MURDER SOLVES HIS PROBLEM

Milwaukee Man Kills Wife and Then Shoots Himself.

LIFE WITHOUT LOVE IMPOSSIBLE

Met His Admirer on Train and Found His Family Relations Unbearable Afterward—Full Confession.

MILWAUKEE, Wis., March 20.—George Willoughby, manager of the Jewett & Sherman company, coffee and spice mills, early today shot and killed his wife at their home on Prospect avenue. Willoughby then shot himself and is not expected to recover. Willoughby confessed to the police that he had committed the

murder because he was infatuated with another woman whom he had been supporting for four years. Mr. and Mrs. Willoughby last evening had attended a social at the Park Place Methodist Episcopal church, where both were prominent workers. Mr. Willoughby also taught a Sunday school class. After the social they visited his brother, Leroy Willoughby, and returned home. There a quarrel followed, after which both retired. While Mrs. Willoughby was asleep he chloroformed her and then shot her behind the left ear, causing instant death. He then shot himself. Willoughby made the confession while he lay in bed and in the presence of Dr. Charles H. Lemon and Detective Dennis Sullivan and a nurse. At first he denied he had shot his wife, but when the police showed him that the burglar theory was impossible he confessed. "I married my wife twenty years ago," said Willoughby. "I did not love her, but married her mostly out of sympathy, she

Fifty-Cent Tax Against Each Member of the Association in Case of Need in Coming to Settlements.

INDIANAPOLIS, March 20.—The national convention of the United Mine Workers of America today completed its discussion of the report of the scale committee by sections. The first section adopted today was the one which levies an assessment of 50 cents per month on all members of the organization. This assessment, as explained yesterday by the convention by Secretary Wilson, is for the purpose of adding to the fund for the assistance of members of the union who by failure to secure contracts on April 1 may be forced to idleness. Other sections adopted authorized the international board to increase, decrease or discontinue this assessment, ordered miners

RAILWAY ENGINEERS ADJOURN

Walter G. Berg of New York Elected President of Maintenance of Way Association.

CHICAGO, March 20.—The American Railway Engineers and Maintenance of Way Association closed its ninth annual convention today after electing officers and selecting Chicago as the meeting place for 1908.

The election of officers today resulted as follows: President—Walter G. Berg, New York, chief engineer, Lehigh Valley; Vice President—L. C. Fritch, Chicago, assistant to the president, Illinois Central; Treasurer—W. C. Dawley, St. Louis, chief engineer, Missouri and North Arkansas railroad; Secretary—E. H. Fritch, Chicago, (re-elected).

Directors for Three Years—C. S. Churchill, Roanoke, Va., chief engineer, Norfolk & Western railway; Edwin F. Wendt, Pittsburg, assistant engineer, Pittsburg & Lake Erie railroad.

Kecks Have a Team. The Kecks have organized for the season of 1908 and will be ready to play any team or out the city averaging 23 years of age about the first or second Sunday in April. The lineup will be: Priddy, catcher; Trotter, pitcher; Champey, first base; Howigan, second base; Young, shortstop; Hummel, third base; Tuley, right field; Kuyke, center field. The Kecks would like to hear from some good players for left field.

was given three days in which to file a motion for a new trial. The court has not yet passed sentence. BLUE HILL—The Board of Education has secured former Congressman Shalinger of Alma to deliver the commencement address at the close of the school year. BLUE HILL—Tuesday evening while the Workmen lodge was in meeting the Degree of Honor members quietly went up to the hall with plenty of baskets laden with good things to eat, and gave the Workmen members a feast. FAIRBURY—Charles Fitch, formerly owner of the Reservoir Ice company of this place, died at Santa Fe, N. M., Wednesday night, where he had been living for several months in hopes of better health. The body will be brought to Fairbury for interment. FREMONT—There is no trace of silence. The Morse Bluffs merchant who disappeared a week ago and circumstances that have recently developed indicate that he has left for parts unknown. He had considerable money with him and a new suit of clothes. Sheriff Bauman, who has investigated the case, is of the opinion that the man is alive. FAIRBURY—A meeting of the Johnson county democrats has been called for Tuesday, Saturday, March 28, at which time it is proposed to organize a Bryan club. HUMBOLDT—Mr. Claude Ferguson, son of the late J. Corwin Ferguson, a leading farmer and stockman of southeastern Nebraska, was united in marriage to Miss Margaret Ferguson, the ceremony taking place at the home of the bride's father, Preston W. Ferguson, in the east part of the county. HUMBOLDT—Miss Olive Hendrix, daughter of G. W. Hendrix and wife south of this city, was married to Mr. C. L. Baird of Marion, Kan., the ceremony being performed by County Judge Barton of Pawnee county. PAVILLION—Henry Cory, who was arrested for striking F. W. Chapman, had his hearing today before County Judge Begley and a jury. He was found guilty and fined \$25 and costs. Mr. Cory refused to pay the fine and costs and was taken to jail. TECUMSEH—The Burlington exhibit car is on track at this station. The car is filled with samples of grains, grasses, vegetables, etc., grown along the Burlington road in this and other states, a special showing being made of the resources of irrigated sections. Many people visit the car daily. TECUMSEH—Samuel B. Parker sent in the declaration to stand as a candidate for mayor of the city of Tecumseh, to the central committee, last evening. His opponent, William Ernst, the present mayor, had previously resigned. The com-

from the upstairs rooms, in addition to the one from the high school room. He also recommends that the laboratory be removed from the basement and that chemicals be stored in some other place. He condemns the use of oil on the floor and recommends sawdust. The communication has not been before the board, but it is probable that immediate action will be taken along the lines suggested by Mr. Ryder. CENTRAL CITY—The town of Clark has been indulging in considerable excitement lately and as a result the docket of the district court will contain two new cases from the first when the court convenes again. The first affair occurred early in the week, when William McConnell, a citizen of Clark, and three boys of a family by the name of Church, living near there, became engaged in a quarrel and while McConnell had one of the boys down punching him Roy Church, the boy's brother, attacked him with a knife, inflicting several serious cuts. The other unpleasantness was between Otto Whittaker and Fred Kramer. Whittaker and Kramer quarreled and exchanged some uncomplimentary epithets. Upon meeting later they again became engaged in an altercation and came to blows. Whittaker got a hold to an old monkey wrench and struck Kramer behind the ear, inflicting quite a painful wound. Whittaker was arrested and upon appearing before Justice Boardley was bound over to the district court. TRUMBULL—On Wednesday evening at the Odd Fellows' lodge room was the largest attended wedding ever known in this section. The contracting parties were Alvin Cunningham, a prosperous young farmer, and Miss Mary Harter, daughter of "Mine Host" Harter. The ceremony took place at 6:30 p. m. and was followed by supper to about 150 in the lodge room. The formal decorations were many and beautiful, presents many and costly.

THE ANKLE BONES

Steady pressure on the ankle bones will soon result in a constant ache. The high-cut shoe has a difficult task in closing together neatly in front without drawing hard across these bones. The secret of the Crossett's fine ankle fit lies in its clever lines, which skillfully provide for every point.
