of his pitching force, to ward against any glass arms. During the stay of the White Sox all the pitchers will be given a chance to show their worth, although none will be allowed to exert himself too much if the weather continues cold. The infield is in remark-aby geod condition, two of them having played ball all winter and the other two having been at hard work, so they had no superfluous flesh to cut away. Noah probably will be sent in to open the battle against the Sox. He has been to making quite a hit during his short work-out in Omaha and the fans are expecting some fine things from Pa's new recruit. Charles Johnson, the new golf profes-shonal of the Happy Hollow Country club has uncovered the greens of the golf course at the chib and they were thrown open to the golfers of the club Thursday. The greens have been covered with soil during the winter months and those de-siring to play have had to play on tem-porary greens and tees. A new hole has been added to the source, which will make the links much more attractive. It is a bull ring, similar to hole No. 7 of the Country club. The ball must be driven from a high hill into the bull ring to make a perfect shot. When the new porches are completed at the Happy Hollow club that

American Pugilist Speaks on Pub-licity in Sport at London. LONDON, April 2.-Tommy Burns, the champion heavy weight fighter, appeared in a new role tonight. He was a guest at the dinner of the Sphinx club and was down for a speech in a debate which had been arranged on "Publicity in Sport," which turned matnly to the ethics of Oxford's recent secret trial row. Infortunately for Burns he was sand-wiched in the speaking between Lord Al-versione and Mostyn Pigott, two of Lon-don's best after-dinner speakers. There was compensation in the fact that Lord Alverstone, who was a great athlete in his younger days, went over to Burns and, shaking him by the hand said that he was pleased to meet a man who had played the game as cleanly as Burns had. Nork on the Lusitania Saturday. He will in to arrange a match with Johnson and will cover Johnson's deposit of \$2,500, with \$3,600 additional. Burns ays he is willing to allow the money to remain in the hands of the stakeholder for from one to two months, to give promoters an opportunity of arranging the contest. He demande \$30,000 as his share of the pight, and he would prefer a contest of twenty-five rounds or to a finish, which would limit it to California or Newada.

two vacant dates for Manager Eager to fill. The first general work of the track team began this afternoon, when the candidates started training on the campus. The bunch out for the work today was small and con-tained only a few men who are known as "good" track men. A great many of the candidates are new men who will have to be developed and who will be unable to get into very good shape for the meets this year. Everything looks gloomy for the track team how and none of the students hopes for much success in this branch of the university athletics this season.

## Hawkeye Track Schedule.

Hawkeye Track Schedule. IOWA CITY, Ia., April 2.-(Special.)-The Iowa track men are working out for the home meet, and for the recently sched-uled date with Minnesota. This last date completes the Hawkeye list: April 25, home meet: May 9, Minnesota, probably at Iowa City: May 16, invitation meet for high schools; May 23, Valley Cenference meet at Kansas City: May 25-25, state meet at Des Moines; June 6, conference meet at Chicago.

schools; May 25, Valley Cenference meet at Kanass City; May 32-29, state meet at Des Moines; June 6, conference meet at Chicago. The foot ball game sought for with Min-nesota was refused on account of the fact that the Gopher list was already filled, and it is now probable that Iowa will theet the Purdee squad in Chicago. This game was suggested to the boliermakers during Coach Catlin's recent trip to Chicago, and it is understood that Stagg favors the idea. Iowa and Purdee have never met, and if an arrangement of dates can be made, it is probable that they will play their first game the latter part of Oc-tober. Morningside college of Sloux City wants a place on the Iowa schedule, but it is improbable that they will be taken on, as Grinnell has the first call on the imited number of state games to be played, and also because serious charges are made against the amateur standing of the 1997 team at the Sloux City school, by several of the colleges of the state.
