

Murray

M. G. Churchill was papering at the home of W. O. Troop during the early portion of the week.

The play "April's Fool" will be presented again March 18 at the Lewiston Community Center. Everyone is welcome.

Mr. and Mrs. Noah Parker were in Plattsouth last Sunday visiting at the home of Mr. and Mrs. J. J. Smock, the ladies being sisters.

Mrs. Louis Schumacher was moved to the country near Weeping Water where she is making her home with her daughter, Mrs. Ruth Wade.

A farewell party was given last evening for Mr. and Mrs. Joe Campbell and daughter Josephine. They

are leaving our community to make their future home at Plattsouth.

Mrs. Robert Fitch and Margie of Plattsouth departed for Brewster early this week where they will visit for a time with another daughter of Mrs. Fitch, Mrs. John Turner for a few days.

John Sutton, making his home east of Murray, who has been kept to his home on account of an attack of rheumatism, was able to be in town for a short time but had to have his trusty cane along notwithstanding his material improvement.

Joseph Campbell who has been farming south of Rock Bluffs, has concluded to cease farming and has moved to town, locating in Plattsouth. Mr. Campbell has not been enjoying the best of health, and has decided to move in order that he may

rest and secure the return of his former health.

Clifford Cooper and wife were visiting Sunday at the home of Mr. and Mrs. Louis Wade of Weeping Water. Miss Junaito Little of Weeping Water was a guest over the week end at the home of Miss Maxine Cole of Plattsouth and also visiting friends in Murray for a short time as she returned home.

Mrs. Alice Creamer who has been spending several weeks at the home of her daughter, Mrs. Joseph Sans in Omaha and where she has enjoyed a very pleasant winter and a good visit with her daughter, returned to her home here during the past week. Since coming home she has had a slight attack of the flu but is now nicely recovering from the effects.

Leonard J. Austin was looking after some business matters in Murray on Monday of this week and was accompanied by his son-in-law, Francis Kennedy who has been here from his home at Galesburg for a visit and is returning this week to Illinois where he expects to work for the summer. Mr. Austin will sell farming implements for the Murray Hardware Co.

Word was received last Monday that his condition was so grave there was little hope of his recovery.

Many Moving Just Now.
Last Saturday Roy Gerking who has been living on the farm of Mrs. G. H. Gilmore, having held a sale and rented a farm in Missouri just east of Falls City, Nebr., moved to the new home. Charles Meade who was farming a farm of Dr. G. H. Gilmore moved to this place and Con Watkins who has been farming east of Union moved to the farm here and will farm that place. The place where Mr. Watkins farmed is to be farmed by Fred Baker.

Feeling Better Now.
Harry Noel who was at an Omaha hospital for a time and where he underwent an operation for hernia was able to return home late last week and has been gaining with each succeeding day. He was able to be taken to the barber shop last Monday for a shave and also was at the cafe and while not as strong as he would like to be is making good gains, which is good news to his many friends.

Dynamic Cap Explodes
While James Tilson was working in his blacksmith shop at the Murray corner, he received a good scare from an explosion that hurled coal from the forge. It seems he had gathered some coal from the floor of the shop, in which there was a dynamite cap that had fallen from a timber above, where it had lain for some time, among those used in blowing stumps on the farm. When the explosion occurred, Mr. Tilson was out of the shop in a flash, but on returning found no great damage had been done. He says he will inspect the coal he puts in the forge.

Safe at Los Angeles
Mr. and Mrs. M. B. Allen have received word from their son, Donald, who lives at Los Angeles, assuring them of his safety from the high waters and floods. Don resided in a section of the city where the high water was in evidence but fortunately his home was not damaged although the locality suffered much from the high water. The flood however kept Don marooned in his home for some time.

Brighten Up the Home

HOUSE PAINTS - BARN PAINTS - WALL PAPERS
ALSO NEWEST DESIGNS IN WALLPAPER

Bright and pleasing colors for the interior or exterior of your home. Why not make it cheerful—taking away the grime and dirt winter has brought and replacing with neat Paper or Paint. Revitalize the woodwork and floors and see what a difference it makes. Protect and beautify the outside of the home and farm buildings with paint—the best insurance against rot, rust and decay you can get. We carry the complete line of Cook's Paints, Stains and Varnishes.

Enjoyed Visit at Nebraska City.
Mr. and Mrs. George Nickles were in Nebraska City last Sunday afternoon and evening, guests of friends for the evening and as well enjoyed dinner there, attending a show at the Overland theatre before returning to their home here.

Rev Neil Stuart Some Better.
The Rev. Neil Stuart, pastor of the Presbyterian church of Murray who has been in poor health for the past months is reported as being some better at this time. Rev. Stuart was quite ill and had to miss one Sunday with his ministry, and preached the following Sunday with much effort. The following two Sundays he was not able to officiate at the church. Last Sunday he wanted to preach but was not strong enough. But the early part of this week he was able to be out of doors for a short time and it is hoped he will be able to fill the pulpit the coming Sabbath.

His Father Very Poorly.
Mr. and Mrs. Gussie Brubacher received the news of the very poor health of the father of Mr. Brubacher, Edward Brubacher of Plattsouth last Sunday. The condition of the father was quite serious and Mr. and Mrs. Brubacher hastened to Plattsouth where they sought to do all possible for the relief of the father in his severe illness.

Jacob Parr Seriously Ill.
Jacob Parr of Sheridan, Indiana, a brother of the late Mrs. B. F. Brendel who has reached the advanced age of 82 years and who has visited here a number of times in the years that have gone by, has been in rather poor health. He was here when Dr. H. F. Brendel passed away and also when his sister, Mrs. B. F. Brendel died. He has been rather poorly of late and was so serious that it was feared he would not

Will Make Home in Plattsouth.
Wayne Lewis who recently returned from the west coast where he has been for some years, and has been visiting both in Plattsouth and Murray, has rented an acreage south of Plattsouth, the property of Carl Oeschlager where he has moved. This place is a very desirable place to live as it is out of the direct traffic and permits the engaging in the raising of poultry and has all kinds of fruit, making it an ideal suburban property.

Getting Store Room Ready.
The store room which is to be used by the enterprising firm of Tutt and Brubacher, east across the street from the Murray State bank is being changed to suit the needs of the firm and which is now one room, heretofore two rooms which will make it more convenient for the large business which the firm conducts. The shelving is being installed by Fred L. Hill and the interior painting and decorating is being looked after by John Frans. The place is expected to be in readiness by March 15th when the change of locations is expected to be made.

Saw the County.
As Van Allen had a short time off last Sunday from his work at Plattsouth he took his car and took the family for a ride over the county, visiting several towns over the county which the women folks had not had the opportunity of visiting before and which gave them a very pleasant ride over the county.

Play Cast Entertained
The members of the play cast of "April's Fool" enjoyed a delightful "dutch treat" at the home of Miss Velma Shrader. The evening was spent in pinocle, high scores being won by Mrs. Mike Kafenberg and Dale Hansen. At the proper hour luncheon was served. Those

Taken to Hospital
From Wednesday's Daily—Mrs. H. C. Boggess, wife of Coach Boggess of the high school, was taken to Red Oak, Iowa, last evening where she was placed in a hospital for an operation. She was accompanied by Mr. Boggess.

The operation was performed last evening at 8 o'clock as the case was an emergency one. Dr. Brown of Omaha, a specialist, performing the operation.

Returns to Studies
From Monday's Daily—Stephen M. Davis returned this morning to Booneville, Missouri, to resume his studies at Kemper Military school there after spending a spring vacation with his parents here.

Home for Sale
20x30 feet (at Murray), to be removed from lot. White pine material.—HERMAN ROTTER, Murray, m3-21 My p

Safe at Los Angeles
Mr. and Mrs. M. B. Allen have received word from their son, Donald, who lives at Los Angeles, assuring them of his safety from the high waters and floods. Don resided in a section of the city where the high water was in evidence but fortunately his home was not damaged although the locality suffered much from the high water. The flood however kept Don marooned in his home for some time.

OMAHA PARTIES MARRIED
Late Saturday afternoon Judge A. H. Duxbury was called upon to perform the wedding ceremony for Miss Marguerite C. Holland and Mr. Dwayne R. Dutcher.

The bridal couple was accompanied by Miss Mildred Hansen and Emmett A. Gardner, friends of the young people.

ORDERED TO NEW LOCATION
A. C. Kennedy, who has been located here during the Missouri river improvement program, has been ordered to Florence, where new work is opening up on the Florence Bend. Mr. Kennedy will be with the Kansas City Bridge company which has the contract on this piece of work. The many friends of Mr. Kennedy will regret to see him leave the city as he has been active in athletic circles and has a very large circle of friends here.

COOPER'S BEST Baby Chick Starter

Gets RESULTS LIKE THESE

Controlled Vitamin A, D, and E are three of the big reasons why Cooper's Best Baby Chick Starter always means healthier chicks, fewer losses, and faster, more profitable growth. Start your chicks with Cooper's Best this spring and you will soon be as enthusiastic as other Cooper's Best users, some of whom tell their experiences in the letters below.

NEVER HAD A NICER BUNCH OF CHICKS.
Dear Friends: I am going to give all poultry raisers my very best. I fed Cooper's Best Starter Pellets to my baby chicks this year. It was cold and damp when I had them hatched. Other people were losing their chicks on other feeds. But I fed Cooper's Best and lost but a very few and later fed Cooper's Scratch and the Growing Pellets. I never had a nicer bunch of chicks.

The green bags made ideal pillow covers for the cot and by sewing three of them together you can make an ideal cover for the cot. Mrs. Lloyd Lewis, Murray, Nebraska.

DEATH LOSSES HAVE BEEN LOW.
Dear Sirs: We have used Cooper's Best Starting Mash for quite a few years. Since we have been feeding your starting mash we are no longer bothered with White Diarrhea. Our death losses have been low and we have not been bothered with cannibalism. Our chicks grow faster and mature at an earlier age. Then we feed them Cooper's Layer Mash and get eggs in fall and winter when prices are high.

The green bags make nice table covers, bed spreads and overalls for little boys. Mr. E. Barish, Tecumseh, Nebr.

COOPER'S STARTER GIVES BEST RESULTS.
Gentlemen: Realizing that you are always very interested in hearing of the success of your feed, I want to tell you of the fine success I had with my chicks this past season. I purchased my chicks from a hatchery, and immediately started them on Cooper's Best Starting Mash. They immediately showed signs of thriftiness and started growing and developing rapidly. The first of September I switched them to growing mash. At the age of 3 1/2 months they were weighing 3 1/2 to 4 1/2 pounds. I may feed Cooper's Best Feeds and be sure of getting results. I will always be a booster for Cooper's Best Feeds. Mrs. Luella Reimers, Stella, Nebr.
