ANTI-TUBERCULAR MOVIE HERE

On Wednesday, June 9th, afternoon and evening, at the Legion Community building, the Legion Auxiliary will present a free moving picture show, to which the people of the entire county are invited.

The show will include several reels of talking pictures devoted to the prevention and cure of tuberculosis, one of the dread diseases of our nation today and one that takes a heavy toll of life annually.

The National American Legion Auxiliary is backing the program, and these interesting and entertaining movies are being shown in towns and cities from Main to California, in the hope that educational methods will enable people to avoid contracting the dread disease or of recognizing it in its early stages. The talking drama woven into the story, while incidental to the main theme, is very touching.

At 2:30 in the afternoon, the pictures will be shown for the first time. Children are especially invited to this show, but adults will also be admitted.

Again at 8 o'clock in the evening the pictures will be shown before an adult audience. It is the desire of the local Auxiliary, sponsoring this free show, that the assembly room in the Legion building be packed to capacity at both these shows.

Too often there is little or no interest taken in the things we ought to know for our own protection and good. There is no cost attached and everyone will be more than repaid for their time and trouble in going to see these pictures.

SWEETHEART DRINKS By Betty Barclay

Tinkle of mandolins, a porch hammock and discreet shadows may satisfy the romantic longings of the young for the first part of the evening. But come 10 o'clock, even romance needs refreshments! Keep a supply of chocolate syrup in the refrigerator, a well-filled cookie jar, and leave the young people to forage for themselves. Any blushing maiden who serves any of these chocolate drinks is clearly destined to become the most popular hostess on the block.

Chocolate Float
1 cup chilled milk
2 tablespoons Chocolate Syrup
3 tablespoons chocolate ice cream
Add milk slowly to syrup, stirring constantly. Beat or shake well. Pour into tall glass. Add ice cream. Serves 1.

Chocolate Iceberg
1 cup chilled milk
2 tablespoons Chocolate Syrup
3 tablespoons vanilla ice cream
Add milk slowly, stirring constantly. Beat or shake well. Pour into tall glass. Add ice cream and serve at once. Serves 1.

Chocolate Syrup
(Base for chocolate drinks)
5 squares unsweetened chocolate
1 cup sugar
2-3 cup hot water
2 egg yolks, slightly beaten.
Melt chocolate over hot water; cool to lukewarm. Add sugar to water, stirring until sugar is dissolved; cool to lukewarm. Add syrup to egg yolks, about one-fourth at a time, beating well after each addition; add chocolate in the same way. Then continue beating mixture 1 minute, or until slightly thickened. Turn into jar, cover tightly, and place in refrigerator. Syrup can be kept for several days. Use 2 tablespoons chocolate syrup for 1 cup milk. Makes 2 cups syrup.

This syrup can be made with scalded milk rather than hot water, if desired. For a less rich syrup, use 4 squares chocolate.

Plattsmouth offers a splendid market for farm produce. Local dealers always pay top prices.

Truck Strike is Felt by Local Business Firms

Shipments Out of Omaha Are Held Up as the Truckers Remain Out on Strike.

From Saturday's Daily—Traffic on highway No. 75 was strangely free of the large heavy trucks of the transfer companies today as the truckers strike in Omaha and other large shipping points held up movement of freight.

A number of the business houses which are accustomed to receive daily shipments from Omaha wholesale houses, were informed that there would be no trucks sent out today and no shipments made while the strike condition existed.

It is not known how long the strike situation may exist until the truckers' union representative and the companies reach some agreement as to the closed shop conditions.

The truckers walked out last night and are at noon still on the walkout and no freight being handled.

The first intimation of the strike here was when the usual early morning truck business was not passing through the city and later calls from local business houses to the Omaha wholesalers disclosed that shipping was at a standstill out of Omaha as far as trucks were concerned.

Many shipments that were not perishable were transferred to railroad freight terminals to be shipped out or business concerns sent their private delivery trucks to secure needed supplies.

Alumni Banquet
The twenty-first annual banquet of the Greenwood High school Alumni association was held at the Christian church Saturday evening, May 29. The banquet was carried out with the theme, "Circus."

Lee Knolle, musical supervisor in the Plattsmouth schools, acted as toastmaster. The class of 1937 was presented. After the welcome by Jim Armstrong and response by W. L. Caguen, toasts were given by Mrs.

Chester Todd, Vernon Greer, Mrs. Verne Shepler, of Springfield, and Miss Mary Jeffery, of Lincoln. Mr. A. P. Coleman, of Walthill, and Prof. H. E. Warren, sponsor of the class of 1937, also responded.

At the business meeting which followed the banquet, a motion was carried to elect a new vice president, secretary and treasurer each year. Heretofore it has been the custom to elect a treasurer from among the incoming class and then have that officer advance each year until he or she becomes president. From now on the vice president will move up to president each year.

Officers for the coming year are: Mrs. Lee Knolle, president; Ramon Newkirk, vice president; Louis Clancy, secretary, and Maxine Armstrong, treasurer.

Another motion was carried that all members who attend annual banquets will pay dues of 25 cents a year.

The program incidental to the speaking included a piano solo by Elizabeth Martin, a vocal solo by Mrs. Austin Finley, a reading by Mrs. Charles Dyer and a vocal solo by Lee Knolle.
