Union Pacific Assures Commission Service Will Be Resumed—Hull Players Arrested at Sunday Game Are Discharged.

(From a Staff Correspondent.)
LINCOLN, March 6.—(Special.)—In a special report of the clothing fund in the Home for the Feeble Minded Youth at Beatrice, State Accountant Fairfield recommends to the board that an invoice be taken of the storeroom and one filed with the Board of Public Lands and Buildings and one at the institution, as the balance in the storeroom account exceeds the invoice in the storeroom at least ten times. This clothing fund is derived from the \$40 paid annually by parents, or in case of indigent inmates, by the counties from which they are sent to the institution. The balance on hand March 1 was \$5,523.98, of which the sewing room credit balance was

about \$1,000. Annual itemized reports are made to the parties paying in the \$40.
The report of the institution shows there are 42 inmates and thirty-eight employees and two officers. The balance in the maintenance fund March 4 amounted to \$2,847.77. This sum is to run the institution for the next thirteen months, and it is figured by the accountant that Superintendent Osborn will have about \$800 left over in this fund. Mr. Fairfield says the institution has not enough employees, that the accounts are kept in first class condition, the discipline excellent and harmony prevails among the inmates. Most of the groceries are bought from local retailers who bid for the business.
Branch Line Trains Restored.
The State Railway commission was today notified by Assistant General Freight Agent Lane of Union Pacific that the road will on Monday morning next restore its daily freight trains on branch lines in Nebraska. The trains were recently taken off and complaint was made to the commission by shippers on the lines that the curtailed service worked a hardship.
Hull Players Acquitted.
In the district court this evening William Holmes, former manager of the Lincoln base ball club, and the players of the Lincoln and Des Moines teams, were acquitted of the charge of Sabbath desecration by playing a game of ball here one Sunday last September. None of the defendants was in court. The acquittal of the players, while leaving the matter practically as it was before, is regarded by base ball devotees as opening the way for Sunday games in Lincoln the coming season.
Stay for Shawway.
E. M. Shawway, convicted of murder in Gage county and sentenced to be hanged on March 13, has appealed his case to the supreme court. His acts as a stay of execution until the court has passed on the case.
Assessors to Attend Meeting.
Secretary Bennett of the State Board of Assessment has received letters from forty-six assessors who say they are going to attend the meeting in Lincoln on March 10 to discuss the revenue law and get pointers about the new terminal tax law. Inasmuch as all of the assessors are new at the business and real estate has to be revalued this year, and the terminal tax law becomes effective for the first time, considerable importance attaches to the meeting.
Corn Show Commission Organizes.
The commission appointed last night to promote the national corn show to be held at Omaha next December met this morning and organized by the election of the following officers: William Ernst, Johnson county, president; E. A. Burnett, Lancaster, vice president; H. Hogg, second vice president; W. H. Meiler, treasurer; E. G. Montgomery, secretary. The commission will create interest among the corn raisers in Nebraska to get them to make exhibits.
Fire Escapes for Schools.
John J. Ryder, labor commissioner, went to University Place today to inspect the high school and Wesleyan university. As a result of the visit he will order once fire escapes on both institutions, as he found the means of escape in case of a fire are not sufficient. Tomorrow Colonel Ryder will inspect some of the schools in Lincoln.

LOOK AT OUR BIG DOUGLAS ST. WINDOW
In it you will see the largest display any Omaha store will present this season—but, bear in mind, the window contains but a small showing of our entire stock. You must come in the store to see what an Opening Display at the Good Clothes store means.

Good Results In Lung Trouble

MRS. VICTOR A. BEAUCAIRE

Mrs. Victor A. Beaucaire, a prominent club woman of Chicago, Ill., contracted a severe cold from being exposed in bad weather which resulted in serious lung trouble.
Mrs. Beaucaire, after taking several doses of Duffy's Pure Malt Whiskey, says it has helped her wonderfully, brought the color to her cheeks, and that she would not be without it.
She plays high tribute to the world's greatest tonic stimulant in the following letter:
"As I am a member of the Hull House Woman's Club, I was called out many times when the weather was very bad and so caught a very hard cough, and doctors claimed that my lungs were affected; in fact the left lung was almost gone, but since I have taken your valuable DUFFY'S PURE MALT WHISKEY, I feel better and would not do without it. I have not been taking it very long, but I am sure of good results; I have good color in my face and feel that I can work with a great deal more ambition. I cannot praise it too much. I have recommended it to several of my friends and they, too, are thankful for the benefit they have already derived from it." Mrs. Victor A. Beaucaire, 255 Ozden Ave., Chicago, Ill.
