GAME MARKED BY GREAT BALL

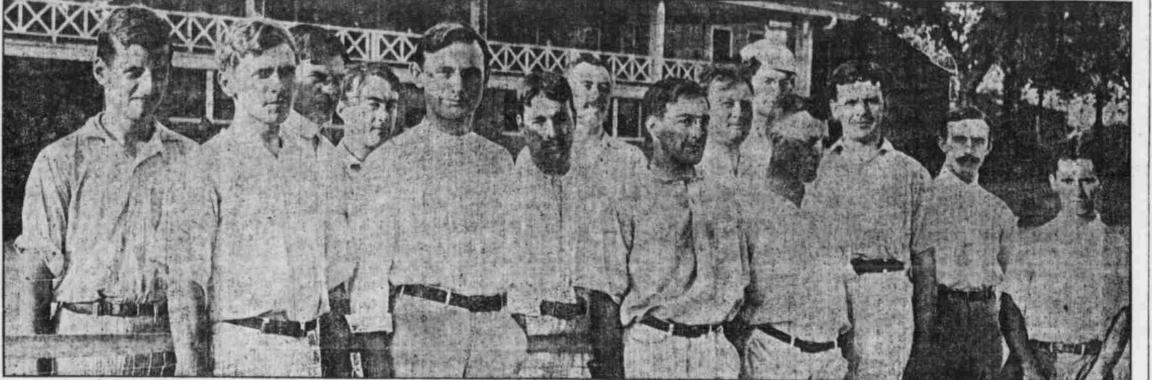

Hogriever and McLear Do Some Stunts Which Cel Omaha Of When Scores Seem Probable.

DES MOINES, Aug. 2 -- Playing uphill base ball, Edmundson growing stronger and harder to hit a sthe game progressed, Des Moines took the second of the series from Omaha by a score of 5 to 3. The game was marked by fast, close fielding on both sides. Hogriever pulled off some stellar stunts around third that cut the visitors out of both hits and runs. Omaha's scores came on a single by Austin, who stole second and went to third on a wild throw. Graham fanned, but Autrey bunted and beat it to first, scoring Austin. Gonding singled and Welch fouled out, but Thompson singled and so did Belden, scoring Autrey and Gonding." McLear picked Franck's drive off the fence and ended the inning. Gochnaur's single and a fumble that gave Edmundson a life, started things in the sixth for Des Moines. McLear reached first on the error, but was caught at second when McLaughlin reached first and Gochnaur scored. McLaughlin scored on Hogriever's fly to right. In the eighth Gochnaur and Edmundson both singled McLear fanned. McLaughlin reached t on an error and Hogriever singled, send Gochnaur across the plate. Edmundwas caught at the plate on Dext grounder to Franck, but a hard drive Andreas brought in two more scores. Sco

August 19 is the date set for the opening of the seventh annual tournament at the Omaha Field club for the Middle West Tennis championship, under the auspices of the United States Lawn Tennis association. The tournament will be an open affair for the championship of the middle west, in both gentlemen's doubles and singles. The winner of the singles will be called upon to play the present middle west champion, Walter T. Hayes of Toledo, In., and the winners of the doubles will be permitted to challenge the present champions, Kreigh Collins and C. S. Peters of Chicago. Never in the history of tennis in the west has there been manifested such in-

terest as is shown in the game in Omaha at present. In the city championship tournament, which was played last week on the Omaha Field club courts there were entries from over a dozen clubs from different sections of the city. The fact that some of the older players at the Field club were to win out in the tournament is no erion that there are no new players of d caliber, but rather is accounted for the fact the coming of new blood has used the older players to action and ed them to practice as they have never cticed before. It was not a case of -beens winning out, but simply a case some of the best players the west has r produced getting enthused over the ne and going in with a vim which would down. Conrad Young has always been ognized as a player of more than ordiy ability and with the cool head of a rough athlete and sportsman he in a d man to beat in any contest he enters. Country Club in Line.

he Country club has also taken up tenand where before there was one poor irt which was never in good enough pe for a match, there are now three irts which are kept in most excellent dition. R. T. Burns, as chairman of tennis committee, has had this work in arge, and right well has he performed task. One successful tournament has n played through and another is now on the club championship, thirty-two enes from the club showing the added inest in the game. The club members have nified their intention of practicing upon game that as large an entry list may be it from the Omaha Country club to the ddle West tuornament as possible.

t is well recognized that the Field club doing a great work for athletics, and ectally for tennis, by urging these ext players from different sections of the untry to compete in the Middle West urnament. Each crack has some distince style of his own which may be just the ng for some individual player, and it ill help his game wonderfully to take up at style of play. the visitors made one hit off C. Adams, that being a clean single into right by weed. Only twenty-nine men faced him in the after innings. Pat Bohannan started in the second game, but being unsteady, asked to be allowed to save himself for another time. When he went out in the fifth inning only two hits had been made.
