RAIN MARS THE CARNIVAL

Cuts Down the Attendance on the Closing Night.

FIVE THOUSAND PASS THE GATES

But for Rain Total Attendance Would Have Surpassed Last Year—Little Damage Done to the Exhibits.

The sixth annual street fair and carnival came to a close Saturday night, with the attendance somewhat diminished, owing to the rain. Despite the heavy storm, shortly before 6 o'clock, and indications of more rain during the night, over 5,000 people passed the gates last night. At 9:30 o'clock the rain sent many home, but the more venturesome remained to see the end of the week's festivities.

At Treasurer Van Brunt's office last night it was stated that the total attendance for the week would probably fall short about 1,000 of last year. But for the rain it is believed the attendance last night would have reached the 10,000 mark, and then last year's record would have been beaten.

The heavy rain and wind in the early part of the evening caused many to close their booths in a hurry and but little damage was done to the exhibits. Two pianos used in the shows were badly soaked, it was said, but this was practically all the damage.

The Street Fair and Carnival company, under whose auspices the street fair has been given the last four years, announced yesterday that this would be the last carnival given under its management. The annual street fair and carnival has, however, apparently become such an established institution that it is likely some fraternal organization or other body will take hold and see to it that Council Bluffs has its annual festivities next year.

BOARDS TO FIX THE TAX LEVY

Valuation of Property Slightly Larger Than Last Year.

The Board of Supervisors, when it meets Monday for the September session, will be called upon to fix the tax levy for the ensuing year. Securities Found in Umbrella.

Mrs. Benninghoff, a recent arrival in this city from Okeola, Ia., appeared at police headquarters yesterday afternoon in a great state of excitement. To Sergeant O'Neil she reported having lost a small package containing \$1,600 in negotiable notes and certificates of deposit and \$35 in currency. She was not certain whether she had dropped the package or whether a member of the light infantry fraternity had stolen it. Before going to police headquarters Mrs. Benninghoff had taken steps to have payment of the certificates of deposit stopped. Sergeant O'Neil took down a list of the missing securities and did all he could to console Mrs. Benninghoff when the latter was suddenly seized with an inspiration. Opening the umbrella which she carried, the missing package dropped to the floor. Needless to say Mrs. Benninghoff felt the

Dr. Liebig, the famous German Chemist, says that beer is "liquid bread." By this he means that beer is a food—full of life-giving, health-sustaining qualities.

The value of beer as a food is becoming well known, and it is now used by many who have hitherto looked upon it as a beverage only.

Pabst Blue Ribbon

The Beer of Quality

is the most nourishing of all beers—because it contains every particle of the healthful, wholesome nutriment of the malt and all the tonic properties of the hops from which it is made.

The Pabst Eight-Day Malting Process follows nature by slowly transforming the substance of the barley into pure, nutritious food. The quality of the materials used and the Pabst method of brewing make Pabst Blue Ribbon not only a pure beer, but a healthful, tissue-building, muscle-building, life-giving, "liquid bread." Drink Pabst Blue Ribbon, and you put health and strength into your system.

When ordering beer, ask for Pabst Blue Ribbon.

Grand Floor Offices...

are scarce, especially in the center of the business district of Omaha. This fact is an indication of the growth of the city, as well as the volume of business which is being transacted. R. C. Peters & Co. were compelled to move into larger quarters and because we could not give them more space they rented elsewhere.

IS YOUR BUSINESS GROWING? Don't you want to be on the ground floor? Here is an opportunity to rent space that will please you and give you a chance to increase the volume of your business.

The Bee Building

offers for rent one room 16-6x10-6 and another 19-10x25-10 on the 17th street side of the building on the ground floor. There is a large vault in connection with these rooms and they can be rented as one large room or divided.

On the Sixth floor we have for rent three rooms facing 17th street and three rooms which are nicely arranged on the court.

On the Fifth floor is a suite of two offices, 22x20 and 7x20, with good light. There is a vault in the larger of these rooms.

We have other rooms for rent and would be pleased to have you call and let us show you through the building.

Remember you do not have to pay extra for light, water, heat nor janitor service here as it all goes free.
