#### OMAHA OUTFIELDERS KEPT BUSY

Each of Them Get an Assist, Two of Them Cutting Off Runs at the Plate---Fox and Austin Also in the Game.

LINCOLN, Neb., Aug. 7 .- Lincoln and Ornaha played a twelve-inning tie game this afternoon. With heavy clouds rolling up from the west and the light fading, Umpire Haskell called it at the end of the twelfth with the score 1 to 1. It was a pitchers' battle in every sense of the yord, and while McKay had the most strike-outs and was the steadler of the we. Hall never lost his head and was especially strong in the pinches. Lincoln scored first in the second inning. Thomas was given his base on balls, went to secand on McKay's out and scored on Ketchem's single. In the sixth Fenion dropped Franck's fly after a hard run, the batter going to second, then to third on Autrey's out, and home on Welch's hit between first and second. After that there was nothing doing. Twice Lincoln had men on third with but one out, but each time the runner was retired at the plate on an attempt to score on an out-field fly. The infield play of Fox and Gagnier and great throws by Weich and Belden from the outfield were the features. A double header will

be played tomorrow.			1

Champs Wins from Sioux.

Champs Wins from Sioux.

DES MOINES, Ia., Aug. 7.—In a long, clow game, Des Moines won from Sioux City today by a score of 7 to 3. While the champs out-hit the visitors, the failure of Corbett and Waldorf to locate the plate was the chief cause of the Sioux defeat. Bases on balls were many and costly. Des Moines played a fast fielding game, true championship form, a good example being the second inning, when Sioux City made a two-base hit and two singles without a score. In this inning, Wilson, the Champ's new right fielder, distinguished himself with a throw into the plate to catch Nobiltt, It was one of the longest and truest throws of the season. Sloux City's scores came in the eighth, when Edmundson let down a bit and the Champs one error was made. Miller succeeded Edmundson and there was no more danger. The score:

## S.S. S. CURES CATARRH

Catarrh is not merely a disease of the mucous membranes and inner linings of the body as some of the symptoms would seem to indicate; it is a deep-seated blood disease, in which the entire circulation and the greater part of the system are involved. Like all other blood diseases, Catarrh comes from poisons and impurities accumulating in the circulation which irritate and inflame the tissues and mucous surfaces, and then the unpleasant symptoms of the disease are manifested. There is a ringing noise in the ears, a thin, watery discharge from the nostrils, filthy matter drops back into the throat, the breath has an offensive odor, and many other annoying and unpleasant symptoms are characteristic of the trouble. Sprays, washes, inhalations, etc., cannot reach the blood, and are therefore valuable only for the temporary relief they afford. To cure Catarrh the blood must be purified. Nothing equals S. S. S. for this purpose; it goes down into the circulation, removes the catarrhal matter, purifies the blood and makes a lasting cure. When S. S. S. has removed the cause, the blood being pure and healthy nourishes the membranes and tissues instead of irritating them with noxious matter, and the symptoms all pass away. Book on Catarrh and any medical advice free. THE SWIFT SPECIFIC CO., ATLANTA, GA.

Wind and Rain Prevent Good Scores

WESTERN GOLF CHAMPIONSHIP

In Opening Round.

CHICAGO, Aug. I.—With a fifty-mile gale whistling over the course, occasionally driving before it terrents of rain, sixty-three golfers started play over the Chicago Golf club links today in the thirty-six hole qualifying round for the western amateur golf champiouship. Worse weather conditions for a champion-ship contest could hardly be imagined. For a time early in the afternoon the wind blew almost a hurricane and the high scores turned in showed the effects of the game and rain. A score of 182 was good enough to qualify and the lowest score for the day was 160, the present title holder, D. E. Sawyer, W. I. Holland of Skokie and Kenneth Edwards of Midlothian tying at that figure. Sawyer's 74, made in the morning, the last six holes through the gale, was the best score of the day for eighteen holes and was remarkable golf under the conditions that prevalled.

Perfect Peace.

Merely to show that the Lincoln manager always has been a man of peace, and to suggest one reason why the president of a league is not inclined to take seriously any protest lodged by him, this from the Chicago inter Ocean may be of interest:

"George Mullin says that one of the most strenuous experiences in his life was his travels around the country with the Detroit team several years ago. At the time Detroit team several years ago. At the time Detroit had such men as Ducky Holmes, Jimmy Casey, Jimmy Barrett, Norman Elberfeld, Kid Gleason and others, who would as soon start a fight as steal a base. They were of that style of ball player who would say to another: "Well, if you don't take a punch at him I will."

"It seems that this aggregation, or one of it, put Muggsy McGraw out of business on one occasion, and, as events proved, it put the aggressive leader out of base ball for good as far as the playing end of it is concerned. Detroit was playing Baltimore at the most loved of ball players, was particularly cranky that day. Perfect Peace.

the latter city, and McGraw, who is not the most loved of ball players, was particularly cranky that day.

"He got Ducky Holmes worked up, and, as the Duck is no angel, he told the Baltimore crowd to look out. The second time Ducky came up McGraw told him to look out for himself if he got as far as third, and Holmes replied that he (McGraw) might be up against it himself. Ducky got a hit and on coming down to first made a dive, feet first, for Dan McGann, who quickly stepped out of the way.

"Ducky was cautioned going to second, as Jimmy Williams and Gilbert were well liked, but when he started for third on an infield play everybedy knew something was doing. McGraw did not move, and Holmes came in like a catapult, and, jumping high in the air, slid into Muggsy and struck him on the knee with both feet.

"Down went the Haltimore third baseman and when he came up he made a punch at Holmes, who retaliated, he hitting him a love tan on the jaw. Roger Bresnahan, who was in the outfield, and Joe Kelley came running in, but by the time they reached the infield the trouble was over and McGraw left the field, never to return again as a regular player. Bresnahan went to third, and the game proceeded."

OLD CY YOUNG STILL A WONDER

Veteran Pitcher Continues to Travel with the Best.

"Big Cy Young is as good as he ever was in his lite," says Dr. Erb, the club physician and surgeon of the Boston Americans. "I see no reason why he should not be one of the best for years to come. The boys tell me he has as much speed as he ever had in his life and that his curve breaks better than it ever did. The work he has done this season well attests the truth of what I say.

done this season well attests the truth of what I say.

"There is no club in the American league that has anything on him. He can fool the best of them, and they are all afraid of him. The club plays with all the confidence in the world when he is in the box, and generally plays a fine game behind him.

"Young is the steadlest pitcher there is in the box today. It is rare for him to issue a pass at any stage of the game. It makes one smile to read scores where pitchers lasue passes by the wholesale, sometimes going as high as double figures, and then note the fact that Young will average but one in two games. That's pitching for you, and that is the reason the grand old yeteran should be placed in a class by himself when all things are taken into consideration.

"With a good batting team behind him."

sideration.

"With a good batting team behind him it would be something rare for him to lose it would be something rare for him to lose. "With a good batting team behind him it would be something rare for him to lose a game. He not only has speed and curve, but he has a good slew ball. He can use the spit ball, too.
"Cy looks out for his own arm. No massage, no electricity, no rubbing for him—he attends to all that for himself. He is always in condition; he does not know what it is to have a sore arm, and he always puts heart and soul into his work.
"Of course he will strike a streak of bad luck occasionally. The best pitcher cannot prevent hits being bunched off him now and then, but take him day in and day out, and no pitcher will begin to have the record of Cy."—Ex.

Sporting Gossip. Omaha evidently has been nervous on

this trip. McGraw's new second baseman, Doyle, has been playing very fast ball. Miner Brown still continues to pitch the heartbreaking games—for the other team. Omaha is at Lincoln until Saturday, when the Rourkes return for a series with Pueblo.

The White Sox will have a nine-game series with Boston and then perhaps they may take the lead back. Cook still continues to hit the ball and run bases for Indianapolis. If he had a good wing he would be a corker. The Chicago goffers had a most strenuous time in the qualifying round, but golf is like foot ball, it goes on just the same. Elwert is back in the game after his in-jury from his collision with Austin. He was not laid up as long as was Zalusky from the effects of a similar bump. Puzzle in base ball: "The beginning of the end." Can you? Chance going to bat. Why not? Three times in a week he batted in the winning ruh in the ninth inning. The Cincinnati policeman who assaulted McGraw has been discharged from the Cincinnati force. It was admitted that McGraw used some of his usual hard language and that the officer labored under great provocation, but President Herrmann said he had no right to go to the extreme he did.

he did. he did.

If the Athletics make the finish that Jones expects they will pull off, it will be another case of one man doing wonders. Without Collins in the infield Mack's men did not figure to be in the hunt. When Jimmy played back to his old form at the third sack the whole team immediately took on a championship appearance that set the rest of the clubs woosy.

set the rest of the clubs woosy.

The American league team that goes up against Chance's team this fall for the diamond cuff buttons and the added glory will neet a different team from the one the Sox faced a year ago. That awful trimming was just what the Cubs needed to make them attend to business, and they will not go into this series with the idea that it is all over but the formality of playing it out.

Jennings does not believe in breaking up

playing it out.

Jennings does not believe in breaking up a winning combination, and, though Herman Schaefer is fit and ready to take his old position at second, he will be allowed to rest until the team's luck changes, and Downs will be allowed to continue at second base. Downs is not in the Dutchmen's class as a second baseman, yet he will be retained there unless things begin to break bad for the Tigers. to break bad for the Tigers.

As a sample of the bursing base hall frenzy now pervading Detroit the following is clipped from the Journal of that town:

"The wheels of the buss were certainly buszing throughout the contest. Two gentlemen of the cloth were deeply interested. When 'Wild William Donovan of the lucky cleut buttened up his sweater signar and meandered up to the plate some enthusiast yelled 'Sting it on the nose, Bill; chase it to first,' and one of the reverend gentlemen turned to the other and quietly whispered 'Amen.'"
