## **DIAMONDS** ON CREDIT No Security **No Indorsement No Interest**

When you deal with MANDELBERG. If you are honest your credit is good with me. 1 am always ready to open a charge account with an honest person in any part of the city. Many persons get the impression that I extend the courtesies of a Charge Account only to those who are "well fixed" financially. As a matter of fact I do not concern myself about a person's wealth when extending credit, and any person can determine in advance whether his or her credit is good. If you can answer the following questions in the affirmative, your credit will certainly be as good with me as though you had unlimited wealth at your command.

a

## 1-Are you honest in your dealings. 2-Are you prudent in assuming obligations and prompt in paying them.

I make no distinction in opening Charge Accounts between men or women, old or young, the well-to-do employer or his honest employe. A greater part of our charge accounts are with persons having small incomes or earning moderate salaries, as well as people in all walks of business or professional life. Always remember that

A dollar or two a week will do.
