ELLIS RIGHT MAN FOR PLACE

Delegates to River Congress Explain that Mayor Dahlin Was Victim of Unfortunate Combination of Circumstances.

Predicting that the Missouri River Navigation company would be a permanent organization and under the leadership of Congressman Edgar Ellis of Kansas City successfully accomplish its purpose of securing an appropriation for such work as will make the river navigable, E. J. McVann, chairman of the Omaha delegation, expressed himself as satisfied in every way with the outcome of the Sioux City meeting.

Omaha Gains in Friendship. "As for sending the next meeting to Yankton, I feel that Omaha has gained more many times than by insisting on bringing the meeting of next year to Omaha. The South Dakotians wanted the meeting, Yankton sent 10 delegates. They were thoroughly acquainted with the needs of boats on the river. They are serious in a desire to help get the appropriations from congress.

Laugh on Yawping Knoxville.

All the delegates from Omaha who returned here feel that they have the honor in Kansas City. Harry Tukey, the official jockey of the Omaha delegation, said: "Kansas City thought Omaha intended to 'eat 'em alive' and had a great sulk over the election—before it took place.

Dahlin Episode Explained.

As to the Mayor Dahlin episode, many of the delegates felt that they were the victims of the excitement and the heat which was growing warm between Omaha and Yankton on one side and Kansas City and Sioux City on the other.

A CONSTANT ANNOYANCE

Half the nervousness, half the irritability that is so common in everyday life, is really sickness, and in most cases a condition that accompanies kidney trouble.

It is the work of the kidneys to keep the blood free from uric acid and other poisons, but when the kidneys are sick, and not doing their duty, the uric acid poison permeates the body and attacks body, brain and nerves. The irritation causes nervousness, irritability, headache, dizzy spells making you languid, unfit for work, and inclined to worry over trifles. Besides, there is nothing more annoying than a bad back, and backache is the most common sign of kidney trouble. You feel lame and tired in the morning, suffer day and night with a dull aching in the back, and it hurts to stoop or bend or lift.

Keep your temper cool and get the kidneys well. No person can feel cheerful and healthy if the kidneys are the least bit affected. A few doses of Doan's Kidney Pills, taken in the beginning, will set the kidneys right.

Continued treatment cures cases of long standing.

Doan's Kidney Pills are for the kidneys only, and contain no poisonous nor habit forming drugs. They relieve congestion and inflammation of the kidneys or bladder, heat and cure the kidney tissues, drive off dangerous uric poison, dissolve and remove gravel, and rid the body of all watery waste.

Thousands of cures prove the merit of Doan's Kidney Pills. Here is a case at home—

AN OMAHA CASE.

Wm. H. Sage, 4111 Burdette St., Omaha, Neb., says: "It is a pleasure for me to confirm the statement I made some years ago in favor of Doan's Kidney Pills, as the cure they performed in my case at that time has remained permanent. My back had bothered me off and on for years, the pains being especially noticeable when I contracted a cold or over-exerted myself. As my work requires much stooping, I was often in misery and was at a loss to know how to rid myself of the trouble until Doan's Kidney Pills were recommended to me. I used them, and as he fore stated, they effected a complete cure. On several occasions since, I have taken them and they have never failed to benefit me."
