A farmer named Herman Tomernackle, living in Sarpy county, lost two of his fingers yesterday. He drove his team into the city and left it standing while he went to Omaha on the street car. When he returned the horses were cold and uneasy. His son got in the wagon, but he wen to untie the team. One horse was vicious and as he reached for the halter strap, the the animal lunged at him and grabbed the fingers of his left hand between his teeth They were almost severed at the second joint, and so crushed that the index and middle fingers had to be taken off. He did not take precaution in his haste to get started for home.

## FUNERAL OF DR. WORTHINGTON Services Over Body of Late Bishop of Nebruska Held in Paris.

PARIS, Jan. M .- The funeral services over the body of the Right Rev. George Worthington, bishop of Nebraska, who died case. The company also objects to the at Mentone, January 7, were held at the clause in the contract which makes the American church here this afternoon. There onds optional after five years. This was a large attendance. The body will be ommunication will be presented to the shipped to the United States, where it will It is be interred. Dr. Worthington, shortly bevident that a suit is impending if the fore his death, was appointed bishop in city persists in holding the company to charge of the Epizcopal churches on the continent in succession to Bishop Henry C Potter of New York.

School Scraps Commence.

GRAND ISLAND, Neb., Jan. 34 .- (Special.)-The so-called "class rivalry" the high school, which last year led to strenuous contests, in which battles with eggs and even fisticuffs were features. has begun earlier this year than ever and it is generally expected that from now to the end of the term, when comcement puts the seniors into the alumni list, there wi'l be numerous skirmishes and affairs of honor. seniors had upon this occasion made arrangements to spend an evening at Schimmer's lake. their hayracks and were boarded upon them before any raid was believed One of the sentors was finally exist. captured and locked in the cellar of the In private enterprises the only work of residence of W. H. Thompson, until released by Mrs. 'acrapa" took place and a few of the members broke through the ice at the lake. No serious injuries of any kind, however, resulted.

> Boy Loses Leg in Horsepower. FRIEND, Neb., Jan. M.-(Special.) A 14-year-old son of Peter Obbody, a Bohemian farmer residing eleven miles south of Friend, lost one of his legs while

had a full house when presenting an traying the leading role, opened a three-Ibsen play in Omaha, and it may castly night engagement to a well filled house at be believed that it was Mansfield rather the Krug theater Thursday night; than Ibsen that drew forth the people at Several other actors have undertaken the experiment with unvarying fancy from her wealthy father, but is disresults.

This much is said by way of offering me thoughts that may be negatively, at least, consoling to Miss Hortense Nielsen. who made her bow to Omaha last night as Nora Helmer in "A Doll's House," She is not alone in feeling the public's neglect of the work of the great Norweglan. But those who did feel suffient interest to go to the Boyd inst night were repaid by a presentation of an in-teresting character study. Miss Nielsen brings to the part evidence of thoughtful appreciation of its difficulties and tem-

peramental qualifications for their work ing out. She is not quite convincing in the earlier moments of the play's action, but as its current gathers force and she is awept on to apparently certain destruction, she grows in strength and in her closing scenes is full and free the suddealy developed woman. Miss Nielsen's company is a capacie or ganization. Mr. Lee hardly grasps the

possibilities of Helmer, but Mr. Kilpack

as Dr. Rank and Mr. Henderson as Kron-

stad are good. Miss Barton's role, Mrs.

Miss Nielsen's engagement lasts IIII

after Saturday night, with a matinee on
