

ORDER FROM POPE

Encyclical of Pius X Would Check Growing Liberalism.

TIGHT REIN ON FREE THOUGHT

Says Modernism is Synthesis of All Heresy.

PROFESSORS ARE TO BE REMOVED

Modernists Will Not Be Allowed to Teach in Catholic Schools.

CENSORSHIP UPON ALL READING

Committee in Each Diocese to Pass Upon Books and Papers That Clergy and Faithful May Read.

ROME, Sept. 16.—The Osservatore Romano, organ of the Vatican, today issued an important encyclical of Pope X on "modernism," which really is a completion of his recent syllabus. The document sets forth that modernism is a serious danger to the church, refers in detail to the various features of modernism, condemns it as dangerous in philosophy, faith, theology, history, criticism and reforms, and arrives at the conclusion that modernism is a synthesis of all heresy and must logically lead to atheism. The encyclical makes the following provisions: 1. The teaching of philosophy, positive theology, etc., is to be carried on in the church schools and universities, but in a Catholic spirit. 2. Modernists are to be removed from professorships and the direction of educational institutions. 3. The clergy and faithful are not to be allowed to read modernist publications. 4. A committee of censorship is to be established in every diocese to pass upon the publications which the clergy and faithful shall be permitted to read. 5. The encyclical of the late Pope Leo XIII prohibiting the clergy from assuming the direction of publications without their bishops' permission, and providing for supervision of the work of ecclesiastical writers, is confirmed. 6. Ecclesiastical congresses except, on rare occasions are to be constituted in every diocese to combat modern errors.

OTTAWA, Ont., Sept. 16.—Hon. Frank Oliver, minister of the interior, received a telegram from A. S. Munro, health officer at Vancouver, stating that of the 500 Hindus who arrived by the Montague there are twenty-five old and sick men who will be deported. None of them are destitute. They have about \$25,000 in the party. At present they are living in tents, but express their intention of building houses.

BARON KOMURA SEES EARL GREY.

LONDON, Sept. 16.—Baron Komura, the Japanese ambassador to Great Britain, who has just returned to London after an absence in the country, called on Sir Edward Grey at the Foreign office this afternoon and discussed the anti-racial disturbances at Vancouver. The ambassador took with him long dispatches which he received from the Japanese consuls at Vancouver and Ottawa, and it is understood that the foreign secretary has been deeply impressed by the fact that the Japanese had the greatest confidence that the Canadians would punish those who were responsible for the attacks on the Japanese and was satisfied with the steps in that direction already taken.

RAILROAD FIGHT IN KANSAS

Commission Prepares Bill Reducing Freight Rates About One-Third.

TOPEKA, Kan., Sept. 16.—The State Board of Railway Commissioners has prepared a tariff sheet providing a reduction in freight rates of about 33 1/2 per cent which it will present to the legislature at a special session it called. Governor Hoch has practically said he will call a special session if the roads do not grant the rate reduction. This puts the question squarely up to the railroads of either granting the 3-cent fare without a special session or of facing a fight for freight reductions. Chairman G. W. Kanavel says the board has been working for some months on the new distance tariff rates and has figured so that an investigation could be quickly made.

Whitmore, grand patriarch, and Miss Rose Whiting, grand matron of the Rebekah assembly of Minnesota.

CASSIE CHADWICK IS BLIND

Prisoner Collapses and It is Believed She Will Refuse to Serve Sentence.

COLUMBUS, O., Sept. 16.—Mrs. Cassie M. Chadwick, noted witch of finance, who, posing as Andrew Carnegie's natural daughter, swindled Ohio and eastern banks and capitalists out of \$1,000,000, was stricken with a nervous collapse at the penitentiary today, which has left her blind. Her condition is serious and it is the opinion of the prison physicians that she will never live to serve out her ten years' sentence, two years of which she has now completed.

W. E. TIPTON RESIGNS.

MITCHELL, S. D., Sept. 16.—(Special.)—W. E. Tipton, who has held the position of secretary of the State Board of Charities and Corrections since its organization, has resigned the place and his resignation was just accepted by the board. He tendered his resignation a month ago, but Mr. Tipton continued to perform the duties of the place until the resignation was accepted. This was done this week at a meeting of the board and they appointed W. H. King editor of the Parker Press. Mr. King's appointment is one that is satisfactory to the new state administration and is an especial favorite of the governor. King's resignation was the result of the insurgent republican cause during the last campaign. Mr. Tipton did not have any particular excuse to offer for his resignation, other than that he desired to be relieved of the clerical duties of the board, of which he still remains a member. In his work as secretary of the board Mr. Tipton has looked after the interests of the state with great fidelity and through his efforts has been able to save considerable money in the making of contracts for the state institutions. Monday morning Mr. Tipton leaves for Chicago for a conference with President Earling of the Chicago, Milwaukee & St. Paul road, concerning the occupancy of some state land by the company in Sioux Falls.

INDIAN IS BOUND OVER.

LANDER, Wyo., Sept. 16.—(Special.)—Damon Willow, a full blood Arapahoe Indian, was bound over to the United States court at the conclusion of his hearing Tuesday evening before United States Commissioner W. E. Hardin. He is charged with having secured whiskey for a number of his fellow braves, contrary to the federal statutes. He was unable to furnish the required \$200 bond, and was probably to be held in jail until the November term of court at Cheyenne. James De Witt, a white saloon keeper at Riverton, was also bound over under \$700 bonds, on a charge of selling whiskey to the Indians. The deputy United States marshal has been looking pretty closely after this class of offenders lately on account of the many cases of drunkenness among the Indians around the new towns that have sprung up in the last year or two on the ceded portion of the Shoshone reservation.

AGED SIOUX CHIEF DIES.

SIOUX FALLS, S. D., Sept. 16.—(Special.)—The death is reported to have occurred of an aged Indian and former chief named Maza Wakute, who, from the time he was a young man had been prominently identified with his tribe and was in many ways connected with the history of the Siamese-Sioux tribe. His funeral was one of the most remarkable ever held by the Siamese-Sioux Indians, practically every member of the tribe attending and thus paying a last tribute to the dead chieftain, who was 85 years old by Indian count.
