olander and Olson, a fine pair of guards, who have checked the attacks of all their opponents to date.

Don't miss it, as it will be a red hot game.

Phone the news to No. 6.

WAHOO WINS OVER NORTH

Wahoo high school basketball team, who will oppose Plattsmouth at the high school gym here Friday evening, was the winner over North high school of Omaha on Tuesday by the score of 25-24. The game was close throughout with Wahoo being in the lead practically all the way.

This score may look bad for the Platters as earlier in the season North walloped the locals 44 to 9. However, comparative scores are sometimes misleading and the locals expect to end the Wahoo winning streak which now stands at 13 straight victories and no defeats.

Be on hand to see a good game Friday evening.

DEMOCRATIC CITY COMMITTEE

Chairman Adam Marshall of the democratic city committee, announces that a meeting of the committee will be held on Friday evening at 7 o'clock at the district court room in the court room in the court house. At 8 o'clock a mass meeting will be held and at which non-partisan candidates are invited to be present and speak if they wish.

THE ETERNAL TRIANGLE

From Tuesday's Daily:

The owner of one of the popular beer taverns near this city, had an unusual experience last evening and which for a time caused him some unpleasant feelings.

During the evening while the merrymakers were going and coming at the tavern, a couple arrived on the scene and were enjoying themselves when suddenly the door was flung open and entered the wife of the man, armed with a small sized cannon. The fear of the owner was that a slaying would take place but the story was ruined as the wife contented herself with shooting out the glass in hubby's car and then leaving the place while the other two beat a hasty retreat southward to the capitol city of the Otoes where they are reported to make their home.

The little one was taken to Omaha hospital for treatment. Mrs. Lyle Kruger went over to Avoca to render what aid possible in the time of stress.

MINNESOTA OFFICIALS SUED

Minneapolis. — The Strut-Wear Knitting company garnished bank accounts of Governor Olson, Mayor Thomas E. Latimer and Adjutant General Walsh shortly after it had brought a \$101,500 damage suit against them. The damage suit grew out of closing of the knitting company plant.

Basis of the complaint is that the three officials, by failure to provide adequate protection to plant employees who desire to work and closing it up between Dec. 27 and Jan. 28 with the national guard in charge deprived the firm of its property and liberty without due process of law.

The firm asked that \$69,000 be awarded it as damages for loss of the plant during the period the national guard held it.
