CHICAGO, Feb. 25.—Late today the automobiles entered in the New York to Paris race were still trying to reach Chicago. The leading car was the American, and it was at Chesterton, Ind., forty-one miles from this city, and making progress at the rate of one mile an hour.

MICHIGAN CITY, Ind., Feb. Z.—The American car in the automibile race from New York to Paris left this city at 1:45 o'clock this morning for Chicago and became stalled in an immense snow drift nine miles west of Michigan City late this afternoon. Teamsters who went out with it gave up in despair and returned to Michigan City. The crew temporarily abandoned the car and went to Chesterton, twelve miles west of here, for more men and horses.

TOLTDO, O., Feb. 25.—The last two of the automobiles in the New York to Paris endurance test crossed the western Ohio line today and are now hattling with snow drifts in northern Indiana. The French car Moto Bloc left Bryan, O., at 8 a. m. after spending the night there. The German are protos became stuck in the snow a few miles from Edgerton, O., last evening and a farmer towed it into town, where it remained until this morning. It followed closely after the French car in crossing the Ohio line.

The basket ball game played between the Omaha Kangaroos and the Omaha Commercial college team in the Young Men's Christian association symnasium Monday afternoon resulted in a score of 1s to 11 in favor of the Omaha Kangaroos. The game was fast and considerable rough play was noticeable. The Commercial players, although larger and older, were outclassed by the Kangaroo teamwork.

Fifteen-minute halves were played and by the Kangaroo teamwork.

Fifteen-minute balves were played, and at the end of the first half the score was 6 to 5 in favor of the collegians. The Yeung Men's Christian association boys, however, raced away from their opponents in the second half by their cool playing and skillful basket work. Defense of German Carp.

ASHLAND. Neb., Peb. 25.—(Special.)—
Superintendent O'Brien of the state Itaherles at South Bend has recently published
in a local paper a defense of the German
carp. He claims that the general impression that carp eat the young fish of other
varieties is entirely erroneous. Carp feed
almost entirely upon vegetable matter and
almost whoily off the bottom of streams
and lakes, and like all sucker-mouth fish
destroy large quantities of spawn. They
also root up the bottom and roll the water,
and in this way smother large quantities
of eggs. They also destroy moss and other club. | of eggs. They also destroy moss and other |

plant life on which young game fish feed. But Commissioner O'Brien does not believe they deserve all the condemnation that has been heaped upon them. Much of the decline in game fish found in many of our atreatms is due not so much to the presence of the carp as the fact that these streams have become dark and muddy through the constant cultivation of the lands adjoining the streams. In states where commercial fishing is permitted the earp is caught in large numbers and is of much connercial value. In 1990 the catch of carp in lilinois rivers was worth, according to government reports, the sum of \$135,900. In the same year the carp catch in Lake Eric netted the fishermen \$51,000 and in Pennsylvania over \$25,000 worth were taken.

BALL MAGNATES IN CONFERENCE Senson's Schedules Will Be Made and

NEW YORK, Feb. 13.—Major league base ball club owners and patrons will be particularly interested in the meetings of the big organization which will begin to-day and will occupy the greater part of this week. Today the national commission, consisting of Presidents Johnson and Pulliam of the American and National leagues, respectively, will hold a special session at which many matters of importance are to be discussed. This meeting will take place in the offices of the National league in the St. James building. The joint rules committee also meet here today while tomorrow and the two following days will be exvoted to the annual Rules Discussed. The joint rules committee also meet here today while tomorrow and the two following days will be exvoted to the annual schedule meating, at which playing dates for the coming season will be announced. It is generally understood that the number of conflicting dates in the schedules will be considerably less than in the five seasons and there will be no lack of harmony between the rival interests of the major league clubs.

Tomorrow the National league meeting will be convened at the Waldorf-Astoria and the American league will assemble at the Hotel Breslyn about three blocks down Broadway.

SEASON OPENS THE FIFTEENTH Middle of April for Western-Omaha

Begins at Des Moines.

According to the schedule of the Western league to be issued by President O'Neil this week, the season will consist of 150 games. The opening games will be played on April 15, two days earlier than last year. The schedule was drawn by George Tebeau of the Denver ciub and was adopted by the league at the Omaha annual meeting in case the circuit was not enlarged. The early opening was at first strongly opposed by Pa Rourke of Omaha, Ducky Holmes of Sloux City and Guy Green of Lincoln. They hung out for a long time for an opening about April 25. Tebeau won over the other magnates by producing the official attendance records for last season, showing there had been a greater average attendance before July 4 than for the remainder of the season. The Denverite claimed all of the clubs are apt to be in the fight for the flag up to the nation's birthday, while after that date the contest would be simmered down to two or three teams. He thought all the games that could be played before the Fourth of July the better the league would be off.

Shoux City will open the season at Lincoln, Omaha opens at Denver. Shoux City and Omaha will play but three or four games at home. The Sunday dates at Lincoln will be played in Omaha, Sloux City and Des Moines. Begins at Des Moines.

Umpires of the Western league who fall to produce a good excuse for missing assignments will be fined \$25 this season. They will have to submit a written explanation to the president of the club in the city to which he has been assigned detailing the reasons for his absence. INDOOR LAWN TENNIS PLAY

SPOKANE, Wash., Feb. 3.—(Special.)— F. G. Cook, director of the Spokane ar-mory Athletic association, has offered the Toung Men's Christian association basket ball team of Muscatine, ia., the choice of three dates—March 17, 18 and 19—to play Company H team on the former's tour of the northwest and the Pacific coast next month. The game will be played in the armory, which has accommodations for 5,000 spectators.

armory, which has accommodations for 5,000 spectators.

During their stay in Spokane the visitors will be entertained by the athletes of the city. The Muscatine team asked for a date with the five of the Young Men's Christian association early in the season, but were turned down by Physical Director Cowley, who was under the impression at the time they were professionals, making the tour for the money in it. It has been shown since then, however, that every man in the team is a registered athlete with the American Amateur union. The team is making a record this season, winning a majority of the games.

Director Cook says the local team is in ling a majority of the games.
Director Cook says the local team is in excellent condition and is expected to make a good showing. The five won a number of fast games over stronger teams and has a large number of wins to its credit.
