It spent Afternoon Considering Case and Wont to Dinner at 0 O'clock-Bellhorntions Resunted at Still O'clock.

CITALLETT N.

MEN YORK, Jan. St.-The Year jury restained to the court house at 538 p. m., efter having had dinner at the optown hotel which has been their residence ever since the trial began. The twelve men prespecial at once in the deliberations and ecoded as once to their deliberations and

NEW YORK, Jan. IL-Today for the second time, the fate of Harry K. Thaw, slayer of Etanford White, passed into the hands of a jury of his peers. The twelve jurors retired at 11:40 a. m., after listening to a charge from Justice Victor J. Dowling. who sought to impress upon them that the burden to prove the sanity of the defendant rested upon the prosecution throughout fendant. the trial and declared that if from all the evidence in the case, the jurers entertained a reasonable doubt as to his sanity, the nearly \$1,000,000, which it was unable to defendant was entitled to the benefit of that doubt. At the warms time he pointed out the provisions of the statute which provides that the only persons excused from criminal responsibility are those who suffer from a dufact of reason as either not to know the nature or quality of their act or not to know that the act is wrong,

Some may hold that this is too hard a seriously. test," commented the court; "but it is the law. It is clear, explicit and reasonable. Mark you that the law mays a 'defect of reason' and I must instruct you that a defact of remann is not an opinion a man may ment against the Standard Oil company hold as to the justice or correctness of his shows many instances where secret rates own acts, or an opinion that the laws of were given. the land are wreng. Long Battle Against Privilege.

The battle for free institutions has been a struggle against special privilege. It is not won merely by the creation of new forms of government. Against every attempt to make government the instrument Page 1 of selfah purposes, a free people must constantly be on the alert. Every franchise granted by the people is a privilege justified only by considerations of the public welfare and the conditions of its exercise should be such as to insure the performance of public obligation. There must be no encroachment on the commercials. Page 1

Stronger Anti-Trust Law. Battleships have been sighted at Cape The Sherman anti-trust law should be clarified and made more explicit.
