COME NOW OUT FOR SPEAKER Pop Who Opposed Terminal Tax is Already Running for the Job. The Hon. Tremore has come to town to claim his own. The Hon. Tremore, it will be remembered (probably) was a member of the last legislature from Saunders county and for a considerable period he was recognized as the leader of the minority. He believes he served in that capacity well and faithfully, trying his best to defeat the terminal tax bill, a measure in which the republican party was vitally interested. Mr. Coe wants to be speaker of the next house. To a friend in Omaha he said the line has been set for the Fusionists to have a majority in the next house. Should this prove to be the case he is quoted as saying, it is his duty that he be chosen speaker. He is now conducting a quiet campaign for this position and he firmly expects to land it, so he said—and he believes the party owes him the job. A Feighful Experience with biliousness, malaria and constipation is quickly overcome by taking Dr. King's New Life Pills. 25c. For sale by Beaton Drug Co. Building Permits. Frank W. DETROIT IDEAL Gives you \$1.00 gas without the dirt or concern of the mayor or city council. It friends who were roped in by the canvassing fakirs at \$5 for the same range. A range that no reputable dealer would sell as second class.

Mr. Kirkman, the artist who paints those beautiful pictures on sign boards, after he had bought a Detroit Ideal, said: "I came from Detroit, where that stove is made. There it has the reputation of being the best. I would have sent for one if I had not been able to get on here." Mr. Jones, 26th and Rees St., said: "My mother bought a stove from one of the aristocratic furniture stores last spring, one that is said to be the only one of the kind made here. Here, but all the stoves we ever bought of you were so satisfactory that I came near buying one of our stoves here. Since mother knows what ours is, she is going to sell here and buy one like ours. I am thankful that I didn't because a relative of ours bought one and they don't like it at all."
