5,178,556,78 2,000.00 his side and spine Sunday evening shortly \$12.165.637.79 after T o'clock, by falling off the rear end of a westbound Sherman avenue street car 800,000.60 at Fifteenth and Cass streets. In leaning against the rear railing. Harrell lost his footing on the wet floor of the platform, and went over. A number of passengers 261,180.00 grabbed at him, but too late. Harrell alighted on his back and was considerably stunned. The police patrol wagon was called, but Harrell refused to ride in the "hobo" wagon and an ambulance was called, and the man was removed to St. Joseph's hospital, where it was ascertained that his spine was injured, causing paralysis of one of his limbs. Harrell arrived in Omaha Sunday morning and was registered at the Millard hotel. Monday afternoon Mr. Harrell's condition

was much improved and his physician has hopes for his speedy recovery.

55,580.54- 30,742.505 MAN KNOCKS DOWN HIS WIFE she a Frail Woman and He Gets Time in Jail in Which to Beffeet.

> Robert Sanbeam, who lives at Twentieth and Lake streets, was sentenced to thirty days in jail Monday morning in police court on the charge of wife beating. He said it was just a little family row and that the neighbors "butted in" and had him arrested.

> The evidence showed that his wife is a little, frail woman and that he knocked her down. Friends of Sanbeam's appealed to Judge Crawford after the sentence was imposed to suspend it during good bebavior. The judge agreed to do this if they could convince him there would be no repetition of the offense, but thought that one day in jail would go far toward convincing Sunbsom of the error of his ways.

SCORED AFTER TIME CALL

Anxions to Got Last Game, Tigers Played On and On.

GAME PLAYED IN HEAVY MIST

Crowds Watched Belvideres and Tigers in Fast Game at Illeta Park, Which May Be Last of Season.

The Belvideres played and defeated the Tigers at Dieta park Sunday, score 6 to The game was a fast one from start to finish, being close and an all-around good exhibition of foot hall, neither side having much the better of the argument. The Tigers were composed of players from some of Omaha's best teams and they all played great ball. The Tigers made a touchdown after time was called in the second half, or, in fact, after the game was over, but Thomas, the umpire's, decision was in favor of the Tigers, but the whole world knows such a decision is void. The Belvideres made their touchdown in the first half. Quigley punted and Goodrich got down the field and recovered the ball on the ten-yard line, going over for a touchdown. Quigley kicked goal. The Tigers scored a safety in the first half. The Belvideres intended Total \$35,516 to finish their senson yesterday, but if the Tigors are dissatisfied the Belvideres will play them next Sunday to decide which is

he better ten: Belvideren			Tigera.

Winter base ball is being pushed all over the country and Omaha is not behind. Several teams have been organized at the Omaha High school. William C. Magiey, former captain of the University of Michigan foot ball team, is said to be hopelessly insans. He was a prominent lawyer of Chicago.

This is an ege when the wrestling game should be at its best, for the world is full of men of the first magnitude. On the other hand, there isn't a first-cass heavy-weight prize fighter in the business today. Niles, though a great litter, was not good enough at second to work with isoshly Wallace. Wallace, perhaps, is as rapid an infielder as ever donned a uniform and many a great play which he framed up was spoiled because of Niles inability to keep up the pace which Bobby set. Ferris will do better.

The Lincoln correspondent of Sporting News writes that Norris O'Neil while there announced the Western league would have no eight-team circuit next year and the same paper's correspondent at Denver writes that O'Neil says the league will have an eight-team circuit, "admitting a franchise for Kansas City, Kan, had been awarded to Louis C. march and denos again, until the limit seems to be reached, and then they spring a new stunt. "Fascinating Flora" has about as much plot as the average of musical comedies, but scarcely needs any, as it is a continual succession of songs and specialties, the little story it tells simply drifting along through it. It has catchy music, airs that appeal to the whistlers-as was well evidenoted last night-and songs that are already known. Altogether, it is faccinating, and delightful in every way. The opening performance at the Boyd last night was enjoyed immensely by the large audience, and the several sters and the chorus were given enthusiastic encouragement. The engagement lasts till after Wednesday night, and if merit is a criterion, the theater will
