Sionx Are Shut Out.

LINCOLN, May 17.—Sloux City was shut out today by the good pitching of McKay. The tail Texan had all kinds of shoots and outshoots, good speed, and the fielding behind him was fast and at times sensational. Lincoln won, 4 to 0. Fitcher Hail was all right until Thomas got his home run hit in the sixth; then he gave up heart and was put out of the game for disputing with the umpire. Score:

TOWNSEND RETAINS THE TROPHY

Three Birds to the Good in Match with George Rodgers.

Wfl. D. Townsend successfully defended the Thorpe trophy against the challenge of George Rogers at the Townsend Gun club grounds at the east end of the Omaha bridge Friday afternoon. Townsend did some spiendid shooting, especially in his last fifty birds. The match was with the sliding handicap from sixteen to twenty-one yards, and was interesting all the way through, Rogers being one bird ahead at the end of the first fifty targets. Goodscores were also made in the practice shoot, Frank Crabili, the old war horse at the traps, has declared he will take the Thorpe trophy to Council Bluffs "if it takes all summer." To that end Crabili is daily practicing and will soon issue a challenge. Score for challenge match:

DESORIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture restating qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$5, per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented. We will allow a cash discount of 5 per cent (thereby making the price \$8.55 per pair if you send YULL CASH WITH ORDER and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal poincure closers on full paid orders (these metal puncture closers to be used in case of intentional Entife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride casier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you or send us a small trial Seventy-five Thousand pairs seld last year.
