ANNOUNCEMENTS

SPRING TERM OF BOYLES COLLEGE **OPENS** MONDAY, APRIL 6 DAY AND NIGHT

graphy right now during this Spring Term. Don't wait for the Fail Term.

Enter now and by fail you'll be a full-fledged stenographer, an expert working at an expert's salary, a "crack" bookkeeper, an accountant earning a splendid income, or a speedy telegrapher—a swift operator rapidly fitting yourself for a position as a train dispatcher, division superintendent or superintendent.

If your public school education is about over, there-is no need for you to wait until June to commence your training for a business career. Enter Boyles College now and you will be capable of taking a position in the business world just at that period of the year when the business world is in need of the greatest number of new stenographers, bookkeepers and telegraphersthe fall

You'll lose whole months if you "wait awhile"-if you "deter" your start until fall. Why not write to our president about this matter? Or, better yet, pay

BUSINESS CHANCES

UNUSUAL OPPORTUNITY.

OPPORTUNITY.

A prominent concern manufacturing a tube incandescent light, giving twice the light of the ordinary bulb at one-half the cost, requires a representative for Omaha and vicinity who will invest from \$5,000 to \$10,000 in the shares of the company, for which exclusive territory will be given for the sale of the lamps, reflecters, etc., and permission to place a limited amount of the stock of the company. The proceeds of the sale of the security are for the purpose of increasing its manufacturing facilities. The company now has a large plant in operation, working day and night, but is unable to fill 40 per cent of its orders. The lamp manufactured is revolutionary in its line and the stock offered is for treasury purposes only. The company will stand the closest investigation. This is a rare opportunity for a high-class man to connect himself with responsible manufacturing company controlling great monopoly, with enormous demand for their goods, which will apply the company of the company with the response of the sale of the company with the compous demand for their goods. responsible manufacturing company controlling great monopoly, with enormous demand for their goods, which sell at sight.
