Pueblo, 6; Omaha, 4. Pueblo, 5; Omaha, 3.

The Pueblo braves came down from their caves in the mountains and took undue liberties with the Rourke family in spite of the fact that the weather was most sultry. They took two games and both were heartbreakers, as in each case the \$200 fans who were present thought they saw victory in sight, but in both instances, at the last minute, supposed victory was turned to defeat, the Puebs winning the first game by the score of 6 to 4 in ten innings and the last game by the score of 5 to 3 in seven innings.

The Puebs are an entirely different bunch of ball players from what they were on previous visits, as they have now real fighting blood in their veins, and chew back at the umptre in much the same fashion Des Moines did last year under the famous Mike. Fitzgerald was the principle offender in the first game but Brennan took his words and bluffs without a word. In the second game, on a close decision at third, eight players Denver rushed from the Pueblo bench and went on the run for Brennan. This did not fease the lengthy umpire, who went right at them in return, and when Fitzgerald Melchior, rf. ahowed signs of doing a little punching I. Beiden, lb. Brennan attached a fine of \$10 to him and Cornan, ss. yisits they were as tame as lambs, but Jackson, p. . . they are now fighters and are winning ball games.

featherweight champion, and Grover Hayes, the Chicago pugillst, have been matched to fight. They have been secured by the manager of the St. Joe Athletic club., of Fort Wayne, Ind., to meet in a ten-round bout on the night of August 20. Arrangements for the ten-round bout beon a base on balls, an error, a sacrifice tween Jack (Twin) Sullivan and Jim Flynn, the Pueblo, (Colo.) heavyweight, which is carded to be decided before the Denver Athletic club, on August 16, have been completed. The men are to fight for 60 per cent of the gross receipts, of which the winner is to receive 60 per cent and the loser 40. Sullivan has been wired his transportation both ways by the club. Tommy Burns, the heavyweight champion

has made the announcement that he will not fight again until this winter, no matter latter's bout with Joe Gans at Los Angeles, Parson Davies has arrived in San Fran-

While there he will try and arrange a twenty-round bout between Joe Rodgers, NEW YORK, Aug. 16-St. Louis won the local heavyweight, and Al Kaufmann, the first game of today's double-header the California scrapper, who intends to fight again this fall. His manager, Sam McClintock, has received an offer from the Milwaukee Athletic club, to match Hyland against Charley Neary, the Milwaukee fighter, for ten round, at a show to be brought off on Labor day. McClintock has wired the manager of the club that if he is willing to give Hyland the amount he asks he will cinch the match.

The fight fans in Los Angeles have given up hope of seeing Gunner Moir, the English scrapper, box in California. There was some hope that Moir would start for this country and box Tommy Burns, but Mc-Carey, manager of the Pacific Athletic club, does not seem to think that the match would draw well. Burns is willing to listen to Moir if suitable inducements are offered. but just at present there is no hope for Moir boxing on this side for some time to

### TO MERGE GRIDIRON EXPERTS

New Committee Seeks to Break Opposttion of Old One. NEW YORK, Aug. 10 .- Determined efforts

are being made to break down the opposition of Yale, Harvard, Princeton, Cornell, Chicago and Annapolis to the Intercollegiate Athletic Association of the United 0-6 States, the organization which was formed two years ago with the object of lessening the objections to foot ball that were raised at that time. At present Pennsylvania is the only one

of the big five eastern universities that is enrolled in the association. The foot ball committee, comprising representatives of Yale, Pennsylvania, Chicago, Harvard, Princeton, Annapolis and Cornell, dictated the rules of the game up to 1906. To avoid confusion the old committee and the new committee of the Intercollegiate Athletia Association of the United States comsolithe trouble that would have resulted with fa- two foot ball codes. But the management to said unsatisfactory, for the two committeex are obliged to consolidate each year. One-half of the committee represents serion universities and the other half the new association, made up of some sixty institutions from all parts of the coun-

The new body, while feeling conscious of is growing strength and not doubting its ultimate control of the football situation, acted with wisdom in not offending the members of the old committee, and made their entrance easy. It is felt the pland now under way will bring every important university in the country within this organization, and after the amendment of the foot ball rules will be an easy matter.

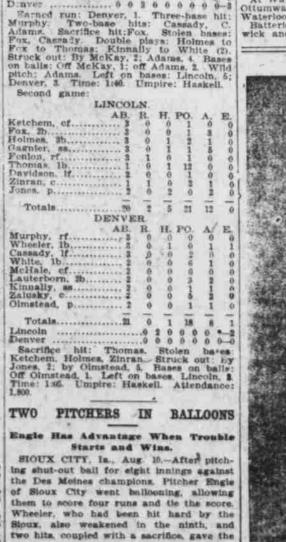

The plan for aligning the "big five" is given in the following by-laws of the Interoffegiate Athletic Association of the United States and which are to be submitted to the association at its next annual meeting:
