In Memoriam.

Andrew Blum, friend and brother: It is with a sad and glad heart I speak to you, "Sad" because I miss your kindly, friendly smile and greeting; because those pleasant hours we spent together, will be only a memory, not to be repeated again; the times we talked about our precious inheritance laid up for us by our Lord; talking about our common anticipation of the glory that shall be revealed to those that love the Lord—those were happy hours—we enjoyed them—they will not return—the end of them has come. You proved to be a true friend and brother and they are so rare, we understood each other. Who will fill your place in the church? Your seat will be empty. The home and family also will miss you, who had your counsel and guidance these many years. But why be "sad"! It is only a few short fleeting years and the scenes will change. With "gladness" I look forward to the happy day when the "trump shall sound" and the dead in Christ shall rise, and clothed with immortality you met your Savior, then those dear to you that went before. What a joy awaits them that die in the Lord! What a happy reunion that will be! I am sure glad that you have run the race, finished the course, kept the faith and you wear a victor's crown. It was a long race, 85 years, but now, rest is sweet, at Jesus feet, and you join in the glad triumphant song of him who washed you in his blood, and clothed you with a robe of righteousness. I am glad you are so home, and "When the roll is called up yonder, I'll be there." Await my coming! L. NEITZEL.

everywhere else. Thomas not only lost an opportunity for fellowship that day, but he lost an opportunity for faith. It was during the absence of Thomas that Jesus said: "As the Father hath sent me, even so send I you." Thomas did not hear that commission given. He missed the great Christian challenge, an experience never offered to him again. If Thomas had known that day was to have been a notable day, and the gathering of that group was to be written down as one of the most significant meetings in history, he would have been there. Will you be in some service Sunday? Enter without knocking; leave the same way.

The Man Who Knows

Whether the Remedy You are taking for Headaches, Neuralgia or Rheumatism Pains is SAFE is Your Doctor. Ask Him

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

BEFORE you take any preparation you don't know all about, for the relief of headaches; or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it—in comparison with Genuine Bayer Aspirin. We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice. Countless thousands of people who have taken Bayer Aspirin, have in and out without ill effect, have proved that the medical findings about its safety were correct. Remember this: Genuine Bayer Aspirin is rated among the fastest methods yet discovered for the relief of headaches and all common pains—and safe for the average person to take regularly. You can get real Bayer Aspirin at any drug store—simply by never asking for it by the name "aspirin" alone, but always saying BAYER ASPIRIN when you buy.
