

Weeping Water

W. H. Bornemeler of near Alvo was a visitor in Weeping Water on last Saturday looking over the section the fire had burned.

Guy Buchanan and family of near Nehawka were visiting with friends here last Sunday as well as looking over the scene of the fire.

G. R. Binger who had his car so seriously damaged when the city flag pole was blown over, took the car to Lincoln where rebuilders are making it new again. Some time ago the

car was badly damaged, he had it restored there and was well satisfied.

Mr. and Mrs. Carl Christensen of Louisville were in Weeping Water last Sunday, coming to visit with Mr. and Mrs. Elmer Michelson and to see the devastation caused by the fire.

Mrs. Thomas Murtey who is the hustling reporter on the Weeping Water Republican was in Lincoln Monday where she had some business matters to look after. Ida Cappen drove Mrs. Murtey over to the big city.

Ira Parker, father of Eli, who has been visiting in Plattsmouth at the home of Mr. and Mrs. J. J. Smock and at Murray at the home of his son, Noah Parker, returned to Weeping Water on last Sunday after having enjoyed a very pleasant visit.

R. B. Hermal and wife who have been visiting in Peoria and other parts of Illinois and spending some time in Chicago where they were guests of the parents of Mrs. Hermal, R. G. Bally and wife, returned home last Tuesday after a very fine visit. R. B. will go to Lincoln to take up the work which he has been so successfully doing in the offices of the bureau of Roads and Irrigation.

Clara Johnson who was one of the severest losers in the fire was at the time of the breaking out of the fire at Louisville while Doris, a sister, was at the cafe. She was one whom Miss Bates notified and she also told all in the cafe that the basement of the second building was on fire. Night Watchman Theo Davis went out and did energetic work in assisting in the fighting of the fire by the fire department which was arriving from the former notification.

feet from the building and buried in the ground where the Handy Service station has been delivering kerosene for the past two years, and that Mr. Gibson has never carried fireworks of any kind. The reports are erroneous and have a tendency to give the impression that Mr. Gibson was careless in the conduct of his business, which is greatly untrue.

Getting Located Again.

Archie Crozier was a sufferer from the fire for he had his work shop and insurance office in the second story of one of the buildings burned and on Tuesday of this week he had workmen papering and finishing the room above the C. H. Findley store where he will be located in a short time.

Friendly Ladies Meet.

The Friendly Ladies were meeting last Wednesday with their fellow member, Miss Agnes Rough, where they were entertained. They enjoyed the evening splendidly and pronounce their hostess a most perfect entertainer.

Secure Temporary Quarters.

Elmer Michelson who with the wife were proprietors of the Weeping Water Variety store, one of the largest losers in the fire, secured temporary quarters for the store which is in the room in the Davis estate block formerly occupied by the Schewers Implement Co., and will be located there as soon as the place can be placed in condition for his use and he can get a new stock of goods. However they are desirous of larger quarters and he can use a two front store which is being considered, as the people of Weeping Water will not be satisfied until the burned area shall have been rebuilt better than before the fire.

Carried No. Fireworks.

The reports became current that the basement of the store of C. H. Gibson contained fireworks and that he kept his kerosene oil in the basement also. We investigated this matter and found that the tank for the kerosene was located a number of

smoke issuing from the basement of the C. H. Gibson store which is next to the room where she operated her cafe. She then called back to Miss Shirley telling her of the issuing of smoke. In the beginning Miss Bates sounded the fire siren which was connected to the telephone exchange and gave the alarm over the city lines, staying at her post until the fire got so hot she had to get out. It was but a short time until an improvised office for the transmission of out of town messages was set up. Miss Bates proved herself a real heroine. It was but a short time on account of her work that the city seemed filled with people eager to do what they could to check the flames and get the fire out.

Give Friend a Shower.

Miss Shirley Bates and Barbara Smith were hostesses last Monday at the home of Miss Barbara when they entertained in honor of Miss Anna Johnson who recently was united in marriage with J. W. Money, who are to make their home in Weeping Water. A large number of friends of the recent bride were gathered and a very merry evening was had with many fine presents given as tokens of the high esteem in which this young lady is held by her host of friends.

Came Near Real Accident.

Yes, the tubular flagpole which has stood near the corner of the Methodist church in Weeping Water for many a year and carried Old Glory to the breezes, whatever the weather, may have been and it was thought that it would stand there for an indefinite time and carry the nation's colors, but when the strong wind of Monday came it gave way. Last Monday when the wind blew in the large plate glass which was cracked by the fire, at the Agnes Rough millinery store, Miss Rough called G. R. Binger to board up the window, which he had done, and as he went down to the store from the lumber yard to see that the work had been completed satisfactorily, he left his automobile near the corner of the church and was returning to the car with some tools and a board which had not been used, and was reaching to the car door with the intention of opening the door when he heard a peculiar noise and looking up saw the 70-foot pipe topple and come crashing down. With a quick movement he stepped backward just in time to get out of the way of the descending pole which crashed on the automobile. Had he not stepped back so quickly he would have been struck by the flag staff which crushed the steel top of the auto. Gardie says he surely had a guardian spirit looking after his welfare.

BEATRICE LILLIE REVISES OPINION OF HOLLYWOOD

NEW YORK (UP)—Lady Peel of London, the Beatrice Lillie of the American stage, feels she has about conquered her longest-enduring pet aversion—Hollywood. More than a decade ago she made her first motion picture. Several years later she appeared in her second, and then refused further camera work. During the past few months and, she reports, against her own better judgement, she made a third feature to settle finally the remaining doubt in her mind about screen work.

"I have about made up my mind that I like Hollywood," said Miss Lillie, who returned here recently from the West Coast. She based this opinion largely upon rushes of "Dr. Rhythm," in which she appears with Bing Crosby. She quickly qualified this, however, by stating that she would arrive at no decision until she sees the edited production.

Miss Lillie, according to film industry executives, is the only actress of the legitimate stage who has ever "dabbled with Hollywood and taken such a long time to make up her mind."

Lady Peel laughingly rejoins: "I still find they treat adults like children out there, but I also have discovered that many things have improved in many ways."

ICE DESTROYS BRIDGE

NIAGARA FALLS, N. Y., Jan. 26 (UP)—The Falls View bridge, spanning the Niagara river 1900 feet below the mighty cataract began breaking up today under the pressure of the worst ice jam in history. The ice jam carried the structure slowly down stream. The bridge had been closed to traffic earlier when it began to buckle in the center.

As the jam grew larger the steel arches of the bridge began to give way. The ice pack reached a height of approximately 70 feet.

Visited Here From West.

Albert Snell and family of Riverdale in the western part of the state and Lawrence Colbert and wife of Hastings were visiting for over the week end at the home of Mr. and Mrs. Henry Snell, and at the same time came to see the destruction caused by the fire of last Saturday.

Telephone Operator Very Alert.

At the time of the starting of the fire which last Saturday caused such widespread damage and at the same time caused great fears of loss of life, Shirley Bates who is extra operator, smelled smoke and called Mayme Hillman asking if there was any fire at her cafe, as the telephone operating rooms were in the upper portion of the block which was burned. Miss Hillman looked and indicated by Miss Shirley Bates found

File New Charge Against Lt. Gov. W. H. Jurgenson

County Attorney Max Towle at Lincoln Files Second Complaint on Embezzling.

LINCOLN, Jan. 26 (UP)—County Attorney Max Towle today filed a second complaint against Lieutenant Governor Walter H. Jurgenson accusing him of embezzling money and savings-loan stock from three persons.

Jurgenson will go on trial February 21 in Lancaster county district court on a charge of defrauding Chester Kaderli, Union Pacific station agent at Potter of approximately \$900 worth of savings and loan stock. He was made a co-defendant in that action with Jules H. Johnson.

The lieutenant governor pleaded not guilty and waived preliminary hearing in municipal court after some testimony had been presented to John L. Polk, then municipal judge.

The new complaint also was filed in municipal court where Jurgenson will be given a preliminary hearing if he requests one. Towle also filed additional charges against Johnson now serving a term at the state penitentiary and Willard A. Leabman of Lincoln.

He alleged that Jurgenson embezzled \$1,000 in cash from Frederick Sizmum of Lincoln, \$200 in United Savings and Loan stock from Ellen M. Peterson of Chalco and \$2,000 in certificates of the United Savings and Loan company from Minnie Landkamer of Lincoln.

Johnson and Leabman were accused of embezzling and larceny as bailees in connection with a transaction they allegedly made with Minnie Wanke of Lincoln.

STOCKS TAKE TUMBLE

NEW YORK, Jan. 26 (UP)—More than a billion dollars in paper values evaporated from the stock market today in the most severe decline since November 22, 1937.

The Dow Jones combined average of 70 stocks sank to a new low for the year of 49.18, off 1.73 at noon. At that time the railroad average was down .11 at 28.83, a new low since 1935 and utility was 19.77, off .69, a new low for the year. The industrial average sank 5.64 to 122.69 and was only about 2 points above the low for the year.

Transactions up to noon amounted to 1070 shares or just about the amount of all transactions done in the Monday and Tuesday sessions combined.

General Motors said a \$2 a share loss showed a depreciation on the basis of all listed shares of \$87,000,000. Steel with a \$3.37 1/2 loss shrank \$29,272,625 and Standard shrank \$59,006,250.

Losses of \$6.00 a share or more were made by Allied Chemical, J. I. Case and several inactive issues.
