J. C. Pettijohn and J. M. Tucker Next None on Program in Federal Land Cases.

> The hearing in the cases against J. C. Pettijohn, formerly register of the land office at Valentine, and J. M. Tucker, formerly county attorney of Cherry county, is booked for the United States district court Thursday morning. Both defendants are under indictment in two instances for conspiracy to defraud the government out of use, title and possession to some 400 acres of public land by means of false, fictitious and fraudulent entries.

There is a prospect that the case may be settled by compromise through one or both of the defendants entering a plea of guilty to the unlawful enclosure of public lands.

OLD SORES FED AND V BY IMPURITIES IN THE BLOOD

If Old Sores were due to outside influences, or if the cause was confined strictly to the diseased fiesh around the ulcer, then external treatment and simple cleanliness would cure them. But the trouble is in the blood, which has become unhealthy and diseased, and keeps the sore open by continually discharging into it the impurities and poisons with which the circulation is filled. This poisonous condition of the blood may be the remains of some conattend of the body, which should pass off through the proper avenues, has been left in the system and absorbed into the blood. Again, the cause may be hereditary ; but it does not matter how the poison becomes intrenched in the blood, the fact that the sore will not heal is evidence of a deep underlying cause. Salves, washes, lotions, etc., may cause the place to scab over temporarily, but the blood is not made any purer by such treatment, and soon the

old inflammation and discharge will return and the sore be as bad or worse than before. S.S.S. goes down to the very bottom of the trouble, cleanses and purifies the blood, and makes a permanent cure. S. S. S. enriches and freshens the circulation so that instead of discharging unhealthy matter into the place, it carries rich,

tissue-building, ficsh-healing blood to the dis-eased parts and in every way assists in a natural cure of the sore. Book on Bores and Ulcars and any medical advice free to all who write. THE SWIFT SPECIFIC CO., ATLANTA GA
