

Garden Club to Start Series of Meetings

A. L. Tidd to Be the First Speaker in Series of Talks on Gardening and its Care.

On Wednesday evening, March 23, at 7:30 p. m., the Plattsburgh Garden club will open a series of talks on the preservation and propagation of our natural beauty, with A. L. Tidd as speaker and authority.

Mr. Tidd's topic for the evening will be "Trimming, Transplanting, Insects Injurious to, and Naming of Shrubs in Our Locality."

This series of meetings will be held at the Recreation Center without charge.

The Plattsburgh Recreation Center is in receipt of a letter from its Lincoln headquarters stating that this is the first time that such a fine educational program has been sponsored in the state, and complimenting the Garden club for its efforts in promoting this fine program. All those in attendance will be well repaid, and our community at large will picture the results of this program for years to come by its beauty.

Mrs. P. T. Heineman will conduct the second meeting of the program on March 30. The topic for her speech for that evening will be "Shrubs and Trees Which Attract Birds, Feeding of Birds, Birdhouses and Naming of Birds in Our Locality."

Cass county has no bonded indebtedness, as, like the state, we have paid cash for our hard surfaced roads and other improvements as we went.

ENTERTAIN THE LADIES

The members of the Eight Mile Grove Willing Workers club were entertained by the men of the club on Friday evening at the home of Mr. and Mrs. Frank Salsburg. The event was in the nature of a pinocle party which provided an evening of the rarest pleasure for all of the party.

In the playing Mrs. Earl Iske was high for the ladies and Mrs. John B. Kaffenberger held low score. The men's high score was won by Frank Salsburg and the low by David Rutherford.

The evening was closed by the serving of an oyster supper by the men and with dessert of Jello and cake.
