DUNDEE

For the following REASONS:

DUNDEE is an incorporated village, having its own government, and is not in the city of
Omaha.
DUNDEE is reached by the West Farnam car line and has an eight minute car service.
DUNDEE is reached by paved street, Dodge street running along the south side of the
village.
DUNDEE has city water, gas and electric light furnished by the same plants which sup-
ply Omaha and South Omaha.
DUNDEE has stone sidewalks and rows of beautiful uniform shade trees.
DUNDEE'S public school took the first premium at the Nebraska State Fair in 1906 for
the best educational exhibit and architectural plan of the building.
DUNDEE residents have no Omaha taxes to pay. The village is economically managed by
a board of trustees and taxes are low.
DUNDEE has building restrictions covering a greater part of the village with minimum
limit of cost \$2,500.
DUNDEE is reached by passing through Omaha's best residence district.
DUNDEE built thirty houses in 1906 and the houses are largely occupied by their owners.
DUNDEE has no saloon and there is no saloon near the village limits.
DUNDEE will soon have a fine golf and country club.
DUNDEE'S improvements west of 21st street will cost during the year 1907 over \$100,000.

**THE
WEDDING DINNER**

I will serve your wedding dinner for you and will
take all of the work of your hands. If you desire,
I furnish all the material for the dinner, cook it
and bring my own trained maids to serve it.
At the time when you have so much to do, it is
worth while to have some one else take this
responsibility and to know that everything will be
just as you wish it without giving the matter a
moment's thought yourself. The expense will be
hardly more than if you did it yourself.
