Iowa's Base Ball Prospects.

Iowa City, is., April 5.—(Special.)—
Manager Catlin has concluded his work on
the base hall schedule of the State university by arranging the dates for the
games with lillinois and Chicago. The
lilinois will be played two games, on
April 28 and 24, both at Illinois, and Chicago will be played in Chicago on April
25. The squad is working out on the diamond every day and Coach Kent's hopes
for a classy pitching staff are rising
every day. Burrell, one of last year's
freshmen, is developing into a twirler of
marked ability. Sutherland and Elitott are
both speedy men, and with Burrell will
make a change that will be hard to locate.
Hanlon will be used when he can be spared
from the track, in which team he will
run the 40 and the relay. Johannsen has
been pulled in from the center garden and
is playing on first, where he will probably remain. Murphy, one of the foot ball
men of the last three years, is showing
up well on second, and with Stewarf.
Wilson, McGregor and Gittenger will do
the stone wall set for the Hawkeye infield. In the outfield the men have not
yet been sifted out, as the hitting qualities cannot be determined till later in the
season. Captain Kirk and Comely will alternate behind the hat.

Church Leaders Start Movement

for Ultimate Prohibiflum. SALT LAKE CITY, April 5.-By the utterances of its leaders the Mormon church option and ultimate prohibition. President Joseph F. Smith, in opening the seventyeighth semi-annual conference used these words: "There is a movement throughout the land for local option, and I hold that every Latter Day Saint will co-operate with the movement, in order that we may curtail this monster, intemperance. We think and feel that the people should be

permitted to say if they will have drunken-

ness, riot, murder and kindred orimes which

too often come from the use of strong same vein. Politicians of all parties admit that the new policy of the church will lead to the early enactment of a local option law, something this state has never had, Idaho, Wyoming and other states in which the percentage of Mormon voters is large may also feel the effect of President Smith's pronouncement. Coming at such a time and place, his utterance was received by faithful members of the church

as an inspired command. The conference will last for three days. Fifteen thousand persons are in attends. and of these 8,000 were present to the Tabernacie today.
