FATAL ACCIDENT IN YARDS

Wrecker and Switch Engine Collide Near the Transfer.

ENGINEER STERNBERG KILLED

Escaping Steam Obscured the View of the Engineer on the Wrecker and He Runs Into Switch Engine.

In a collision Saturday morning in the Union Pacific transfer yards between the wrecker and switch engine, Lewis P. Sternberg, engineer of the switch engine, met instant death by being crushed between the cab and tender.

The switch engine was standing at a switch headed west when the wrecker, which was being backed slowly crashed into it.

The wrecker was backing down the track and was being backed down to the sidetrack, on which it is kept, when the accident occurred.

The wrecker was in charge of L. W. Otto, helper, who was on the north side of the engine and his view of the track was obscured by clouds of steam.

The wrecker sustained no damage and but little was done to the switch engine on which Sternberg was.

Coroner Treavor ordered the body of the dead man removed to Cutler's undertaking rooms, where he will probably hold an inquest Monday morning.

Sternberg was 28 years of age and had been in the employ of the Union Pacific here for eighteen months.

The district court jury in the personal damage suit of W. W. Nason, railway mail clerk, against the Rock Island Railway company brought in a sealed verdict yesterday afternoon, which was reported to be in favor of the plaintiff in the sum of \$1,234 for Nason, as Judge Macy, in his instructions, told the jury it should deduct from the amount it found the plaintiff entitled to the \$234 already paid him by the company.

The case of Anton Larson, charged with the murder of a mailman, and C. W. Tullis, indicted on the charge of breaking and entering a Great Western freight car, were continued yesterday until the next term of court.

Larson was employed as collector on the mail train between Des Moines and Rock Island railroad and Jack Macy left for his home in Harlan to spend Sunday.

Windup of W. C. T. U. The general officers of the Iowa Woman's Christian Temperance union met yesterday morning at the home of Mrs. J. C. Peterson.

Dr. J. C. Peterson, president, and Mrs. J. C. Peterson, secretary, presented a general letter to the local draughtsmen of the state and also the formulation of a plan of work which each union will be expected to follow during the year.

The work began yesterday morning will not be completed for two or three weeks.

With but few exceptions the 19 delegates to the convention left yesterday for their homes. The exception are those who are visiting friends in the city.

Mrs. A. C. Zehner of Dallas, Tex., who was in attendance at the convention, came direct to Council Bluffs from the Kansas convention, and from here will go to the Nebraska convention to be held in Lincoln this week.

Mrs. Zehner is one of the national organizers of the Woman's Christian Temperance union.

NATIONAL GUARD BRIGADE

Colonel J. Rush Lincoln to Be in Temporary Command.

AMES CELEBRATES BIRTHDAY

Invitations Are Sent Out, but Omit to State Day on Which the Exercise Are to Be Held.

(From a Staff Correspondent.) DES MOINES, Ia., Oct. 13.—(Special.)—Governor Cummins has been notified that in order to comply with the provisions of the Dick bill and receive some of the national appropriation, the Iowa National Guard must be organized into a brigade.

There are four regiments of the Iowa National Guard, and usually there are three regiments to the brigade.

Governor Cummins has decided to place Colonel Lincoln, the ranking general of the guard in command temporarily as brigadier general and later on an election will be ordered.

This order from the War department will necessitate a brigadier general in the Iowa National Guard, and will fill the ranks of staff officers, necessitating in all a half dozen or more additional officers in the guard.

The National Guard trophy shoot, concluded today, resulted in the team from the Fifty-third regiment making the highest score.

The team from the Second United States cavalry made next best, the Fifty-fourth came in third, the Fifty-fifth fourth and Fifty-sixth fifth.

The shoot has been in progress for four days on the title range of the Second cavalry at Fort Des Moines.

College to Celebrate Birthday. The Iowa Agricultural college is to celebrate its thirty-ninth birthday next week at the college grounds.

President Storm of the college sent out invitations to all the trustees and state officials announcing the celebration.

The invitations were received today, but they failed to state the day on which the celebration is to take place.

This will probably be corrected in subsequent letters. The program is to begin in the morning of some day or other in a clock with an address by Chairman Hungerford of the Board of Trustees.

At noon dinner will be served on the college campus in picnic fashion and in the afternoon there will be other amusements.

Shakeup in Regulars. There is a rumor at Fort Des Moines, which in every way is very reasonable, that the Second United States cavalry, now at Fort Meigs, is to be sent to Cuba to relieve the Eleventh cavalry and that the Eleventh will be sent to Fort Ethan Allen in the east to recuperate.

A guard detachment of the Eleventh is at Fort Ethan Allen now. The rumor is further that the Third cavalry in the Philippines is to be sent to Fort Des Moines.

The reasonable part is that the Eleventh is badly thinned out and needs recruiting.

The Third has served its time in the Philippines and should be relieved and the Second is fresh for some active service.

Judge Brennan Arbitrator. The coal operators of Iowa and the coal miners have agreed to submit to Judge Hugh Brennan of the district court of Polk county a question for arbitration that has never before been raised between the union and the operators.

This is whether a miner who has had his license as a shot-firer revoked by the state mine inspector has the right to return to work as an ordinary miner.

In the No. 10 mine of the Consolidated Coal company at Benton the license of J. L. Ramsey as shot-firer was revoked. The company refused to take him back as a miner and Ramsey appealed to the union and the union has taken it up with the operators and it is now agreed to leave it to Judge Brennan.

Democrats Encouraged. Over \$100,000 of the stock necessary for starting a new democratic daily in this city has been secured by Editor Rheinhardt of the Democrat-Chronicle, a weekly paper, and democrats are much elated at the outlook.

Rheinhardt holds an option on the Tribune, a daily paper established on the East Side by C. D. Hellen of Webster City some weeks ago. It is proposed to buy the majority interest in the paper and make it democratic.

Football Player Hurt. The first football accident of the year in Des Moines occurred yesterday afternoon, when Ralph Bonfield of the Capital Park High school team was injured in a game with the East High.

He is today at the Iowa Sanatorium with concussion of the brain.

Farmers Attend Lectures. ATLANTIC, Ia., Oct. 13.—(Special.)—That Cass county farmers are intellectual and progressive is proved this season by the people of Bear Grove township and the people of Ridge district, both of which communities are holding successful lecture courses this winter consisting of five lectures.

The first of these lectures was given by Dr. M. Miles' Anti-Pain Pills. It was in Farmington and I had a fearful headache; the gentlemen of the house said, 'Take one of my wife's Pain Pills' and I did, and in less than one-half hour I felt as well as ever. I asked the name of these and he said Dr. Miles' Anti-Pain Pills. I purchased a box, and told my family I had had a great prize something to cure headache. My three daughters also used one. O thousand thanks for such a remedy.

MRS. JAMES BLACKBURN, Rochester, N. H. Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails, he will return your money.

25 cents, 50 cents. Never sold in bulk. Miles Medical Co., Elkhart, Ind.

BETTER PAY FOR PREACHERS

Strong Resolutions Are Passed by Lay Conference of Methodists.

CEDAR FALLS, Ia., Oct. 13.—(Special Telegram.)—The lay conference for the Cedar Falls election of delegates to the general conference of the Methodist Episcopal church today passed strong resolutions urging the members to advocate better pay for the pastors.

It is rumored the cabinet will not make many changes in ministerial appointments Monday and these will be confined to smaller charges.

Three more ministerial delegates were elected this morning—Dr. E. J. Lockwood of Cedar Rapids, Dr. H. W. Troy of Marion, President King of Cornell college; reeves, W. P. Pitner of Marshalltown, L. L. Lockard of Maquoketa and J. W. Bissell of Waterloo.

It was voted to accept the invitation to Mount Vernon for next year.

ELMER PRATT ACCUSED

Lawyer Shows Connell Was Drawing Gun When Shot.

IOWA CITY, Ia., Oct. 13.—(Special Telegram.)—Elmer Pratt, charged with having murdered William Connell in cold blood, was freed by a jury today as the result of the irresistible arguments of Judge Wade, who dropped a bomb shell in the camp of the state by showing, with diagrams, that Connell could only have been shot while in the act of drawing a gun. Pratt claimed self-defense.

The jury voted 10 to 1. The jury was out six hours.

Both men were farmers near here and the killing, which occurred last summer when they met in a public road, was the result of a long-standing feud.

IOWA WOMEN'S CLUBS AT INDEPENDENCE

INDEPENDENCE, Ia., Oct. 12.—(Special.)—The Twelfth district of the Iowa Federation of Women's Clubs has closed a profitable meeting, with Miss Mary D. Hancock of Dubuque as chairman.

The attendance was unusually large, and the session gave a scholarly paper on 'Via Memoriam as Vehicle of the Spirit of the Age.' Miss Harriet Lake's address on 'Child Labor' was a stirring appeal for the support of the club women on the vital question of the day, and Mrs. Marion McCredway of Dubuque presented her paper on 'Domestic Art' which was greatly enjoyed.

This is the first district convention to be held this season, and Mrs. Nash will attend the conventions in the Ninth and Eleventh districts before going to Des Moines for the board meeting the last of October.

Dubuque extended an invitation for the Twelfth district to meet in that city next year.

Falls Dead After Hearty Laugh

BOONE, Ia., Oct. 13.—(Special Telegram.)—Samuel A. Ballard, living northeast of Boone, a pioneer and wealthy farmer, after a hearty laugh at some act of a workman whom he was watching, threw up his arms and fell dead. Ballard was a deaf mute and was a general favorite in this section.

MARSHALLTOWN—Dr. Elijah Brown Jones, D. D., since 1862 pastor of the First Baptist church of this city, will tender his resignation of his congregation next Sunday to accept the pastorate of the First Church of Cedar Falls. He will begin his work with his new charge the first of November. Dr. Jones, before coming to Marshalltown, was pastor of the Owatonna, Minn., Baptist church.

CARROLL—Jacob Sapp, Henry Schupf and Joseph Thielke were injured Friday by an explosion of a traction engine near this city. The men were all badly hurt. They are now in the hospital here. The engine is a complete wreck. Schupf was thrown into an adjoining field by the force of the explosion. William Lyons, a farmer boy, saw the accident, but escaped unhurt. The cause of the explosion was that the water got too low in the engine boiler.

ATLANTIC—Three more serious accidents occurred here this week. Mrs. Frank Van Brockton stepped on a rusty nail while working in the yard and it entered the flesh to the distance of half an inch and blood poisoning is feared. C. Clark sustained a fractured rib while at work in the yard at Anita. He was on top of a stock car loading stock, when another car was butted into the one he was standing on, throwing him to the ground. John Brookman is suffering from blood poisoning in his hand as a result of a slight injury last week.

Henry E. Jones of Tampa, Fla., writes: 'I can thank God for my present health, due to Foley's Kidney Cure. I tried doctors and all kinds of kidney cures, but nothing done me much good till I took Foley's Kidney Cure. Four bottles cured me, and I have no more pain in my back and shoulders. I am 62 years old, and suffered long, but thanks to Foley's Kidney Cure I am well and can walk and enjoy myself. It is a pleasure to recommend it to those needing a kidney medicine.' For sale by all druggists.

ONAWA—The joint boards of supervisors of Monona and Harrison counties at their session here this week appointed John W. Anderson of Onawa their legal adviser in all ditch matters. Mr. Anderson was attorney for the City Federation last year in their fight against the contractors, and joint boards in their appeal to the supreme court. P. S. Holbrook of Des Moines was appointed permanent engineer on the McCandless ditch drainage district No. 5.

MARSHALLTOWN—Cahier T. J. Fletcher was auditor of the Iowa Central railroad, when its headquarters were in this city. After becoming cashier, he was treasurer for the railroad for a number of years. His successor has not yet been chosen.
