Malaria

Is believed to be caused by poisonous miasms arising from low, marshy land, or from decaying vegetable matter, and which, breathed into the lungs, enter and poison the blood. If a healthy condition of the blood is maintained by taking Hood's Sarsaparilla, one is much less liable to malaria, and Hood's Sarsaparilla has cured many severe cases of this distressing affection even in the advanced stages when the terrible chills and fever prevailed. Try it.

And if you decide to take Hood's Sarsaparilla do not be induced to buy any substitute.

Hood's Sarsaparilla

Sold by all druggists. \$1; six for \$5. Prepared only by C. I. HOOD & CO., Apothecaries, Lowell, Mass.
