BOWMAN'S WINNERS

From Tuesday's Daily—

The Bowman barbershop won three straight games from the K. C. team last night. Bowmans had a 1 pin per game given to them which is the smallest handicap so far. As the K. C. team has two or three members that haven't bowled very much yet, they are beginning to show improvement in their scores and will be right up the ladder in a short while. Dr. Ryan and Dr. Pucelik have made a big showing in their averages in the past two weeks. There will be a very entertaining game tonight as both teams are about the same in averages, the Chevrolets and Wimpys. The individual scores: Bowman's—Porter, 433; Seitz, 425; Rex Bourne, 412; Nelson, 384; Bowman, 425. Total, 2045. K. of C.—L. Svoboda, 387; Dr. W. V. Ryan, 441; Theo Ptak, 351; James Holy, 339; Dr. L. S. Pucelik, 454. Total, 1972.

HAVE AUTO BADLY DAMAGED

Saturday night as Mr. and Mrs. J. E. Wiles and a party of relatives and friends were returning from Omaha, they had their car very badly damaged when sideswiped by a truck near Fort Crook, in a hit and run accident.

Mr. Wiles was driving and were well on their side of the roadway when the truck apparently swung over past the center and struck the Wiles car just back of the front seat, tearing fenders and running board and also breaking the post in the center of the car. Glass from the left

rear window was showered over the occupants but fortunately none were seriously injured.

Mrs. J. E. Wiles, riding in the back seat with Mrs. L. L. Wiles and Miss Elizabeth Spangler, suffered several small cuts on the face. Her glasses were chipped by pieces of the flying car glass also.

Mr. Wiles and daughter, Elizabeth Ann, and Norma Bryant, riding in the front seat, were not injured.

The car was brought on into the city by the Bryant garage and will require a great deal of work to place back in proper shape for travel.

No identification was made of the truck.
