## Extraordinary Bargains in Ladies' Cloaks, Suits

A big cash purchase—New York makers were overstocked with cloaks and suits and required immediate cash, hence this exceptionally big buy. Our buying power—we do not often boast of it—enabled us to take advantage of the momentary embarrassment of several leading New York wholesalers and makers of women's high grade cloaks and suits. The values are greater than ever offered before in western cloak and suit selling. A big bargain for us is a big bargain for you.
