'Who Laughs Last, Laughs Best."

Only a short time ago the man who purchased lots at Atlantic City was laughed at. Today every one knows that the people who DID NOT PURCHASE are kicking themselves for their lack of foresight. LONG BEACH, the newer, better and bigger Atlantic City—LONG BEACH, only a miles from New York City—is now under way. It has all the natural advantages the older city has and in several strong points can go it "one better." If you have \$150 to invest, and can pay \$30 or \$40 monthly, we can put you in the way of a fortune. Some people will laugh at you, perhaps, but some time within the next two or three years you'll be doing the laughing and the other fellow will be wanting to kick himself.

If you are interested, write for full particulars at once. Everything open and above board. Easily investigated.
