COUNCIL BLUFFS

Office, 12 South St. Tel. 48.

PRIMARY ELECTION TODAY

Most Interesting Contest is for Republican Nomination for Mayor.

FIGHT A THREE-CORNERED ONE

Wallace for Municipal Ownership and Green in Opposition, with H. H. Field as a Factor in the Running.

Interest in the city primary election today is unduly centered in the contest for a republican nomination for mayor, for which there are three candidates, H. H. Field, Thomas G. Green and Councilman R. B. Wallace. The contest, especially as between Mr. Green and Councilman Wallace, promises to be particularly exciting. Councilman Wallace has been making his campaign on a municipal ownership platform, supported by the Federation of Improvement Clubs, the newly organized Municipal Ownership league and that faction of the republican party which has as its leaders G. H. Scott, Thomas G. Harrison, Prof. O. J. McManis and others. Thomas Maloney, candidate for the democratic nomination for mayor, has merely to trot over the course, as he has no opponent.

The candidates on both tickets for treasurer, auditor, assessor, engineer, councilmen-at-large and park commissioner have no opposition and their first fight will be at the city election on March 10. For both the republican and democratic nominations for city solicitor there are contests. City Solicitor Kimball is opposed for renomination by the republicans by G. H. Scott, and H. L. Robertson and R. J. Organ are both in the field for the democratic nomination.

There is only one candidate for ward councilman who has not a contest on his hands today and that is John P. Tinley, who has no opponent for the nomination of councilman from the Third ward. In this ward there are three candidates for the republican nomination and in every other ward there are contests for both the republican and democratic nominations.

Councilman Candidates. The names of the candidates for nomination as ward councilmen are not printed on the ballot and the voter has to write in the name of his choice.

The candidates for ward councilmanic nominations are:
FIRST WARD. E. J. Quirk, 529 East Pierce street, democrat. E. F. Dryden, 621 Franklin, republican. F. J. Barlow, 306 Voughlin street, republican.
SECOND WARD. C. D. Walters, 506 Pierce street, democrat. J. Chris Jensen, 529 Oakland avenue, democrat. C. A. Tibbitts, 418 North Seventh street, republican.
THIRD WARD. E. E. Mirdick, 533 Washington avenue, republican.

FOURTH WARD. C. M. Pennell, 135 Fourteenth avenue, republican.
FIFTH WARD. Henry A. Doner, 120 Fourth street, republican.
SIXTH WARD. John P. Tinley, corner Clark and Fifth avenue, democrat.
SEVENTH WARD. W. S. Rigdon, 303 Glen avenue, republican.
EIGHTH WARD. Frank Beebe, 813 Seventeenth avenue, democrat.
NINTH WARD. W. F. Abdill, 502 South Eighth street, republican.
TENTH WARD. James McMillan, 1709 Ninth avenue, democrat.
ELEVENTH WARD. R. H. Bloomer, 723 First avenue, republican.

SEVENTEENTH WARD. H. G. Andrews, 601 South Twenty-first street, republican.
EIGHTEENTH WARD. C. D. Campbell, 723 South Twenty-fourth street, republican.
NINETEENTH WARD. O. E. Sparks, 326 Seventh avenue, democrat.
TIETZ WARD. L. H. Knobloch, 1229 Sixth avenue, republican.

Wallace M. Hendrix, 321 Avenue A, republican. A. Bollinger, 2500 Broadway, democrat. Captain C. S. Hubbard, 1807 Avenue D, republican. W. L. Williams, 324 Avenue D, democrat.

Polls Close Late. The polls will be open today from 7 a. m. to 8 p. m., and will be late before even the result of the vote on the republican majority nomination is known. Under the primary law but one box is allowed for both the republican and democratic ballots. The first duty of the judges and clerks after the polls are closed will be to take the ballots out of the box and separate the democratic from the republican.

The judges and clerks will have no easy task, as besides counting the votes cast for the various candidates of both parties for the several city offices there will be the names of seventy-seven republican and ninety-three democratic delegates to the city conventions. Precinct committeemen are to be named at this primary, so this will give fifty-two more names to be counted. Old-timers express the opinion that it will be an all day job for the judges and clerks of election.

The city council, under the primary law, is required to canvass the vote cast at the primary within two days from the day of election.

The polling places in the several precincts are as follows:
First Ward—First precinct, 124 East Broadway; Second precinct, 30 East Broadway.
Second Ward—First precinct, 23 Bryant street; Second precinct, 723 West Broadway.
Third Ward—First precinct, 131 South Fourth street; Second precinct, 519 South Main street.
Fourth Ward—First precinct, county court house; Second precinct, 636 Sixteenth avenue.
Fifth Ward—First precinct, county building; Fifth avenue and Twelfth street; Second precinct, county building, 1511 South

Thirtieth street; Third precinct, 230 West Thirtieth street; Fourth precinct, county building, Avenue B and Twenty-fourth street; Fifth precinct, 2417 West Broadway; Sixth precinct, 324 Avenue D, East Omaha, on South Fifth street, East Omaha.

Byers Says Conditions Are Better. Attorney General H. W. Byers spent Saturday night at the Grand hotel in this city and left yesterday morning for Hamburg, where he was scheduled to speak last night on "Law Enforcement." Mr. Byers came from his home at Harlan, reaching here at 11 o'clock Saturday night.

"There are no complaints from Council Bluffs now and conditions here are greatly improved, I believe," said Mr. Byers while talking with some friends and newspaper men in the rotunda of the hotel shortly after his arrival Saturday night. From what Mr. Byers said it is evident that he keeps well posted as to conditions in Council Bluffs and the other cities in the state in which he has recently preached the gospel of law enforcement and civic reform.

He said that this was his first visit to Hamburg in over thirty years. The invitation extended him to visit and speak there, he said, was in the form of a petition signed by every banker, professional and business man of the town.

Man Insults Woman. Miss Sylvia Smith, a young woman living at 1300 Tostevin street, complained to a patrolman on the South Main beat about 9 o'clock last night that she had been accosted by a strange white man who invited her to accompany him to Omaha. When she refused, Miss Smith told the officer, the man tried to choke her. No report was made by Miss Smith or members of her family at police headquarters.

Spindler to Succeed Turner. Announcement is made that John J. Spindler, a bank examiner, with headquarters at Sioux City, will succeed T. C. Turner as cashier of the First National bank of this city and will take up his new duties March 1. Mr. Turner, whose resignation was made public about a week ago, has not yet announced his future plans.

Mr. Spindler is well known in Council Bluffs and Pottawattamie county, having formerly been cashier of the Avoca State bank. He is interested in several small banks in the western part of the state.

Funeral of J. W. Jacobs. The funeral of J. W. Jacobs, whose sudden death occurred at Davenport, will be held this afternoon from the family residence, 927 Third avenue, at 3 o'clock and will be private, as an autopsy showed that he died of diphtheria. Interment will be in Walnut Hill cemetery and the services will be conducted by Rev. O. O. Smith, D. D., pastor of the First Congregational church.

The body was shipped from Davenport last night and is expected to reach here this morning at 8 o'clock.

MINOR MENTION.
The 2-year-old son of Leroy Smith, 409 North Eighth, was quarantined yesterday for diphtheria.
Samuel Watton, aged 53 years, died yesterday afternoon at his home, 1509 Avenue E, from cancer of the stomach, after a year's illness. He is survived by his wife, three daughters and five sons.

Members of the Council Bluffs lodge of Elks will attend in a body the performance at the Burwood theater, commencing Tuesday night. The local judge quartet is appearing the week at the Burwood.
Members of the Eastern Star, are requested to attend the funeral services over the late Mrs. Louisa Bennett at St. Paul's Episcopal church at 10:30 o'clock this morning.

Erbel May, the infant daughter of Mr. and Mrs. A. C. Zimmerman, 1810 Sixth avenue, died yesterday. The funeral will be held this afternoon at 3 o'clock from the residence, and burial will be in Fairview cemetery.

There will be no services Wednesday evening at St. John's English Lutheran church. The ladies' society will meet Thursday afternoon at the residence of Mrs. N. J. Swanson, 533 Franklin avenue. The chorus choir will meet Friday evening for rehearsal.
Stephen O'Neil, who was nicked up in a bronchial condition a short distance from his home at 307 Franklin avenue, Sunday night and was found to be suffering from uremic coma, has not regained consciousness up to Sunday night. It is said that the chances for his recovery are slight.

IOWA POLITICIANS HOLD OFF

Fight for Governor and Senator to Be Left for Primaries.

DELEGATE SELECTION IS EASY

Only in Southern Part of State is Opposition Manifest to Endorsement of Roosevelt Policies.

(From a Staff Correspondent.)

DES MOINES, Feb. 24.—(Special.)—The first week in March is to be an active one in state politics, as a number of county conventions are to be held.

This week a few conventions will be held. Fayette and Grundy will hold conventions on Monday, Ringold on Tuesday, and Wayne, Ruggles and Adams on Saturday. March 7 is the date for republican county conventions in Crawford, Howard, Story, Jefferson, Louisa, Washington, Wapello, Wright and some other counties. Sioux county decides whether to be stand-pat or just plain republican on March 6, and Buena Vista makes a cast March 2. Van Buren and Butler counties will meet March 5, Pocahontas, Mills and Hardin March 11 and Shelby, Winnebago and Iowa March 14.

The conventions thus far held have been very harmonious and good natured. Candidates for delegates have been endorsed and other action taken without any more of the friction and fight than is due in such cases. Thus far there has been no indication of a desire anywhere to inject the senatorial or gubernatorial contest into the preliminaries for the national campaign. Neither has anything been done to indicate that congressional matters are to be brought into the early game. The disposition is to leave the selection of a state ticket and United States senator entirely to the judgment of the voters at the primary without any undue influence.

It is stated the movement for securing a delegation in full sympathy with the policies of President Roosevelt and ready to support a platform of unquestioned endorsement of the entire republican national and state administration is well in hand. The admission is made, however, that possibly some of the delegates, especially in the southern part of the state, may be reluctant to vote for Taft, and they will not be men who are such as the big secretary or his chief would naturally select to stand firmly for the progressive program.

A suggestion which has been made as to a delegation-at-large from Iowa is to have it consist of J. R. Lane, William Larabee, A. B. Fink and H. M. Towner.

Race for Auditor.

John G. Hempel of Elkader attended the State Association of Clothiers in Des Moines this week. He stated while here that he had practically decided that he would not go before the people of the state as a candidate for auditor. Mr. Hempel is very popular at home, and as soon as there was a suggestion of his possible candidacy the newspapers of the northeast corner endorsed him in most strenuous manner. Mr. Hempel was county auditor two or three terms and served on the republican state committee. But he entered in business and will not this year take the time to present his name for a state office.

This leaves the contest, thus far, fairly between Senator Frank M. Hopkins of Guthrie and Senator John L. Bleakley of Ida, one in the Ninth and the other in the Eleventh districts. There will perhaps be no place where the clear line of demarcation between standpatism and just plain republicanism will be more clearly drawn than here.

As an illustration of the temper of the people, an incident is told here. A short time ago one of the standard bearers in Des Moines made a fierce and bitter personal attack on Hopkins, and in a brutal editorial denounced him as utterly incompetent and lacking in ordinary sense. It was declared plainly that he did not have sufficient education to conduct the office. A few days after Hopkins had been put in circulation for Senator Hopkins and the business men, the bankers, the merchants, the lawyers and the best class of Des Moines people signed the papers all-most without exception. It was their pointed answer to the attack.

Hopkins University Man.

As a matter of fact, Senator Hopkins is a graduate of the University of Iowa and a finely educated and cultured gentleman. He has had experience which even without the college backing would make him competent for almost any position. He was county clerk a term or two, mayor of his town for a long time and has been in the management of a strong bank for a number of years. Besides he has had experience for two terms in the state senate, where he has become familiar with every detail of the public service.

Senator Bleakley also is a finely educated man and he has had abundant experience to fit him for the place. His special achievement, however, was as a member of the insurance commission, which two years ago started in to investigate Iowa insurance laws. He was one of the majority which signed a report recommending certain changes in the laws.
Will Have Primary Schools. It is planned by republicans, at least, to have in many counties of the state schools of instruction in regard to the new primary law. The judges and clerks of election will especially have need of instruction in order to handle matters properly, but in some way it is felt that they should be some instruction to the voters so that they can handle the matter.

Taft Progressive Tickets.

It has been decided by the republicans of Polk county that they will head their tickets to be voted for on the local primaries in order to handle matters properly, but in some way it is felt that they should be some instruction to the voters so that they can handle the matter.
Unanimous for Allison. The Allison headquarters is in receipt of advice from Waverly, county seat of Bremer county, announcing that out of 272 republicans solicited for membership in the Allison club 200 signed. One was for Shaw and one was for Cummins.

Candidates at Sidney.

SIDNEY, Ia., Feb. 24.—(Special.)—Signs of political activity are visible in various quarters. Candidates for county offices are making their announcements through the press and getting out their petitions. All the present county officials except three will be candidates for re-election, not including the Board of Supervisors. The three who retire have each served two terms or more. Miss Mattie Lee A. Lair, democrat, who is finishing her third term as county school superintendent, declines to accept another nomination. Miss Lulu West of Hamburg, democrat, and Miss Della Simons of Sidney, republican, are candi-

NO BOGUS HAIR OUT WEST

Tozles Will Not Go in Wyoming, Says Frontier Milliner.
RANGERS WOULD NOT STAND IT

Breezy Girl from Medicine Bow Blows Into Big Millinery Shop and Exchanges Some Ideas.

It was morning in a wholesale millinery house, where hundreds of pretty women arrive daily to buy spring goods. The latest arrival from Wyoming "blew in" with a Dahman democracy hat pinned slightly at one side. She glanced at the other milliners.
"Say, ain't those young looking women to have white hair?" she said to the head milliner.
"You're going to get some ideas which would not reach the town milliner of Medicine Bow," said the head milliner, tucking away a white tassel in her own dark tresses.
"That is not gray hair, that is, it is not their own gray hair, if you mean those white locks that you see in each woman's hair, just under that left-handed roll of the hat."
"It is all the style just now for a brunette to introduce among the other countless wags of false hair, the little snow white lock, generally over her forehead, but this spring a little to one side. It is very attractive, don't you think?"
"But the girl from the golden west didn't think."
"Well, the tozle wouldn't go in Medicine Bow," she said. "It would not be a day until half a dozen rangers called at my shop and offered me the wrappers off a roll of long green which would choke a tunnel. They would think I was not getting along well in my business, or was an eastern matron out for my health and a Wyoming divorce. They would not ever dream of the tozle being phony, and would offer to grab-stake me for the winter until the feathers panned out, such or my mavericks growed up. Every man within thirty miles of the Bow would pity me if I wore one of those locks, and it don't do for a milliner who wants to stay in the profession to have men give her any sympathy out west."

But it was a fact which the head milliner imparted, and the hairdressers of Omaha have already enlarged on the idea. They swear that the tozle is not enough. There should be a streak of gray hair running from the left corner of the forehead to where the switches are wound up and tacked-down by hand with tin.

SIDNEY, Ia., Feb. 24.—(Special.)—A republican county convention is called to meet in Sidney, February 25, to select eight delegates to the Eighth congressional district convention in Creston on March 5 and eight delegates to the republican state convention in Des Moines March 13.

Iowa News Notes.
IOWA FALLS.—The First Baptist church of this city has decided not to lay off C. H. Seull of St. Paul to become its pastor, and it is under consideration.

CRESTON—Roland Bogar, a callboy for the local electric company, might get a promotion. He has been working since he attempted to climb between the rear cars of a freight train and his foot was caught in the drawbar and badly crushed. It is hoped amputation will not be necessary.

CRESTON—Word was received here last night that Mrs. Worth Humphrey had suddenly dropped dead at her home in Alliance, Ia. She was seemingly in the best of health previous to her death. Mrs. Humphrey was formerly Miss Lucille Thurby of this place and had a wide acquaintance here and in surrounding vicinity.

CRESTON—Fontanelle, Orient and Afton rural route mail carriers met with the indication of a desire anywhere to inject the senatorial or gubernatorial contest into the preliminaries for the national campaign. Neither has anything been done to indicate that congressional matters are to be brought into the early game. The disposition is to leave the selection of a state ticket and United States senator entirely to the judgment of the voters at the primary without any undue influence.

ATLANTIC—The Danish colony of this city is preparing to put on a Danish play. It is the first attempt at presenting a play in a foreign language ever made here. The play is to be put on the night of February 26 and the entire production will be in the Danish language.

MARSHALLTOWN—Marshall county's first act, as a corporation, was the incorporation under the name of the Central Iowa Short Course association at a town meeting held here last night. The incorporation was made possible through the efforts of H. W. Jones, vice president; Merritt Greene, Jr., secretary. The corporation will hold a short course in Marshall county each year.

ATLANTIC—Special Examiner George Pennell, who had been in charge of the investigation of the books of the Board of Supervisors, upon an order of court, has been fined \$100 and sentenced to jail for a month. The charges against him are that he had been going the rounds having been proven to be a member of the board, simply on the order of one member; sometimes two warrants were issued for the board, and that the same claims were paid without action of the board; the action of the board was not recorded in the minutes in many instances; county officers were paid for extra work with but little foundation in fact. He was fined \$100 and sentenced to jail for a month, as much of the money has been returned to the treasurer. He condemned the practice of the method of doing business, and not the officials, though he said the method of doing business is the best that he knows of and that the board for several years would have been the most likely purchasers of the land for the purpose of 1904, and the present board was commended.

DRUNKEN-MAN SHOTS POLICE

Sixteen-Year-Old Son of Dead Officer Shoots and Wounds the Murderer.

FAYETTEVILLE, N. C., Feb. 24.—Chief of Police Benton of this city was shot dead in front of his home here today, just after the churches had been let out, by a negro, Sam Marchion, crazed with drink. This man also shot two negroes a few minutes before he shot the chief.

A year ago Chief of Police Chason and Policeman Lockamy were killed in a blind tiger raid and a third policeman was wounded. Tom Walker, who shot the policeman, was hanged on April 15. Marchion was captured an hour after the shooting today and placed in jail. He is suffering with a wound in the thigh inflicted by Chief Benton's 16-year-old son, who just after his father was shot seized the dead officer's pistol and pursued the murderer. A crowd gathered and tried to take Marchion from the officers and lynch him, but the prisoner was landed in a cell after a hard struggle.

Another shooting occurred tonight, when a drunken negro attacked several white boys and while resisting a policeman shot him, probably fatally. There is great excitement in the city and military companies are on duty by order of the governor.

BIG PARIS WATER MAIN BURSTS

Tulleries, Gardens Flooded and Center of the City is Cut Off from Water Supply.

PARIS, Feb. 24.—The main water pipe of Paris, under Tulleries street, burst this evening and converted the street into a torrent. Eventually the Tulleries Garden became a vast lake. The water flooded cellars in surrounding streets, extinguishing fires and stopping the dynamo in at least one large hotel, putting the building in darkness. The fire department was engaged for hours in pumping out water.

The broken main was patched and the flow stopped for a short time, but another break occurred late tonight, necessitating the calling out of more engines. The whole center of the town has been cut off from a water supply.

A cheerful disposition for ten cents per week. Sweet breath, no headache, no dullness, no blues. All that—and more—in a box of Cascarets.

Cascarets supply a natural need. They simply do what some foods will do; what fruits will do, if used in abundance; what exercise does. They cause the bowels, muscles to act. Their effect is as natural and gentle as the same effect from food.

If we lived out-doors, and ate whole wheat, green vegetables and fruits, we would never need Cascarets. But we don't exercise enough. We eat fine flour, much starch, and too little of fruit and green things. We live artificially, so we need an artificial laxative.

Cascarets give us, in concentrated form, one vital effect that we lack in rich food. Some people need them more frequently than others. It depends on your food, your drink and your exercise. But we all need them sometimes. The right way to take them is one Cascaret at a time. Take it just as soon as you need it. It can tell. Don't wait till night. Carry a box always with you. Ward off the dullness, the headaches. Keep yourself always at your best.

Cascarets are candy tablets. They are sold by all druggists, but never in bulk. Be sure to get the genuine, with CCC on every tablet. The price is 50 cents, 25 cents and 10 Cents per Box.

Machinists and woodworkers

Electric motors are particularly applicable for the operation of wood working tools, because such tools as a rule require high speed. Moderate or high speed motors allow the employment of the minimum quantity of belts and countershaft by connecting the tools direct to the motor.
