

You will find in our store a collection of  
**SCARFS, MUFFS AND JACKETS**  
 of a character never before shown in Omaha

The care and taste shown in the designing—the skill displayed in the manufacture, the nicety of finish will appeal to you

“Character” furs from the factory cost no more than “common” furs from the retailer—We carry an immense stock of skins and make a specialty of made-to-order garments. An Aulabaugh garment will fit you and they are high-grade, exclusive and economical.
