

HOLY ROSARY FORMS YOUNG MEN'S SOCIETY

From Thursday's Daily—
Last evening a large group of young men of the Holy Rosary Catholic church gathered at the club rooms of the church where a young men's Catholic Youth organization was formed. Some twenty-five of the young men of the parish were in attendance to help form a strong and sturdy league which will serve as a betterment for the social and business welfare of the church as well as the young people, and one that will serve as a unity among the group.

The meeting was presided under the careful supervision of the pastor, Rev. Father Joseph R. Sinkula assisted by the newly selected president, Henry Krefel. Father Sinkula was the chief speaker of the evening and explained the value and benefits of such an organization to the church and community. He also expressed his views on the various social functions and gatherings derived from the organization.

The officers selected for the ensuing year are: Henry Krefel, president; Ernest Zitka, secretary-treasurer; Father Sinkula was chosen as moderator for the group.

The business meeting was taken up with the discussion of various business and social functions that will precede the Lenten season. They decided to sponsor a benefit dance to be held in the near future for the purpose of enabling the club to raise funds to furnish numerous and various needs with which to carry on its social activities. The well-known Joseph Sinkula popular radio and dance orchestra was chosen to play for the event. One of the by-laws created by the club was that the members of the organization would receive holy communion in a body one Sunday of each month.

Various committees were appointed during the evening. The property committee is composed of George Schatka, chairman; Henry Krefel and Ernest Zitka. Father Sinkula was chosen chairman of the dance committee.

Following the business discussion, the meeting was concluded with the recitation of prayer led by Father Sinkula.

The next meeting is scheduled for Monday, April 4 when the members will meet at the church club rooms at 7:30. Reports from the various committees will be given.
