Right up The Maple Leaf from Omaha, two hundred miles or more. There is a lake with crystal waters bright, with sandy beach and wooded shore. Clear Lake the name the Indians gave to nature's peerless work of art; it's full of fish, and man's delight to catch its pike and pickerel bass and carp.

Shoeing the Boy...

The "Good enough for the boy" idea in buying shoes is poor policy. The Best in shoes is none to good for the boy. They give their shoes harder wear than a man does, and it is a waste of time to buy them poor shoes.

If our kind of boys shoes cost a trifle more than the ordinary kind, they are worth it, and we guarantee every pair to be satisfactory.

Boys' sizes 2½ to 5½ for... **\$2.50**
 Youth's sizes 1 to 3 for... **\$2.25**
 Little Gents sizes 1½ to 2½ for **\$2.**
