Bed Men' on War Path-A campaign is being conducted by members of Tribe No. 18. Independent Order of Red Men, to secure a class of 100 for the next initiation to be held soon. A committee of twenty-five members has been appointed to nase on the avalifications of applicants in order to facilitate the work. Colonel J. G. Albright is in charge of the canvasa for candidates.

Come Back and Get the Ropes-Carl Reiter was a sufferer on the Fourth to the extent of losing a fine red hammook which he left suspended in the back yard of his home at 714 North Nineteenth street. Sneak thieves out down the hammock and carried it off. Reiter says the thief should come back and get the ropes for the hammock, as they are of no service to him

Bitten by a Dog-Louis Dodge, the 10yeur-old son of Mrs. Dodge living in the Utopia, Eighteenth and Davenport streets, was bitten in the arm by a dog Friday morning. The boy is not in a serious condition, but the wound received is of such a nature that the dog's head will be sent to Chicago for examination by the Pasteur institute. The dog was owned by Mr. Anderson, Twenty-first and Burt

Ostrom Gets a Bump-The escape of the gas bag from the airship at a local park Thursday was the direct cause of painful injury to Henry Ostrom, the new clerk of the county board. Ostrom is a base ball enthusiast and was out in front of his house catching burners thrown by a neighbor. His wife called his attention to the gas bag floating in the sky and he "rubbered." Just then his friend sent a low scorcher toward him and, as he was watching the balloon, he missed it and It struck him on the shin causing a bad ruise. He was at the office Fruiday, but walked with a slight limp.

Bussian Sympathy Meeting-Judge Suton, chairman of the committee appointed Russian sympathisers, has announced a meeting of the committee at the Commercial club Saturday, July 13, at lunch. The date of the mass meeting will be decided upon at that time. The co consists of Judge Sutton, Rabbi Cohn, Judge Kennedy and Dean Beecher. The Central Labor union will be asked to send a representative to the meeting of the committee and to join in the mass meeting and several other representative citizens will also be invited to attend.

Van Morn Gots Good Place-Word has been received in this city of the appointment of Mr. Frank B. Van Horn, son of Milo M. Van Horn, to the position of first assistant to Chief Hays of the United Brates Geological Survey at Washington, D. C. Mr. Van Horn was graduated from Omaha High school, after which he pursued his studies at the University of Wisconsin. After field work in Missouri he became assistant state geologist of Illinois. Mr. Van Horn went to Washington June 1 to take up his new work. During the summer absence of Chief Hays he is acting chief geolo-

Blame is Laid on Wally-On the ground John Wally, the motorman killed last spring in a collision on Thirteenth street between a street car and a Union Pacific switch train, met death as a result of his own negligence and not that of the street rallway company, a motion has been made in Judge Day's court to dismiss the case rallway company. Wally jumped from his own car which was struck by the train bank. He grew suspicious of the bank and onto the track in front of another street car coming from the other direction. This drew his deposit in the form of gold, and Ralph Breckenriege, attorney for the then buried it again in tomato cans. Two street railway company, claims constituted negligence on his part. The motion was found he had \$9,300. The hearing will not argued Friday morning, court convening at be concluded until Mrs. Sweeney, who is in o'clock in order to save time.

Omaha Dealers Get a Hearing on Their Complaint.

INTERSTATE COMMISSION INQUIRY

Tariff of Two Years Ago Has Been Raised Nine Cents and the Local Jobbers Seek Relief.

The complaint was dismissed without prejudice by the complainants.

Luther M. Walter of Washington, ex aminer for the Interstate Commerce commission, is hearing to evidence in the case Omaha and the Official and Western Freight Classification commissions, C. W. Elmer of New York is the official reporter C. E. Gill of New York, chairman of the Official Classification committee of all the eastern roads; F. O. Becker of Chicago, chairman of the western classification comnittee, with M. L. Bell of Chicago, representing the interests of the Chicago, Rock Island & Pacific; William Ellis, attorney Chicago, Milwaukee & St. Paul, from St. Paul; O. E. Butterfield of New York. representing the New York Central line; W. McHugh of Omaha, representing the Great Western, and J. E. Kelby, representing the Chicago, Burlington & Quincy interests, are among the attorneys appearing in the case. Commissioner J. M. Guild of the Omaha Commercial club is acting in an advisory capacity for the Omaha wall paper territory. The day was hot. We got into

Crux of the Complaint. The wall paper men hold that the freight rates on wall paper are unjustly high as compared to other commodities and that it should not exceed fifth class rates, particularly in car lots, and that their complaint is based wholly upon the car lot

Mr. Butterfield of New York, representing the New York Central lines said the relation of car load lots and less than car load lots is vital to western classification, state. An iron bound contract goes with and he could not see how it would be possible to split the two. The wall paper people contend that wall paper can and should the employer to whom the secret has been be carried as sixth class matter in car lots, sold. It the brothers find any violation of but if in less than car lots it should not be

T. J. Baird of Omaha told of the discrimination in the classification of wall prairie dog holes to dodge, as well as your paper and that the present rate from New York was 72 cents per bundred pounds on buffale also is likely to make a sudden NEW LINE THROUGH OREGON wall paper. Writing and wrapping paper, turn on you, and then you've got to keep as well as book papers, are put in a lower busy from going off your horse sideways classification than wall paper and the rate or head on. is proportionately lower. These papers are more valuable than wall papers, though had to run for it and were fully ten miles shipped at a lower tariff rate. The rate on from the wagon camp. The rest of the The Southern Pacific is soon to have a wall paper from Chicago to Omaha is 32 herd had got across the Smoky Hill river new and greatly improved route for half cents, while that on wrapping paper is 23 in the meanwhile, and so to case up on the distance between San Francisco and cents, and other papers but 27 cents. He matters we concluded to quarter the cow Portland as soon as the Oregon Eastern knew of no reason why the wall paper rate and pack the quarters back to camp on railroad is completed. This is but a should be higher. Wall papers were easier our horses. Wade's horse being the heavier sample of the heroic scale on which the to handle and required less care in handling of the two, we decided to pack the hind Harriman lines are being rebuilt in the in transit. Book paper, which is transported quarters on him, and the fore quarters on west under the Harriman regime. In place at the M-cent rate, is about 25 per cent more of the present heavy grades of the Shasta valuable than wall paper. Mr. Baird also route through the Siskiyou mountains a said: "A rate was made by all the raffroads from Chicago to Omaha in 1906 and 1906 at less than the classification rate and ent line and forty miles shorter. This we even offered rates less than what we got one of the quarters tied on securely, means the locomotives now at work will were paying on the fourth class rate, under which classification wall paper comes. This pony got scared and started to run, but I rate was made us by all the railroad companies during the shipping seasons of both

> Butterfield Cross-Examines. Mr. Baird was subjected to a rigid, technical cross-examination by Mr. Butterfield upon all technical points involved in the complaint. Inquiry was also made the quick sands in the river and had a into his business, its extent, and profits, hard time getting out. By that time Wade's grades and for which he sold them.

> Friday afternoon, with Mr. Yetter on the stand, it was developed that the rall- abandon most of our meat and hoof it back road companies after taking off the rebates two years ago delivered wall paper in Omaha at 23 cents and continued to do a failure wholly. But we had to do a lot to far two years, and, that doing so then, Mr. Yetter was of the opinion that they to pay for his horse. It was reported unought to be able to do so now, instead of charging the recent Chicago rate of 32 cents. The wall paper men are willing to compromise on a 27-cent rate from

Chicago, The inquiry before the Interstate Commerce commission relates more particularly to the classification prevailing west of the Mississippi river, and known as the western classification.

PAVING WILL YET BE DONE City Engineer's Office is Pushing the Slow Contractors with All
