TEDDY BEARS GENEROUS WITH ERRORS

Ragan Relieves Thompson, Who Is Wild, and Helps Win His Game with a Home Run with Three Men on Bases.

DENVER, Colo., May 16-Five unearned runs in the first laning gave Omaha today's game beyond question. The Denver players bunched four errors in this inning. together with two bases on balls and two hits, and that told it. Denver made three runs off four hits from Thompson in the tast half of the first, and in the second, when Thompson disclosed a propensity for given bases on balls, he was displaced by Ragan. The latter came up in the third in ning, with three men on bases, and drove out a home run. In the seventh inning the Omaha batters got after Wright and he went to the club house, Palge taking his place. Graham did some grand fielding. Two of Autrey's errors came in the minth inning, he dropping two thrown balls, which would have put out the last man if held. The score:

Sloux Take Revenge. LINCOLN, May 16.—Sloux City got revenge for the three recent drubbings on its home grounds by walloping Lincoln to a nicety this afternoon. The score was 8 to 1. Up to the seventh inning it was a pretty fight between Pitchers Johnny Jones and Napoleon Newlin. Then the visitors began slamming the ball and the Lincoln infielders booted it when it came near them. Once the ice was broken Jones was pounded hard. A rainstorm delayed the game half an hour. Score:

Champs Outplayed and Outbatted.

PUEBLO, May 16—Fitzgerald was in great form today and the Indians had no trouble in taking the opening game of the series with the Champions by a score of 8 to 2. Fitzgerald was given great support, sensational at times, and the visitors were outplayed from start to finish. Singles by Cook and Tonneman, a base on balls and Gochnaur's error gave the Indians two runs in the first inning.

In the third Hogriever walked, stole second and scored on Schipke's single.

Singles by Corhan and Ryan, and Mclaughlin's error gave the locals one in the fourth, while a single by Melchlor and a sacrifice netted another in the fifth.

Yeager's single followed by McLaughlin's three-bagger gave the Champions one in the seventh, while the locals cinched matters in the eighth by bunching two singles, two two-baggers and a sacrifice, which brought four runs.

The fielding of Cook, aside from the pitching of Fitzgerald, was the feature of the game. Score:

White Loaned to Oklahoma City.

Billy White, the fast little utility man of the Omaha team, has been loaned by Manager Rourke to Oklahoma City, subject to recall if needed. White was bought by Rourke from Webb City and good money was paid for him. He came up to expectations, but the difficulty was that Rourse and Captain Franck liked the work of Graham a little better and he was given the position at second. Graham was secured by Pa from Grand Island last fall. He went to his old home, and that of ball players, to look over Ryan, of whom he had heard so much, and while there saw Graham and immediately became infatuated. Graham was bought and bids fair to be one of the sensations of the league this year, if he ever learns to bat. White made good fully and is a valuable man. White Loaned to Oklahoma City.

Bellevue Claims Pennant

PERU, Neb., May 18—(Special Telegram.)

When the Bellevue college team arrived in Lincoln yesterday morning for its annual game with Wesleyan university it was greeted with the information that the Wesleyan team had disbanded and no game was in sight. It appears that some difficulty had arisen in regard to professionalism and the team disbanded on short notice, although all the players were in school and eligible. Bellevue so far this season has not lost a scheduled game and bids fair to come in at the finish in the same position it occupied last fall in foot ball—at the top of the list. Today Bellevue will meet Peru for the second game of the season and whether it wins or loses no question can be raised as to the rightful position of the pennant. Bellevue Claims Pennant.

MACK REVEALS SOX'S POWER Connie Says Catcher Sullivan is the

Winning Director.

Winning Director.

The manner in which the world's champion White Sox have been winning games has caused the base ball world to sit up and take notice and incidentally ask: "How do they do it?"

Almost every authority on base ball in the country will concede that Jones has one of the weakest hitling teams in the big leagues, and the clo base ball saying, "It takes hits to win games," has not apparently been relegated to the background. It is a great fielding team, to be sure, but that will not get runs across the plate. Comie Mack, however, believes that he has found the reason. This is what Comie has to say:

"I believe the secret lies in the work of Billy Sullivan, the catcher. He is undoubedly the greatest catcher of the present time, and it is the inside workings of the teams, practically captained and pulled off, hy him, that prevents those teams that get ten and twelve hits getting more than two runs. The Sox nave won the majority of their games by close ascores, but if they continue to keep up the gait they are going it will be an extremely hard matter for any of the teams in this league to get to the front. And I think that Sully has more to do with it than any other one player on the team."

This is very good logic. A catcher can do much during a game to keep the team playing great ball all the time or to allow the team to, go to pieces simply by a little oversight. The inside of the game is seidom seen and understood by the spectators, but it is going on all of the time, and the slips that come are mostly laid at the feet of the catcher, for he is the man that is in control of the team on this inside playing.
