**Have you ever
heard the name
FOSTER?**

If there is a woman in Omaha,
or Nebraska, for that matter, who
is not familiar with Foster, we are
prepared to acquaint her with the
leader of the shoe making world.
Foster and quality are synony-
mous. There is not a pair of shoes
made today that can compare with
those made by Foster and sold by
us (exclusive agents, by the way.)
They are the peer of anything in
the shoe world—form fitting, full
of style, built to wear—cost a
trifle more to be sure, but cheaper
in the end. We have a full line of
sizes and widths at

\$5.00—\$5.50—\$6.00

The Cost

Ten years ago when others
were charging \$2.50 for clean-
ing a suit of clothes we put
the price to \$1.50, and there
it has remained.

Although labor and material
have advanced 50 to 100 per
cent, improved methods and
labor saving machinery have
enabled us to maintain the
same old price.

When you want the best,
try us.
