State Authorities Throw Out Carload of Refined Product.

Railroad Commission Plans to Look Thoroughly Into Cause of Dimculties Rereafter-More Complaints.

(From a Staff Correspondent.) LINCOLN, Oct. 12-(Special Telegram.)-A carload of oil sent to Beaver City by the Standard Oil company has been rejected by the state oil inspector. The first est made by Deputy Inspector William Wheeler showed the oil to register 100 derees, when the minimum was 112 degrees. Chief Deputy Inspector A. B. Allen made the trip to Beaver City to test the oil himself and he ordered it rejected. It is very rarely the oil tested in the state is not up

effort will be made to compel the roads to report all accidents to the commission. The next legislature will be asked to pass a law to this effect. The nission thinks in this way by arriving quickly on the scene the actual condition of the roadbed may be ascertained and the roads may be compelled to keep the rightof-way in good condition.

D. J. Jacoby Complains. A complaint filed by D. J. Jacoby of Aurora with the railroad commission indicates that the rate of speed in transporting five stock by the Burlington is not always record time. He says he shipped two cars of cattle from McAlpin, Neb., to South Omaha, a distance of 205 miles and that the trip took twenty-nine hours. He says the delay brought his stock to market for

New Spark Arrester Works Well. Thomas Roupe, superintendent of motive power of the Burlington, called on the State Railway commission this afternoon to discuss spark arresters. On about 65 per cent of their locomotives, Mr. Roupe said,

Do Your Meals Fit?

Do You Feel Snug and Comfortable Around Your Waist Line After a Hearty Meal.

Did your last meal taste deliciously good to you, and did you eat all you wanted? Could you have patted your rotundity in wise and felt proud of your appetite and of your good strong stomach? Do you feel resy new because your last meal gave you no inconvenience whatever? If not, you have dyspensia in some form, and probably never realized it.

If you have the least trouble in your stomach after eating, no matter how little or how much you eat, there is trouble brewing and you must correct it at once. Most all stomach troubles come from poor,

weak, scanty gastric juice, that precious liquid which ought to turn your food into rich, red blood. If you have nausen, your gastric juice is

weak. If you have sour rising of belching, your food is fermenting; your gastric juice is weak. If you have loss of appetite, your gustric juice in weak. If you have a bloaty feeling of aversien to food, your gastric juice in weak.

You need something in good to such to Stuart's Dyspepsia Table: do this very

Now think-one grain of one of the ingredients of these wonderful little tablets digests 3,000 grains of food. They are several times more powerful than the gastric juice in a good, strong, powerful stomach. They actually digest your food for you. Besides, they increase the flow of gastric juice. just what you need to get all the good possible out of everything you eat. You will never have that "lump of lead" in the stomach nor any other stomach trouble after taking Squart's Dyspepsia Tablets. Then everything you eat will be digested. it will give you strength, vim, energy and a rosy disposition You'll feel good all around your waist line after every meal and it will make you feel good all over.

Stuart's Dyspepsia Tablets will make you reel happy after eating a good, hearty meal. Take one or two after eating. You'll feel fine-then your meals will fit, no matter what or when you eat.

STANDARD'S OIL REJECTED the company had put on spark arresters, which makes it impossible for fires to riginate from sparks from the engines, Discussing the Mason City fires, Mr. Roupe said the engineer who told Commission Williams that his engine was equipped with the new spark arrester was undoubtedly mistaken if he said his engine caused ACCIDENTS TO BE INVESTIGATED a fire. The new agrester can be placed in an engine and the engineer not know anything about it, said Mr. Roupe. Commis stoner Williams informed the ratirond man that the people around Mason City were at suts with the foreman of the section gang because he had refused to burn the right-of-way. He also said the people up there informed him that many of their claims had been filed with the section foreman.
