Every Saturday Especially Tomorrow

We shall sell nice, fresh Saturday Candy (Liquor) for.....90c
Chocolate, Nuts and Fruits, sold Saturday only, here only in every city in the United States. Look for imitations, for the market is full of them—only the genuine and delicious Saturday Candy—which is the genuine and delicious kind, the kind that's sold in every city Saturday only, fresh, the SHEPHERD & McCONNELL DRUG CO. Corner 16th and Dodge Sts. OWL DRUG COMPANY, Cor. 16th and Marney Sts., Omaha, Neb.

An imitation takes for its pattern the real article.

There was never an imitation made of an imitation. Imitations always counterfeit the genuine article. The genuine is what you ask for, because genuine articles are the ones with merit. Imitations come and go; they are not advertised, but depend for their business on the ability of the dealer to sell you something claimed to be "just as good" when you ask for the genuine, because he makes more profit on the imitation. Why accept imitations when you can get the genuine by insisting.

Refuse Imitations—Get what you ask for.

WHY YOU SHOULD DRINK COFFEE

Because it is an easily digested and nourishing Food Drink that helps to digest other foods—and makes you better fitted for your task, be it with brain or muscle. Pure coffee is a wholesome, refreshing beverage at all times.

The coffee you will want is The German-American—put up in sealed packages—with the Coffee Bird on each package. This is a pure mountain coffee—always pure, always the same. Use German-American Coffee and your breakfast will be good. Ask your Grocer for it.

Feed for Nerves

Weak and nervous men who find their power work and youthful vigor gone as a result of over work or mental exertion should take GRAY'S NERVE FOOD PILLS. They will make you feel like a man.
