LOCALS OUTPLAYED IN FIRST HALF Change in the Lineup Puts More Ginger Into the Omahas in Second Half-Kangaroos Defeat the

Commercial College.

The league basket ball fives of the Omaha and Crete Young Men's Christian associations mixed in a very fast and exciting match Tuesday evening, and when the final whistle was blown the scoreboard indicated a victory for the locals, 45 to 21. Since their defeat by Des Moines last week the Omaha players have worked into fine shape and did very creditable team and basket work last night. The large crowd was enthusiastic and demonstrative at all times, and thoroughly enjoyed the

In the first half neither team scored for several minutes, but things livened up and the score stood 15 to 13 in favor of the visitors at the end of the half. Hansen of Omaha, who did some pretty passing and

Omaha, who did some pretty passing and scoring during the half, was removed from the game just before the intermission and Bowlby played the remainder of the first half.

In response to expert advice and popular clamor, Center Arnstein of the Kangaroos, who had starred in the preliminary match, was put in as center for Omaha in the second half. In spite of his previous hard work he did some marvelous playing and scered fourteen points altogether. Because of his performance he received no end of praise, as his entering the game braced up the other Omaha men and marked the turning point in the contest. Anderson and Captain Pierrou covered their opponents so well that neither of Crete's forwards scored once, while the former pair took part in lots of fast team work. Pjerrou also caged the ball twice, Center Craig and Guards Kersenbrock and Graham did Crete's scoring. The team work of the visitors was a prominent feature of the game, but they overdid it at times, using passing where basket throwing was possible. Denisch took Kersenbrock's place near the end of the match. L'neup

Wesin's team work and sure passing counted for much, but he seemed to have an off night with basket throwing. He often played to Cohn, Hansen or Arnstsin, mary:

CORNHUSKERS GET BAD DRUBBING Badgers Defeat Them at Basket Ball by Big Margin,

MADISON, Wis., March 4.—(Special Telegram.)—Nebraska proved no match for the Badgers here last night, being overwhelmed by a score of 41 to 4. The visitors falled to get a single field goal, due in a measure to the excellent defensive game put up by the Badger guards, Witt and Harper. Fortune was against Nebraska. Try as they might they were unable to get the ball to stay in the basket. During the first half of the game Wisconsir played hard, but later, with the game west in nand, they loafed. Stiehn was more than a match for Walsh, his opposing center, getting twelve field goals off him. Captain Rogers and Swenholt, the Hadger forwards, got four baskets apiece. Walsh scored all the points for his team on free throws. Nebraska played a clever game, but did not shoot for the basket enough Line-up.

£52 BRITT HAS BETTER OF THE FIGHT

Dane Has Him Going in Sixth, but is Unable to Finish It. LOS ANGELES, Cal. March 4.-Jimmy LOS ANGELES, Cal. March 4.—Jimmy Britt of San Francisco and Batting Nelson of Hedgeswich, Ill., fought ten rounds before the Pacific Athletic club in this city last night, with Britt a slight victor in point of blows landed, and Nelson somewhat the stronger at the close, but unable to overcome the cleveness of his opponent. The fight seemed ended in the sixth round, when Britt appeared to have received a knockout blow at Nelson's hands, but was saved by the gong.

Nelson showed to advantage in only three rounds, because of the telling blows landed when the men were spatring openly. The fight was by no means a

Northwest Slugger. Big Gus Thompson will not be seen in ar Omaha uniform this summer, for he has been traded by Pa Rourke for Ed Householder of the Pacific Northwest league. ting average of 347, made in 127 games played.

Under the present scheme Pa will play Householder in left field and keep King as utility man, the little one being good in the outfield and infield as well. This should materially strengthen the champions, as it gives another heavy litter in place of a pitcher who was an in and outer. Thompson being strong at times and still being a pitcher with whom the outcome of the game was in doubt until it was finished. He developed a bad habit of throwing wild to first on bunted balls. In the 127 games played Householder had a fielding average of 9 0, making 143 putouts, 17 assists and 5 errors. He played with Aberdeen last year.

This means the two great light-heavy-weight wrestlers will meet to decide supremacy in their class for the world. It his acquaintances.

There will be the most notable wrestling match

will be the most nolable wrestling match of late years and will doubtisse draw fans from many cities. Beell and Burns have beaten all comers in their class, but have themselves never met. Each has a wholesome regard for the other and yet each feels reasonably certain of winning. Betting will be about even.

Des Moines made a cash offer of \$2,000 for the match, but Manager Gillan easily outbid that city.

The coming of Frank Gotch to Omaha March 10 to meet Harry Bransfield of Australia will be an event om unusual interest and will serve to arouse the fans to a pitch of excitement where nothing short of the Burns-Beell match, a week later, will satisfy them. Gotch, many believe, is taking a long shot in meeting the man who is to traip Hackenschmidt, with whom Gotch is to try honors of the world next month at Chicago. But Gotch knows his bysiness. Maybe while he is letting the Australian learn some of his tactics he will be getting onto a few of Hack's curves through his trainer and a man who met and was not thrown by the Russian.

#### Sporting Gossip.

President O'Neill has gone to his Oak-It will soon be time for Honus Wagner to pull in his chicken ad and get down to business.

W. H. Watkins of Indianapolis says he wants his team to win the American association flag this year. Yes, but there's Columbus. There are fans who will tell you that the Giants have the National lengue pen-nant cinched now. But they get their mail in New York City.

Jack Haskell is enthusiastic over the umpire situation in the Western league. President O'Neill did a wise thing when he delegated to Jack authority to organize the staff.

Des Moines fans are jubliant over Charley Dexier as manager of the team this year.
It's a safe bet the Iowans will be in the race to the last. After the cessation of activities last year and with the zeal of the new management the team will doubtless be surcharged with vim and determination.

With old Joe Dolan as utility man, Pacertainly will have a line-up. That is precisely where Joe will do a vast amount of good work. He is in good condition, having put in an active winter at work and funting. Fans who have seen this old gladiator go the front in times of pinches when a hit meant a game and get the hit know that he should be reserved for just such pinches. Rourke displays the same judgment in placing him there that characterizes Franck Chance in keeping Artis Hofman for the job on the Cubs.

man for the job on the Cubs unable to overcome the cleverness of his opponent. The fight seemed ended in the sixth round, when Britt appeared to have received a knockout blow at Nelson's hands, but was saved by the gong.

Nelson showed to advantage in only three rounds, because of the telling blows landed when the men were spairing openly. The fight was by no means a savage affair, and at times the crowd howled at the men to fight.

Time after time Britt escaped the leads of the always coming Nelson, awaiting his opportunity to send in the hard lefts that finally tired the Dane and rendered it improbable that he would be able to land a knockout blow. In all, Nelson did not land over a dozen blows that figured in the result, while Britt, always giving ground, stepped out of range whenever possible and frequently straightened Nelson up with the left.

In conformity with the law, no decision was rendered.

Itching, disfiguring eruptions, rashes, boils, etc., as well as pimples, blackheads and rough, scaly skin, show the presence of some irritating humor in the blood. These acids and humors with which the blood is infected are being constantly thrown off through the pores and glands of the skin, and the fiesh is kept in an inflamed, diseased and unsightly condition. Nothing applied externally can change the condition of the blood or prevent the outflow of these burning acids; only constitutional treatment can do this. Washes, salves, lotions, etc., cannot reach the humor-laden blood, and are therefore useless, except for the temporary comfort and cleanliness they afford. The acid poison in the blood must be removed before a cure can be effected. S. S. S. is a real blood purifier, possessing all the requirements necessary to neutralize and remove the humors from the circulation. It completely eradicates every trace of impurity and restores this vital fluid to its natural healthy state. S. S. &S. cools the acid-heated blood so that instead of pouring out acrid matter on the skin, it feeds and nourishes it with health-sustaining properties, and then the eruptions and diseases of the skin pass away.
