\$200 TO \$600 LOTS

We were very fortunate to make a good deal for ill lots in Briggs Place, as you may have read in the news items last week. Cheap lots handy to the Farnam car line are scarce and we venture the statement that no such bunch of lots within 12 mln utes ride of the heart of Omana on the Farnam car line can ever again be bought at the price we are going to put these or the market at. These lots are scattered but there are some bunches suitable for prople who want two or three lots together. people who want two or three lots together. They face on Harney, Farnam, Douglas, Dodge, Capitol Ave. and Davenport Sts. and extend from 42d to 48th St., near Dundee. Some are on grade, some high, some low; all kinds. A great many have city water, sewer, gas and permanent walks, and yet we are going to sell them at an average price of \$300.

Our plats giving location of the 121 lots, with prices and also every house in the addition will be rendy about Wednesday. Don't hurry us; that is the best we can do. If you will leave your name and address we will mail you one as soon as they are ready.
