## Did You See It?

We refer to the cigar display of our's at our 15th and Doug. Sts. store. It is worth going blocks to see to any purchaser of Cigars, either for Christmas presents or for your own use, because there are no fake brands displayed! No so-called 10c Cigar for 5c, but they are all well known, staple brands and for less money than any other dealer sells good Cigars. It should be quite a relief to the smoker to see such goods, as these displayed in such quantity, instead of "La So and So," or "El So and So," as 10c Cigars for 5c, when everybody knows they are not 10c Cigars at all. We also have a very select line of Confections, such as Craftsman's Guild and Baker's Chocolates, Baiduff's, Etc. Also Manteaux and Toilet Sets in pearl and silver or fancy woods. These goods will not be carried over!
