

REESE IS ELECTED

Returns So Far Received from Over the State Are Meager.

ALL OF ONE TENOR, HOWEVER

Gains Over Letton Vote of Two Years Ago Are Uniform.

TOO EARLY TO GIVE MAJORITIES

State Chairman Hayward Says It Will Be Over Twenty Thousand.

JOY IN THE REPUBLICAN CAMP

Indications that the Vote Has Been Heavier Than Anticipated Before Election, Though by No Means a Full One.

Nebraska has again gone republican with a handsome majority for Judge Reese and all the candidates on the state ticket.

Returns are still too meager to give any idea of majorities, but enough is at hand to show that Reese will come close to, if not pass, the handsome majority of 20,000 polled by Judge Letton two years ago.

While only a few precincts have reported up to the hour of going to press, they show slight gains as compared with the vote for Letton, and warrant the statement by State Chairman Hayward that Reese's majority in the state would be between 20,000 and 25,000.

The first accurate returns to go into state headquarters were those from Douglas county, which reported about 8:30 o'clock that fifty-two precincts gave Reese 2,186 majority over Letton, and indicated some 5,000 republican majority for the county.

According to surface indications the returns are running slightly ahead of the candidate for judge and the candidate for railway commissioner. Being unopposed except by the prohibition and socialist nominees, it is sure to have a unheard-of plurality.

It is expected that returns will be slow, as usual, and that accurate figures will not be available for some time.

LINCOLN, Nov. 5.—(Special Telegram.)—Twenty-four precincts out of fifty-three in Lancaster county give Reese 2,331; Loomis, 974, indicating that Reese will carry the county by 1,500 majority. The entire republican ticket will be elected, with W. E. Stewart, for district judge, slightly in doubt. In the twenty-four precincts returned Stewart is running only 30 ahead of A. J. Sawyer, democratic candidate. The vote on supreme judge shows Reese to be getting 2 1/2 votes to 1 for Loomis.

Fourteen Waverly Physicians Are Charged with Violating Anti-Trust Law.

WAVERLY, Ia., Nov. 5.—The Waverly county grand jury, which a few weeks ago indicted fourteen members of the County Medical Association for alleged violation of the anti-trust law, today reported additional indictments against Dr. W. A. Rohlf and Dr. O. L. Chagne on the general ground of conspiracy. Their alleged offense resulted from their adherence to the boycott feature of the association agreement, which applied to the entire independent doctor from a surgical case in which he, as well as one of the accused doctors, had been employed, after he had refused to sign the union scale.

Mr. Choate said that the opinion prevailed in some quarters that nothing had been done at The Hague. This, he said, would be dispelled when the public realizes the far-reaching effects of their deliberations.

Though he is suffering from pneumonia, he declares that he will fight with his last breath to prove his innocence and that of his friend and one-time chief.

RATE WAR WILL SOON CEASE

Formal Conference Between Atlantic Lines Will Be Held at Once.

LIVERPOOL, Nov. 5.—It is confidently anticipated in shipping circles here that the formal conference between representatives of the Atlantic Steamship companies, suggested by Director General Ballin of the Hamburg-American Steamship company, while he was in this city a couple of days ago, will result in ending the rate war and a return of the passenger fares to their former level. The conference will, it is expected, assemble in a week, or ten days.

PHILADELPHIA, Nov. 5.—The election in Philadelphia today passed off quietly, the republicans electing all their candidates by the usual large majorities. There was more interest taken in the fate of the \$50,000 loan proposition than in the success of any candidate on the city or state ticket. The city party, the reform organization, which has fought the republican organization for several years, went on record as against the loan and made a fight against the proposition. This returns to show that the loan which had the solid backing of the republican leaders, carried the city by a majority considerably under that given the successful republican candidate.

John O. Shea, the republican candidate for state treasurer, whose home is in this city, ran strong and his plurality will be close to 60,000 in the city.

CLOSE RESULT IN NEW YORK

Early Returns Indicate Election of Democratic County Ticket.

PARSONS REFUSES TO ADMIT IT

Republican Chairman Says All Returns Are from Strong Democratic Wards and Later Figures Will Be Different.

NEW YORK, Nov. 5.—Returns received up to 7:45 o'clock indicate the election of Thomas F. Ryan for sheriff and of the rest of the democratic ticket in New York county by a safe majority.

Chairman Parsons of the republican county committee and Maximilian F. Ihmen, candidate for sheriff, refuse to concede the defeat of the fusion ticket in New York for the county. Parsons says that only democratic strongholds have been heard from and these give no idea of the real vote.

Mr. Ihmen over the long distance telephone tonight appealed to Governor Hughes to afford protection to independence league watchers, whom he alleged were being terrorized. The governor ordered his military secretary, Colonel Treadwell, who is at the Hotel Astor, that he had given the police authorities instructions to protect fusion watchers.

NEW YORK, Nov. 5.—Eight hundred election districts out of 1,688 in Greater New York for the county of appeals give E. T. Bartlett, republican and democrat, 20,857; W. Bartlett, republican and democrat, 218,622; Lyon, independence league, 4,180; McDonough, independence league, 47,063.

Information received here indicates that the democrats have carried union county for Katzenbach and elected democratic assemblymen. Warren county shows democratic gains. If the expectations of the democrats are realized in Hudson and Essex counties Katzenbach will probably be elected.

CAMDEN, N. J., Nov. 5.—Republican county leaders claim that Fort, republican for governor, has carried the county by 5,000 and that Ellis has been re-elected mayor by 4,000 plurality.

PENNSYLVANIA

PHILADELPHIA, Nov. 5.—The election in Philadelphia today passed off quietly, the republicans electing all their candidates by the usual large majorities. ELECTION FIGHT IN KENTUCKY

Two Men Killed and Republican Candidate for Congress Wounded at Lexington.

LEXINGTON, Nov. 5.—Following an election day arrest here this afternoon Clyde Campbell was killed. Patrolman Michael Murphy was fatally wounded and W. H. Campbell, Clyde's father, severely wounded. The elder Campbell, who was a republican candidate for congress, was arrested after protesting against what he termed election frauds. His son came to his rescue and was shot by Murphy. W. R. Campbell then shot Murphy who refused the fire, severely wounding his man, although himself probably fatally hurt.

There is some difference in reports as to the details of the shooting. A graphic account is given by Thomas A. Knight, who saw the tragedy. Knight said that in a large crowd at a voting place he saw Police Officer Murphy struggling with W. H. Campbell. When the struggle seemed nearly over and the policeman's antagonist seemed to be ceasing his resistance he saw young Campbell run up and strike Murphy in the face. Murphy turned and kicked young Campbell in the stomach. Campbell ran out and hit High Street while Murphy continued toward the police station with his prisoner. A little later young Campbell came running up with a revolver in his hand. He ran up to Murphy and shoved the pistol into his face. Murphy was evidently surprised at the attack, but held on to his prisoner. Young Campbell demanded of Murphy that he turn his father loose, but Murphy refused. Just then a patrolman Smith advanced and young Campbell turned to see the officer. Murphy struck him three times over the head with his club. Young Campbell dropped to his knees and as he did so young Campbell shot Smith in the back. Smith then drew his revolver and the shooting became general. Smith shot old man Campbell. Murphy staggered against the side of the building and continued to fire, shooting several times. He was still using his pistol when he was struck by another bullet, apparently fired by young Campbell.

Murphy had fallen, but he got up and staggered to where young Campbell was struggling with some one who had caught him. Murphy leaned over, placed the muzzle of his pistol within a few inches of young Campbell's body, took deliberate aim and fired.

JURTON HAS SLIGHT LEAD

Returns from Sixty Precincts Indicate His Election by Nearly 6,000.

VOTE OVER ONE-FOURTH IN

First Returns Are from Precincts Carried by Johnson Two Years Ago and Burion's Plurality is 26 to Precinct.

CLEVELAND, O., Nov. 5.—Returns from sixty precincts out of 244 show a vote of 1,083 for Burton (rep.) for mayor, and 1,300 for Johnson (dem.). This indicates a plurality of 1,083 for Burton, or an average of twenty-eight to the precinct. If Burton maintains throughout the city his lead over Johnson in these sixty precincts he will be elected by 6,832.

In these precincts also Burton's average gain is sufficient to elect him. The first returns received were from precincts two-thirds of which were carried by Johnson two years ago.

CLEVELAND, O., Nov. 5.—At Mayor Johnson's headquarters Johnson's election is claimed by from 6,000 to 8,000. Republican leaders do not concede Johnson's election. Forty precincts out of 244 give Johnson, democrat, 7,786; Burton, republican, 7,224.

TOLEDO, O., Nov. 5.—In three precincts, Whitlock (ind) for mayor, leads Bartley (rep.) by 172. The same ratio of gain would elect Whitlock by 7,000.

Estimated on returns from six precincts a comparison with last election indicate victory for Whitlock (ind.) over Bartley (rep.) by a majority of 9,500.

CINCINNATI, O., Nov. 5.—The election of Colonel Leopold Markbreit, the republican candidate for mayor, is conceded by his opposition parties and reports from twenty-seven of the 227 precincts indicate that his plurality will be not less than ten or fifteen thousand. Nothing is yet known of the other offices.

MISSISSIPPI

JACKSON, Miss., Nov. 5.—Election "awed generally fair and pleasant throughout Mississippi. Little interest was shown, for it was assumed that E. F. Noel will be elected governor.

MARYLAND

BALTIMORE, Md., Nov. 5.—Indications pointed to a heavy vote in Baltimore at the election today for governor. The democrats are also holding a primary election for a candidate for the long term United States senatorship which begins in 1909. Clear and cool weather prevails.

VIRGINIA

RICHMOND, Va., Nov. 5.—The elections in Virginia are for the general assembly, county officers and a congressman in the Eighth district. A light vote is being polled. Weather fair.

RHODE ISLAND

PROVIDENCE, R. I., Nov. 5.—A clear, crisp November morning greeted the voters of Rhode Island today. The early vote was unusually large. The outcome is being watched with great interest, as the next legislature will vote for a United States senator. The contest for governor is between the incumbent, James H. Hedges, democrat, and Lieutenant Governor Frederick H. Jackson, of Providence, republican.

MUNICIPAL ELECTIONS

PHILADELPHIA, Pa., Nov. 5.—Clear weather favors the voters in this city today. There seems more interest in the fate of the \$10,000,000 loan proposition than in the contest for state or city officials. The reform element is making a fight to defeat the proposition.

SAN FRANCISCO, Nov. 5.—San Francisco has ideal election day weather—cool and partly cloudy. Partial reports from the polling places point to an unusually heavy vote. Mayor Taylor, Ryan, Langdon and McGowan, through their managers this morning repeated with emphasis their claims of ultimate victory.

An incident of the day is the voting of the Tiry L. Ford jury, whose hearing of the bribery case against the general counsel of the United Railways was interrupted and suspended by the public holidays instituted by Governor Gillette. The trial twice are voting in eight assembly districts and seven precincts. They were taken in squads of four to the voting places under guard.

Judge Stops Request for Receiver for Corn Producers Company in State Courts.

CHICAGO, Nov. 5.—Judge Kohlsaat in the United States circuit court today issued an injunction restraining George F. Harding of this city from prosecuting in the state courts the suit recently started by Harding, asking for the appointment of a receiver for the Corn Producers company.

It is claimed in the plea for an injunction that a similar suit was brought some time ago by a company of which Harding is the head, and that the present action contemplated by him is merely an attempt to harass the Corn Producers company.

In his application for a receiver, alleged in connection with certain individuals, in connection with the Corn Producers company.

PRESIDENT ROOSEVELT VOTES

Executive and Secretary Loeb Cast Their Ballots at Oyster Bay.

WASHINGTON, Nov. 5.—President Roosevelt cast ballot 84 at 9:55 o'clock this morning at Oyster Bay, N. Y., thus registering his choice as to two associate justices of the court of appeals, a justice of the supreme court of the state, member of the assembly, county officers and several proposed amendments to the state constitution.

For the president to exercise the elective franchise necessitated 23 miles of railroad travel and four minutes in the voting booth. The trip, which was without incident, say for cheering crowds at Jersey City and Long Island City, and the welcome home of the village of Oyster Bay afforded the president opportunity to confer at length with Secretary Cortelyou on the financial situation and to review the incidents of the recent Louisiana bear hunt with Dr. Alexander Lambert during the trip on the tug Lancaster from the Jersey terminal at Long Island City.

Secretary Cortelyou was with the president from Washington to Jersey City and joined the party again from Mithola to New York, where he remains to make a brief inspection of financial affairs there. The president smilingly acknowledged the cheers of the crowds at Jersey City and Long Island City and was most cordial in his personal greetings to his Oyster Bay neighbors, who met him at the station.

The president reached Washington at 6:14 o'clock tonight.

BOURKE COCKRAN ARRESTED

Grand Schemer of Tammany in Police Court on Illegal Voting Charge.

NEW YORK, Nov. 5.—Congressman W. Bourke Cockran was arrested on a charge of illegal voting. The policeman who made the arrest said he could not verify the address given by Mr. Cockran, at 30 East Seventeenth street, from which address Mr. Cockran had registered. The congressman was taken to the police station and then to a police court.

Mr. Cockran is grand schemer of Tammany hall. A servant at the East Seventeenth street house had sworn that no one named Bourke Cockran lived there and Magistrate Cornell issued the warrant while under the impression that some one was trying to vote on the congressman's name. When Mr. Cockran was arraigned in court, one of the United States attorney general's assistants denounced the arrest as an outrage and Mr. Cockran was promptly discharged. Mr. Cockran said the East Seventeenth street house was his residence before he went to congress and that he had never forfeited his right to vote from that address.

"When I registered," he said, "I told the inspectors who I was and explained the entire situation. I was not challenged when I registered nor today. I fall to see on what authority the arrest was made."

WHALERS ARE CAUGHT IN ICE

Much Apprehension Felt at New Bedford Over News of Arctic Vessels.

NEW BEDFORD, Mass., Nov. 5.—The news dispatches from San Francisco reporting that five vessels of the whaling fleet which cruised to the westward of the Point Barrow may have been imprisoned in the ice by the early closing in of the Arctic winter, were received here with great concern, as two of the steamers, the Belvedere and the William Baylies, hailed from New Bedford. Seamen familiar with the whaling grounds in the Arctic have never been known to get out of the ice. In 1879 the whalers Mount Wollaston and Vigilant were lost off Herald Island, and nothing was ever heard of the vessels or their crews.
